

NEW DEPARTMENT TO BE ADDED

3 Games To Aid St. Viator Athletic Club

St. John's C. Y. O. heavy weight cagers of Joliet, recent winners of the Chicago archdiocesan title, have been booked to meet St. Viator varsity in a post-season benefit game the night of March 27th, at the 132nd Infantry armory, Madison and Rockwell streets, Chicago.

The Irish and St. John's are playing the semi-windup of a star cage card which will feature a brilliant tussel between the Duffy Florals, crack Chicago squad, and the K. C. All Stars. The K. C. All Stars shall be composed of St. Cyril Council team, last year's Knights of Columbus champions and six stars from the West and South Sections of the K. C. League. The preliminary game of the evening will bring together two of the outstanding girls teams of Chicago. The Andy Frain Usherettes have already announced their willingness to play and it is hoped that the Spencer Coals can be secured as their opponents.

C. Y. O. Team Tough

The Green Wave of Viator will have its work cut out in the semi-windup. St. John's team will be no "set-up" for it boasts of having four members of the last year's National Catholic High School champions upon its first string team. "Baldy" Carroll, who has brought three national basketball titles to Joliet, will coach the St. John's team for the coming fray.

St. Viator, while not having the most successful season in its history, enjoyed several victories over very tough opponents, one of them being won in the last game of the year against Valparaiso University. The Irish wound up its season that night with a crushing 30 to 14 win.

Can Reserve Tickets

Basketball's finest will be seen in the Florals-K. C. tilt. Three Notre Dame cage captains, Ed (Moose) Krause, Johnny Baldwin, and Johnny Jordan, are included in the Duffy line-up, which also boasts Joe Reiff, ex-Northwestern captain, who set an all-time Big Ten scoring record; Red Barack and Whitey Kickhorst, ex-Chicago Bruins, and Johnny Ivers, the most popular cage man in Chicago.

Proceeds of this cage card are to be donated to St. Viator College. All arrangements for the games are being handled by the Alumni and Friends of Chicagoland, under the direction of Sam McAllister and Brother Jos. Donahue. Fans interested may obtain information relative to tickets and transportation by communicating with one of the following:

Brother Russell, St. Viator College, Bourbonnais, Ill., phone Main 1263.

Sam McAllister, 1 North LaSalle Street, Chicago, Illinois.

Notre Dame won 105 games, lost twelve, and tied five under the super coaching of Knute Rockne.

Hung. Consul To Lecture IRC Thurs.

Consul for the Hungarian government at Chicago, Laszlo L. Medgyesy, will address the St. Viator International Relations Club, Thursday evening, March 21 at eight o'clock. His subject will be "Hungary, Yesterday, Today and Tomorrow".

Dr. Medgyesy was born in Kaposvar, Hungary, June 7, 1894, the son of Louis and Baroness Georgina (Karg) Medgyesy. At the age of seventeen he graduated from the Royal Hungarian College at Zalaegerszeg. Feeling that his vocation was in the field of diplomatic service he entered the Royal Academy and graduated from that institution in 1917.

From 1917 to 1919 Dr. Medgyesy was connected with Austro-Hungarian Consulate, Breslau, Germany. He was appointed vice consul of the Hungarian Legation at Berlin in 1919 and spent three years in the German city. In 1922 he was made Secretary of Legation at Prague, Czechoslovakia and he continued at this post until 1924 when he was transferred to the position of consul at Ministry for Foreign Affairs.

Early in 1927, Dr. Medgyesy had his headquarters at Cleveland, Ohio, but in June of that year he moved his office to Chicago where his activities have been centered since 1927.

Despite his numerous duties as Consul, Dr. Medgyesy finds time for other activities. He is vice-president of the Hungarian-American Chamber of Commerce and a member of the following clubs: Lake Shore, Athletic and Germania. His favorite recreations are swimming, rowing, reading and music.

The subject of the lecture should prove very interesting for this is the first lecture we have had on Hungary this year.

