Rogers Victorious At College Club Polls

Three Sophomores Win Offices; New Club Chief Is Leader In Campus Affairs

With two-thirds of the votes in his favor, George Rogers, '37, of Chicago, was hailed last week as president-elect of the College Club. His smashing victory was interpreted by his supporters as a student expression of confidence in his ability to direct campus problems next year.

Frank Straub, '38, of Bloomington, trailed Rogers in the number of votes received, but carried the club's vice-presidency over his two opponents by a large margin. Ray Cavanaugh, '39, of Chicago, shattered predictions in favor of the incumbent secretary by scoring a 21 vote lead over his closest rival for the secretaryship. Eugene Larkin, '39, of Twanda, carried the treasurer's office over the field of six students who sought the post. The treasurer's office was the most contested office on the ballot, despite the notorious record of the club for having empty coffers.

President Active

The quietness of the election was in marked contrast with the heat of last spring's campaigns and contested voting. The fact that only two-thirds of eligible voters went to the polls has been attributed by commentators to the lack of any pressing campus issue.

Rogers succeeds Stephen Gould, '36, who became head of the club last winter upon the withdrawal of William Phelan, president, from school. While he had never before sought office, Rogers has been active in student affairs during all of his three years here. Last fall he was appointed co-advisor for the freshman class, and this month he handled many of the arrangements for the Physical Education Field Day. He was named honorary captain of the basketball team during his sophomore year, and was largely responsible for more than one victory on the hardwood this season. In all of the undertakings of the College Club this year, Rogers has been an infatigable worker, and his election does not find him new to student organization and leadership.

Provincial Preaches Baccalaureate

Traditional baccalaureate services on May 24 will ring up the curtains on the year's graduation activities. The Very Rev. J. P. O'Mahoney, C. S. V., has accepted an invitation to preach the baccalaureate sermon, according to the Senior class moderator.

After the services, the graduates will be guests of honor at a breakfast in the college dining hall.

In Appreciation

The VIATORIAN makes public recognition of the laborious hours which Leonard Mondri, '39, spent in painting for the P. E. Field Day. He deserves a vote of thanks from the student body.

Sam Hamilton Writes Year's Best Essay

"Education For Leisure" Is Popular Topic

Sam Hamilton, '37, was announced as winner of the English Essay Contest yesterday. His paper on "Education For Leisure" was selected from approximately 200 entries after first gaining the approval of the English professors and then passing the criticism of three judges. Hamilton, of Chicago, is a Chemistry major.

Joseph Prokopp, '38, of Springfield, was awarded second honors. Bro. Harold Thompson, '37, and Edward Buttgen, '37, were named to share third laurels. Brother Thompson and Prokopp, as did the winner, wrote on "Education For Leisure". Buttgen chose the serio-comic subject "On The Pleasures Of Cutting Class."

The winning essay will be printed in its entirety in the June 2 issue of the VIATORIAN.

Four Viator Alumni Take Holy Orders

Viator is proud this spring of four sons who are being ordained to the Holy Priesthood.

The Rev. Eugene F. Hoffman, C. S. V., will be ordained by His Excellency, the Most Rev. J. H. Schlarman, D. D., Bishop of Peoria, at St. Mary's Cathedral, Peoria, on May 31. On the following Sunday, Father Hoffman will celebrate his First Solemn Mass at Benson, Ill. The young priest who completes his studies at the Catholic University of America this spring will be a member of the College faculty next year.

Bishop Schlarman will also confer Holy Orders on the Rev. Edmund V. O'Neill on May 31. The Viator alumnus will celebrate his First Solemn Mass at the Church of St. Thomas, Philo, Ill., on June 7.

The Rev. Francis J. Brockman was ordained at the Cathedral of St. Joseph, LaCrosse, Wis., on May 3, and celebrated his First Solemn Mass in Wisconsin Rapids, Wis. Father Brockman was a member of the Viator graduating class of 1932.

The Rev. Jerome Drolet, a graduate of the old Viator High School, will celebrate his First Solemn Mass in St. Rose Church, Kankakee. The Rev. J. W. R. Maguire, C. S. V., will preach the First Mass sermon.