Viator Debaters Score Victories

The horizon continues to look bright for the Viator debaters, who reached the half-way mark in their Conference schedule last Friday with two wins and one loss, giving them a .666 percentage. The three final debates will be held this week, the Affirmative team meeting De Paul University, and the Negative debaters tangling with Illinois State Normal University and Bradley Tech.

William Crannell, '37, Stephen Gould, '36 defeated Shurtleff college last Friday night by completely convincing the judge and the audience of the soundness of their case. The team held that, although there do exist circumstances under which collective bargaining can best be done by non-company unions, there are cases in which company unions are superior bargainers. Crannell and Gould are both in their first season risen from the ranks as possessors of unusual forensic ability.

P. E. DIRECTOR

CHARLES ANDREWS

Msgr. Griffin Named Bishop

Announcement was made last week that the Rt. Rev. Msgr. William R. Griffin, a valued friend and benefactor of St. Viator College, has been elevated to the episcopacy and appointed Auxiliary Bishop of the diocese of La Crosse, Wisconsin.

Bishop-elect Griffin will assist the Most Rev. A. J. McGavick Bishop of La Crosse, a Viator alumnus. Bishop McGavick was one of the founders of the VIATORIAN and its first editor.

The consecration of the bishop-elect will take place in the Cathedral of the Holy Name, Chicago, on May 1. His Eminence, George Cardinal Mundelein will be the consecrator.

The Rt. Rev. Msgr. William R. Griffin is a native of Chicago. He received his education at St. Ignatius High School, Kenrick Seminary, St. Louis, Mo., where he completed his theological studies. He was ordained priest on May 25, 1907. After his ordination, Monsignor Griffin was appointed to Holy Angels parish, where he served as assistant priest for sixteen years. In his work here and in subsequent appointments, the zealous priest distinguished himself through his work among religious organizations of the laity.

Upon the death of the Rt. Rev. Msgr. D. L. McDonald, Monsignor Griffin was appointed to the pastorate of St. Andrew church in 1930.

In recognition of his work, he was elevated to the rank of Domestic Prelate on June 21, 1931. On this occasion, His Eminence, Cardinal Mundelein, visited St. Andrew parish and personally bestowed this honor on Monsignor Griffin.

Cadets at West Point have requested that they be dragged out of bed at 6:30 a. m. instead of 7 a. m., so they can have more time for study. At other colleges, students request that they be dragged into bed at that hour.

Student Body Hears Cisca Lecturer

Viator students unofficially became a part of the great Catholic Action crusade last Friday morning when they attended a mass meeting in the College Club Room and heard the objectives and organization of CISCA explained by Mr. Warren McGrath, of Loyola University, Chicago.

Mr. McGrath spoke at the invitation of the St. John Berchman Society, which will become the official organ of CISCA in the school, and is promoting the Catholic Action work here. The Rev. W. J. Cracknell, C. S. V., introduced the speaker, and Stephen Gould, '36, president of the Berchman Society, closed the meeting.

CISCA, Chicago Students Catholic Action, is a union of more than 50 high schools and colleges which indirectly influences more than 20,000 students. Its purpose is "to provide for the Catholic young people of Chicago and vicinity a laboratory of Catholic Action; to make Christ the inspiration not only for every religious activity but for every cultural and social undertaking as well. CISCA lends confidence to the young man or woman who, although rebellious against pseudo-modern standards, has found himself powerless or without courage to rebel effectively".

An alumnus of St. Viator, the Auxiliary Bishop of Chicago, Most Rev. Bernard J. Sheil, assumed the title of Director General of CISCA last year, and has made it an integral part of his Catholic youth movement for the Archdiocese. Bishop Sheil has given to CISCA the inspiring slogan, "To achieve the impossible for Christ".

Dramatic Club Sponsors Fete

After two languid weeks spent in deciding upon a play the dauntless Viator Drama Club will present an extravagant extravaganza in the College refectory, Saturday, March 23 at eight o'clock.