Richard Powers Choral Club Chief

Richard Powers, '39, of Chicago, was named to succeed Ray Cavanaugh, '38, as president of the Choral Club last Thursday evening. Vincent Murphy, '39, Robert Lenahan, '39, and Leonard Mondri, '39, were elected to the other offices of the club.

Powers, in a speech after his election, expressed hope for the organization's accomplishing greater fetes next year than the current season has allowed. He also declared that the securing of a good loyalty song would be one of the tasks before the club.

Doctor Hart To Give Commencement Address

College Will Honor Guest Speaker; Stephen Gould Named Valedictorian

Viator Club Is Organized In Chicago

Movement Expected To Spread To Neighboring Cities

More than 50 alumni met at the Maryland Hotel in Chicago on May 11 to organize the Viator Club of Chicago, and since that time have drawn up a constitution and a set of by-laws for the organization.

Sam McAllaster was elected president of the new club; Francis Carroll was named first vice-president; William Convey, second vice-president; Leslie Roche, historical secretary; Joe Degnan, recording secretary; and Roger Stevens, treasurer.

The club answers the long-felt need for organization of the alumni, and is expected to be the parent club of numerous such groups in other cities. It is hoped here that this action of the Chicago men will lead to one great, unified Viator Club, with city organizations in all parts of the nation working in harmony with each other. Under such a set-up, Viator men in one city club would be welcome at the meetings and social affairs of every other brother organization.

The Viator Club of Chicago plans a manmough picnic sometime during July, plans for which are already underway. Its third meeting is to be held at the Maryland Hotel, 900 North Rush street, on May 25.

The reaction of the college administration for this movement among the Chicago alumni is "one of pleasure and anticipation". The club is promised every means of help and support.

Dr. Ellis Listed On Banquet Program

Dr. John T. Ellis of the Catholic University of America and a former history instructor here, will propose a toast to "Our New Doctor", Father Charles A. Hart, at the annual graduation banquet on June 2. Doctor Ellis is well known and loved here, and his name honors the graduating class.

Stephen Gould, Senior class president, will serve as toastmaster at the banquet and will introduce toasts by the following speakers: the Very Rev. Dr. E. V. Cardinal, C. S. V., William Fleming, James Omera, Lester Soucie, Raphael Roche, and Edward Buttgen, president of next year's Senior class.

Edwin Markman, famed poet, will be honored by Princeton University on his 84th birthday.

Notre Dame will open a special department for the training of Catholic apologist writers in September.

Rensselaer Polytech recently sponsored a world-wide alumni reunion by radio.

The Rev. Charles A. Hart, Ph. D., of the Department of Philosophy at the Catholic University of America, will deliver the Commencement address to the Viator graduates on June 2. At the same time, the College will confer upon the guest speaker, who himself is a Viator alumnus, the honorary degree of Doctor of Laws. His Excellency the Most Rev. Bernard J. Sheil, D. D., will preside at the Commencement.

Doctor Hart, one of the nation's outstanding speakers, has announced "Spiritual Renaissance and Recovery" as the topic of his address. The Catholic University professor is today recognized as a leader in the field of philosophy. He has for several years been secretary-treasurer of the American Catholic Philosophical Association, and is the prime mover of the Washington Catholic Evidence Guild. Doctor Hart is a native of Ottawa, Illinois, and was graduated from St. Viator in 1917.

Gould Valedictorian

Stephen Gould, of Bloomington, Ill., will deliver the Valedictory at the Commencement. Norbert Ellis, of Seneca, Ill., and John Shipman, C. S. V., will deliver bachelor orations.

The graduation exercises will begin at 3:30 with an academic procession to Marsile Hall. The Kankakee High School band will play the processional march.

Summer School Offers Variety Of Courses

Reviews Laud "Campeggio" for Historical Value

The high success and popularity which Cardinal Lorenzo Campeggio, by the Very Rev. Dr. E. V. Cardinal, C. S. V., enjoyed when it came from the press last winter have not dwindled with the passing of the months. Praise for the work and its author continue from a review of the book which appeared in the May issue of "The Catholic Educational Review".

"The sixteenth century, that period of religious, economic and social upheaval, still is today, despite the less controversial atmosphere among Christians, a most productive field for historical research and publication.