The Reverend President has given his fatherly nod to a merry evening of dancing, entertainment and refreshments, the purpose of which is to realize funds to defray the expenses of the club. Miss Mary Anthony, who has been appointed chaperon and hostess, has many a surprise up her fashionable sleeve in the way of choice condiments and sprightly entertainment. While her program is not yet complete, Miss Anthony vows that she will present everything that will add to the general entertainment. Such established names as Red Madigan, Ralph Celotto, Claire Legris, Ray Cavanaugh, Ken Wiser, Clark Dilger and Jack Cronin will be on hand to aid in making this a successful affair.

It is hoped that little Miss Colette Legris, the talented young lady who gave such a pretty performance at

(Continued on Page Six)

C. Andrews To Head New P. E. Classes

The Reverend E. V. Cardinal, president of the College announced last Thursday that a physical education department would be created with the opening of the fall term. The addition of this department is the first of a series of expansions that is planned.

Charles Andrews, wrestling co-captain at the University of Illinois, was named by the College Council to head the newly created department of physical education. Andrews will come to St. Viator after his graduation from Illinois in June.

Probable Courses

While the courses have not been arranged, the department will probably offer the usual physical education curriculum which comprises: calisthenics, marching, tumbling, dancing, and setting-up exercises; football; basketball; baseball; soccer; track; swimming; wrestling; volleyball; advanced courses (Theory of Extra-Curricular Activities, Theory of Health and Sanitation, Theory of Corrective Physical Education, etc.)

It is also reported that each course will consist of two or three class hours per week. These classes will last 35 minutes and will be limited to 35 students. While the majority of the courses in this department will be afternoon classes, one or two morning periods will be innovated to accommodate students that will be taking science laboratories in the afternoon.

To Be Compulsory

Either four or six hours of physical education shall be required of all students in the freshmen and sophomore classes. Upper-classmen will be permitted to take certain optional courses. It is believed that the newly created department will carry out the modern scholastic achievement plan. Under this plan a student may earn credit in physical education in one of two ways; first, by taking and successfully passing the course; or secondly, by taking and passing a proficiency examination. Naturally, certain restrictions will be placed upon those permitted to take the proficiency examination. Usually, only those students having athletic ability and exception ability in scholastic work are permitted to take the proficiency examinations.

NOT BAD

A Notre Dame student is winning odd wagers. Recently he bet fellow students he could go two weeks without food. Those who accepted took turns being with him to see that there was no eating on the sly. The young man won. Then he bet them he could go three days and three nights without sleeping. This also was accepted and he won again. The last twelve hours were the hardest, he said, but he solved the problem by sitting in a chair under a shower. To show of what super-fiber he was constructed he even kept awake in all his classes during this period.

ACME PRINTING CO. - - - 121 SOUTH WASHINGTON AVE.

We wish to pay tribute to the St. Vincent de Paul society of St. Benedict's college for the great missionary work they have been doing for the past three years among the Negro people of Atchison, Kansas. It is interesting to note that this society today sponsors Sunday services for thirty-eight colored converts, and holds catechism instruction for approximately seventy interested non-Catholics. Recently the organization purchased two 150-pound hogs from Atchison farmers, butchered them and distributed them to the sick and poor of the colored population. In addition to this worthy work, missionary work carried on by the members of the society is beginning to show results. It is gratifying to learn that these Catholic students are willing to sacrifice their time and energy in cooperating in this truly great Christian work.

The student's demonstration a week ago at Guadalajara, Mexico, which resulted in three persons being killed and seven seriously wounded, followed close upon a Catholic demonstration in the same city which was dispersed by like violence, but luckily no one was killed. Another instance is recorded of the attitude of the Mexican government toward the Catholic religion inasmuch as they compel the teachers in the federal schools to sign the following pledge: "I hereby declare myself an irreconcilable enemy of the Catholic religion and disposed to combat the clergy wherever it shall be necessary. I also declare myself disposed to take part in the campaign against fanaticism". The teachers must also promise to end all religious practices in their homes. The administration prohibits all religions for the teachers. It is odd that we, supposed to be a highly civilized people, can watch calmly a nation, over which we have, by our Monroe Doctrine, a primacy of watchfulness, outrage the most fundamental principles of civilization under our very eyes.

The Chicago Chapter of the Knights of Columbus has endorsed the mobilization for Catholic action campaign. This is a nationwide affair, and progress is being made in the right direction. Pope Pius XI., in an address before the seminarians of twenty-two foreign colleges in Rome, teachers and representatives of Catholic Action, said: "Catholic Action must be kept severely apart from parties and politics. . . . If, however, politics must be understood in its classical significance of that which relates to the common good of society, then members of Catholic Action cannot remain idle, but must procure it in every way". Every Catholic, whether or not a member of a specific Catholic organization, should join in this great drive.

Flame O' Gael

By Mary P. Cruise, '35

The vision of the Lord came to Patrick as he was tending the flocks of the chieftain Milchu one night on the hills of Slemish. For six long years he had dwelt in slavery to his Irish master, since pirates had carried him off from his home in Scotland. But his days in the misty valley of the Braid and his nights under the stars had drawn him close to God, and now the words of the Lord enkindled in him a loving zeal for the souls of his captors who were given over to the ancient superstition of the Druids.

So it was that when he finally made his escape to France, his only thought was to come back as soon as he had equipped himself for his great task. For twenty years he was associated with the saintly Germain at Auxerre, and all the time the Isle of the West was before his eyes. He saw the soft-bosomed hills of Ireland, and her shimmering lakes. He dreamed of converting the oak of the Druids into a shelter for Him who died upon a Tree, and in his imagination he substituted for the monoliths of the Druids the altar-stone of the One True God. It was his special gift that he saw in everything, even the usages of paganism, and the humblest pebbles and tiniest plants of Ireland, vehicles through which he could convey his message.

At long last he returned to the land of his captivity, resolved to set it aflame with his own loving faith. The work was slow, for the laborers were few and the opposition of the pagan priests was intense, but at last the victory was his, and in a manner symbolic of his own ardent spirit. On Easter Sunday, 433, St. Patrick kindled the paschal fire upon the hill of Slane, in defiance of the orders of Leoghaire, Supreme Monarch of Ireland. At the urging of the Druids the king commanded his servants to extinguish the fire, but their attempt was unsuccessful. Druidism was doomed.

Many a pagan fire has been kindled in Ireland since, and the winds have long ago scattered its ashes, but the little flame of Patrick whose purpose was not to destroy but to warm and enliven has never gone out. The associates of Patrick and those who came after them nourished the fire during all the dark years when the Barbarians from the North poured over Europe and stabled their horses in the churches of Rome. When the force of the invasion was past, the sons of St. Patrick carried their glowing words of hope and rebirth to the desolated countries that had sent them Patrick, and the Faith that produced him.

All that is mortal of St. Patrick was mingled centuries ago with the soil of his own beloved Ireland. But the flame that he lighted in the souls of the Irish burns there to this day with a pure, still intensity, softening Celtic fierceness and illuminating Celtic melancholy. Neither sword nor pen nor the spectacle of want or the hope of affluence have been able to withstand the light of Patrick's fire, by which they are but shadows that will pass, as the dark faith of the Druids passed that Easter Sunday on the hill of Slane.

OLD STUFF

According to Professor Harold F. Bender, head of the department of oriental languages at Princeton, the origin of the word "jazz", which before had something of an unknown history, has been traced to the slaves of the west coast of Africa who first used the word in the meaning of "hurry up".

LibraryEchoes

By Bro. L. Nolan, C. S. V.