"In recent years a large number of biographies have been published dealing with men and women of that time. Mary Stuart, who captivated her contemporaries, today fascinates the biographers. Her less inspiring namesake, Mary Tudor—she with the bloody epithet—has quite recently found a scholarly biographer. Wolsey and Cranmer have both been studied—with what final success need not be investigated here—by that prolific writer, Hilaire Belloc . . .

"Less conspicuous, but in no wise unimportant in the history of that troubled period, was Lorenzo Cardinal Campeggio, Legate to the Courts of Henry VIII and Charles V. No critical biography using all the available material—printed and unprinted—existed of this churchman. Rev. Dr. Edward V. Cardinal, a priest of the Congregation of St. Viator, has after painstaking study, filled this want. He has utilized for his biography sources so far hidden in the Secret Archives of the Vatican and the Archives of the Campeggio family in Bologna".

(Here follows a summary of the life and work of Cardinal Campeggio).

"Dr. Cardinal has given us a methodical, well documented and scientific biography of a skillful pap-

al diplomatist who, though not un-mindful of his own and his family's interests, rendered service to the Church in difficult times. He has not finally settled every detail of the Cardinal's life . . . Nevertheless, he has made a valuable contribution to the history of the noteworthy figures of modern times. May we hope that in spite of his arduous duties as President of one of our colleges he shall find time to continue his contributions to historical literature".

U. of I. Head

Dr. Lawrence Larson, head of the department of history at the University of Illinois, says this of the book in a letter to the author:

"No one has spoken more truthfully about the task and the duty of the historian than has Leo XII, whose words you have placed on your title page; and I know of no one who has lived up to his injunction more perfectly than have you in your account of Cardinal Campeggio."

Viatorians Speak At Commencements

Three members of the College faculty have been asked to deliver commencement addresses to the graduating classes of neighboring schools. The Very Rev. Dr. E. V. Cardinal, C. S. V., will speak before the St. Leo High School graduates in Chicago; the Rev. Bernard Mulvaney, C. S. V., will deliver the principal address at the College of St. Teresa, Winona, commencement exercises; and the Rev. John W. Stafford, C. S. V., will be guest speaker for the graduates of the College of St. Francis, Joliet.

The Very Rev. Dr. E. V. Cardinal, C. S. V., attended the Testimonial Dinner in honor of Dr. Lawrence Larson in Urbana on May 9. Doctor Larson is retiring this year as head of the department of History at the University of Illinois.

Singers Enjoy Farewell Banquet

The Choral Club closed its current season Thursday night with a grand banquet in the College refectory. Under the baton of the Rev. M. P. Loughran, C. S. V., the singers have enjoyed unusual popularity this year. Besides stage appearances and recitals, they presented one radio broadcast, and their last appearance, at the Parent's Supper on Physical Education Field Day, brought them high praise.

Bring Back My Shirts And Socks

George Rogers, '37, president-elect of the College Club, issued an unofficial plea today to the students who are wearing borrowed clothes. He reminds the men of Roy Hall that the scholastic year is drawing to a rapid close, and that it is always convenient to take one's own clothes home. Rogers specifically states that many students are missing socks, ties, shirts and jackets.

Biology Club Storms Neighboring Woods

Members of the Biology Club drew the curtain upon the first year of their organization by spending the afternoon and twilight hours of Wednesday exploring the scenic caves and ravines along the Kankakee River. Dr. Wm. C. Van Deventer and the fifteen enthusiastic members who made the trip partook of a picnic lunch before returning to the college. Many a burnt weenie and marshmallow was consumed by the naturalists and it is sincerely hoped that Doris Barnett's prediction of "nightmares will surely haunt us" was not realized.

Upperclassmen Win Brown Jug

Straub's Hillbuttons Win Intra-Mural Softball Title In Late Rally

Errors Mar Game But Provide Exciting Finish To Season

Special—In a thrilling last inning drive that featured the scoring of five runs, only one of which was earned, Straub's Hillbuttons eked out a victory over Roche's Jeeps to win the play-off battle for the Intra-Mural Softball title of the college. Roche, losing pitcher, seemed to have the game well in hand up until the fatal ninth when his team support became unusually weak. For six innings Roche, master of the situation and gave up but two hits. Blazeovich, Hillbutton pitcher, had streaks of effectiveness marred occasionally by outbursts of wildness. Blazeovich, while fanning 6, gave 5 walks and threw 4 wild pitchers into the dirt. Early in the game the Jeeps under the leadership of Ray Roche assumed the lead. Taking advantage of two errors, 3 walks, two wild pitches and two hits, the Jeeps scored five runs in the second inning to lead the Hillbuttons 5 to 1. Needless to say none of the runs were of the earned variety. In the fifth inning the Jeeps added another run to their total on a homer to deep centerfield by Normile. Two other hits went for nought as Joe Saia made a beautiful running catch of Morris' drive to end the inning.