In Retrospect

No department of St. Viator College has endured more changes of fortune than the College Library. To students and faculty-members for whom the present well-stocked and admirably available shelves are a commonplace of everyday academic life, it is perhaps difficult to realize that the library of today rose Phoenix-like from the great fire of 1906, that fire which destroyed the main buildings on the campus and with them, the Library. A few meagre volumes were salvaged.

With this sadly depleted collection the Library staff undauntedly began the work of replenishing the shelves. The few books, mostly fiction, which had been saved were moved to a small room on the third floor of Marsile Hall in what is now a part of the Physic Laboratory. At this time the Library kept open but one hour a week, from 11 to 12 on Sunday mornings.

In the year that followed the Library numbered on its staff, among many others, Father Christopher Marzano, during whose regime the Library was moved from the third to the first floor and installed in the present co-ed's parlor. He was succeeded by Father Plante who installed the Dewey Decimal System of Classification which is still in use. The Library was also moved to the second floor where it occupied one-half of its present quarters. When Father Edward Cardinal became Librarian in 1918 the Library was again moved to the co-ed's parlor and a portion of the hall was requisitioned for stack room and many new volumes were added. Once again the Library was moved. This time (in 1920) it was installed in its present quarters. New equipment was installed at this time and the Library once more became a source of pride to all concerned.

In 1921 Father Cardinal left the Library to continue his studies, and Miss E. M. Roy succeeded him. Miss Roy was succeeded by Miss Lucille Putz who had been her assistant. Miss Putz remains as assistant under the Rev. Francis E. Munsch, who was appointed Librarian during the past year.

The Library is now entering upon a new era. It is marking time with the College in the advance to higher honors in the educational field.

Additions

The following books have been added to the Library shelves:

Russia's Iron Abe by William Henry Chamberlain.

Problems of the New Cuba by Foreign Policy Association.

The British Way to Recovery by Herbert Heaton.

The Permanent Court of International Justice by Manley O. Hudson. American Consulation In World Affairs by Russell Cooper.

Arms and Munitions by Baccus and Nichols.

The Saar Struggle by Michael T. Florinsky.

Acknowledgements

The Librarian wishes to acknowledge the receipt of books from the following:

Rev. Stephen Moore, Bloomington, Ill.

Sunday Snooper

As I gaze through the library window, Spring and nature beckon me to partake of their wonders. Ah! Sunday afternoon; warm sunshine, music, song and the campus. Day-dreaming reminds me of a certain village student who spends his evenings spying through the windows and watching lovers promenading along College Avenue.

Getting back to my stroll—the first individual whom I met is an interesting chap, nicknamed "Lord Byron". (What characters we do have!). I marvel at his achievements . . . Debater extraordinary, a singer (?), and also an aspiring tap-dancer. It is rumored that next year he plans upon taking this course in tap-dancing under the new physical educational director. Won't Hazel and he make a cunning pair? "Lord Byron" is always in demand. Last Sunday he acted as a debate tutor in the absence of the coach. He has on his way to Marge's and was whistling, "I'm Always Thinking Of You, Margie", when I met him.

My eyes then saw and my ears then heard Mr. Gaisor memorizing love-lyrics with an intension of quoting them to Miss Mitchell. What will Hebert think? But all is fair in love and war. You know, maybe he should have been singing "Louise" It was at this point that I encountered Ken Corcoran telling his woes to a little robin. He didn't have any roller-skates so he couldn't join Connie . . . Visited the gym and Ping-Pong Tournament next. Alex Krauklis was there humming to three young ladies, "I'm Just A Gigolo".

A walk is never complete about the campus without being interviewed by our publicity manager. A prominent member of the faculty describes Bill in these few words: 'Hears all, sees all, knows all and tells all.' . . . Aloysius' new theme song is "Gather Lip Rough While You May". In fact, someone said he could flag a train with his hands.