Fatal Ninth

The Hillbuttons had scored an unearned run in the second inning but seemed doomed to defeat because of Roche's masterful pitching and the marvelous fielding of his teammates, particularly Joe Saia. However, in the seventh inning three solidly smacked hits produced two runs. Saia caught McGrath's fly after a thrilling run to make it one out and on the next play the Hillbutton threat was smothered by a lightning fast double play, Gavin to Cavanagh to Betourne.

In their half of the ninth the Jeeps managed to score on a hit, two stolen bases and an error. Then came the fatal last half when Roche's dream of a championship went Ka-phooey.

The inning opened with Fahey safe on O'Rourke's error. Cavanagh walked. Gibbons popped to Gavin. Speaker doubled scoring two runs. McGrath walked and went to second on a wild heave which permitted Speaker to score. McGrath swiped third when Saia was safe on Gavin's error. Tures fouled out to Waldron and McGrath scored the tying run after the catch. Stevens then singled sharply to right to drive in Saia and the winning run.

Betourne Wins Physical Ed. Championship As Uppers Down Frosh

Jake Bower Scores 15 Points; Named Frosh P. E. Champion

P. E. CHAMPION

DON BETOURNE

Don Betourne, '37, added another wreath of victory to his athletic laurels, when he won six first places to take the title of "Physical Education Champion of St. Viator college" in the first annual physical education day meet. Betourne's contribution of 30 points aided the Upperclassmen to finally overcome an early lead the Freshmen had established and thus to win the "Little Brown Jug".

Scoring 50½ points to the Frosh's 15½ in the field events of the first annual physical education day, the Upperclassmen were able to come from behind and win the "Little Brown Jug" before more than 1,000 parents and friends who had journeyed to Bourbonnais for the day's celebrations. Final tabulations gave the Upperclassmen 179 points to 131 for the Underclassmen.

Doped to win the first physical education meet by a wide margin the Upperclassmen lost heavily in upsets that occurred in the track and handball contests. Matters, however, were evened somewhat when the upperclass swimming team staged the biggest upset of the afternoon's activities and managed to win the swimming meet by a margin of 8 points. The overwhelming defeat that the Frosh suffered in the baseball game and in field events also counted heavily in the final results.

Rohinsky Runner-Up

Individual scorers, vieing for the physical education championships, were paced by Don Betourne. Betourne, entered in six events, emerged victorious, having garnered 30 points by winning the javelin throw, high jump, discus throw, shot put, 50 yd. free style swim and the 100 yd. free style swim. Abe Rohinsky, lightning-like sophomore, gave Don his closest competition for the college and upperclassmen's title by snaring 17 points. Rohinsky won the 50 and 100 yd. sprints, the broad jump and garnered two points as a member of the winning 200 yd. relay team.

Jake Bower, a comparatively unknown freshman, came through with first place in the low and high hurdles as well as first place in the 440 to win the coveted Freshman

title of physical education champion with a total of 15 points. Bower's closest rivals among the frosh were Leo Schlenz and Herbie Fields, Kankakeans, who each garnered 12 2-3 points to tie for second place honors.

Records Set

While no startling achievements were recorded in any of the competitive events, the winners of each contest becomes a record holder since this was the first annual physical education meet. These records will at least stand unchallenged until next May when the second annual physical education meet will be held on the third Sunday of that month. The winners of first and second place were honored at the banquet in the evening. At that time the Reverend Dr. E. V. Cardinal, C. S. V., president of the college, assisted

by Brother Eddie DesLauriers, C. S. V., awarded prizes to the various winners. George Rogers, captain of the Upperclass team accepted the "Little Brown Jug" on behalf of his team while the parents and student body applauded wildly.