Strolling a Connecticut Freshman strolling about reminds me of Mary Cruise. She likes them, you know . . . As I pass the campus mailbox, there stands Marty, mailing a letter for John Hilker, he'd only been

carrying it around for a month.)No wonder I didn't get it!) . . . The spring-bug seems to have bitten most of our he-men, at least so Father O'Mahoney remarked to Claire, Hazel and Evelyn as he discovered them still in the lobby conversing with several of the Roy Hall students . . . "Ollie" Lux is now selling sundaes . . . Could it be that the spring atmosphere destroys his liking for what comes in stiens? . . . Phelan enjoyed a Sunday dinner at "The Green Hut" . . . which reminds me, its lunch time and dinner waits for neither time nor tide at the refectory . . . Be seeing you.

NORTH CENTRAL

North Central College of Naperville captured the lion's share of athletics during the year 1934 in the Little 19 conference. Besides winning the indoor, outdoor track crowns and the baseball title, North Central teams were second in basketball, tied for eighth in football and were sixth in swimming.

North Central won the indoor track championship with a total of

NOTICE!

In accordance with a long established tradition, the next issue of the VIATORIAN will be edited by the members of the Freshman Class.

The editor and associate editors will be selected this week by the editors of the VIATORIAN, and the three Freshmen appointed will choose their own staff.

The Frosh edition of the paper has always aroused the interest of the student body, and has usually revealed several budding journalists. There is every reason to believe that this year will be no exception.

INTERCOLLEGIATE

A chemist (a man) has at last been able to analyze women, and here it is:

Symbol: WO. A member of the human family.

Occurrence: Can be found wherever man exists.

Physical properties: All colors and sizes. Always appears in disguised conditions—surface of face seldom unprotected by coating of paint or film of powder. Boils at nothing and may freeze at any moment. Melts when properly treated. Very bitter if not used correctly.

Chemical properties: Extremely active. Possess great affinity for gold, silver, platinum, and precious stones of all kinds. Violent reactions when left alone by man. Ability to absorb all sorts of expensive foods. Turns green when placed next to a better appearing specimen. Ages very rapidly. Fresh variety has great magnetic attraction. Highly explosive and likely to be dangerous in inexperienced hands.

48-1-3 points. The baseball title was captured with six consecutive victories. The outdoor track crown was won with 38 5-6 points. North Central's second place in the basketball race was achieved with seven victories and two defeats.

Live to leave something behind you other than an empty chair.

....remember how I brought you two together

I'm your best friend

I am your Lucky Strike

I give you the mildest, best-tasting smoke—because I am made of center leaves only. The top leaves are unripe, bitter, biting. The bottom leaves are coarse, sandy, harsh. The center leaves are the choice leaves. They are mildest, mellowest, yet richest in fine tobacco flavor. And I offer you the fragrant, expensive center leaves exclusively. I do not irritate your throat. That's why I dare to say, "I'm your best friend."

LUCKIES USE ONLY THE CENTER LEAVES . . . CENTER LEAVES GIVE YOU THE MILDEST SMOKE

They Taste Better

Viator Tankmen Take Third Place

Marked by the smashing of all but one record and the dethroning of last year's swimming champions, the "Little 19" swimming meet was won Saturday night, March 16th, by Illinois College of Jacksonville. St. Viator's newly organized team, the "dark horse" of the meet, in a spectacular manner captured third place. Exceptionally fast time in the preliminaries accounted for three new conference records, while the other records were set in the finals. The 100 yard free style record was the only competition which escaped the onslaught.

Viator Surprises
Entering but seven men in the Eighth Annual I. I. A. C. swimming meet, St. Viator College wasn't expected to be very much of a threat to the leaders. Before the evening was over, The Green Wave tankmen had captured two firsts and a third for a grand total of 15 points and third place.

Basil Nicholson, freshman star, not only won the 100 yard backstroke but also broke the old record in his first preliminary trial. Don Betourne, Steve Wenthe and Basil Nicholson combined in the 150 yard medley relay race to set another new conference record.

Betourne Stars
Having failed to qualify in the 50 yard free style although he had succeeded in being one of the six men to lower last year's record, Don Betourne returned in the 150 yard medley relay to bring another first place to Viator in a spectacular race. As anchor man on the relay team, Don was forced to overcome a two yard lead and to beat the man who had set a new record in the 50 yard swim. Spectators report that Betourne, if timed just for his share of the relay, would have undoubtedly broken the new record since he finished two yards in front of Grier, the new champ and anchor man of Monmouth relay team.

Viator relay team was presented with a beautiful trophy for winning the relay. Individual awards were also made to Betourne, Wenthe, and Nicholson.

Meets Carded
Brother Edward DesLauriers, coach, and Harold Lee Sellers, manager, took advantage of the opportunity presented to them while at Monmouth and have arranged tentative swimming meets with Illinois Wesleyan, Bradley, Normal and other participants in the I. I. A. C. swimming meet. Definite dates are to be arranged later. Brother DesLauriers assures the student body that at least two or more dual meets will be held at home.

Summary
200 YARD RELAY—Won by Illinois College; Bradley Poly Tech, second; Knox College, third; Illinois Wesleyan, fourth. Time—1:46.2 (New conference record; old record by Ill. Wes. at 1:49.6).

100 YARD BREAST STROKE — Keller, Ill.-Wes., first; Siepert, Bradley Poly Tech, second; Wenthe, St. Viator, third. Time—1:19.8. (New conference record of 1:18.3 set by Keller in preliminaries; old record by Keller at 1:20.1).

50 YARD SWIM—Won by Grier, Monmouth; Anderson, Augustana and Laing, Monmouth tied for second; Beardsely, Knox, third. Time—26.6 (New record set in preliminaries by

I.I.A.C. Swim Results

Illinois College	35 points
Bradly Poly Tech.	20 points
St. Viator College	15 points

St. Viator, Green Wave, Fightin' Irish, and Shamrocks.

Some Sorority Houses at the University of Illinois fines its members for cutting classes.

Season Closed With 30-14 Victory Over Ancient Foe

St. Viator basketballers closed the current season at Valparaiso University on March 5th administering a crushing 30 to 14 defeat to the Uhlans. It was the second time this season that the Irish had met and defeated the Valpo quintet. The score at the half favored the Viatorians, 16 to 3.

Irish Superb

Exhibiting a well rounded attack and a closely knitted defense the Green Wave of Viator were able to roll up a 12 to 0 lead in the first 15 minutes of play. Valpo finally crashed into the scoring column after 17 minutes of the first half had passed. Captain Giessing managed to sink three free throws for all of the Valparaiso scoring.

In the second half the Viator squad began to let up and Valpo immediately took advantage of them to score their first field goal of the game. The tremendous lead that had been compiled in the first half and the addition of 14 points kept the Irish on the long end of the score.

Burke Finishes

"Streaky" Burke, diminutive forward of the Viator squad, finished his collegiate competition in a blaze of glory gathering 8 points to lead the Irish scorers. Burke also had the honor of leading the squad into action and to a well earned victory that evening as honorary captain. "Streaky" will be the only letterman lost to the squad by graduation this year.

Summary

The first annual Silver Trophy Ping Pong Tournament sponsored by the Ping Pong Club of St. Viator College was won by a 15 year old Kankakee high school student, Allen Chaplaine, the skillful, youthful champion, had little trouble in reaching the finals. He defeated such stars as Leiberman of the Stevens Club of Joliet and Niekamp, former champion of Will County.

Wm. Wagner of Joliet, who had defeated Bereolis, Kankakee star and Jones of Bloomington on his way to the finals met the youth in a hotly contested three out of five game series. Chaplaine won the tournament championship: 21-17; 21-11; 20-21; 21-18.

The great success of the tournament is due largely to the efforts of Emerson Dexter and Wm. Phelan, president and vice-president of the Viator Ping Pong Club.

The Very Reverend Father Cardinal, president of the College, expressed himself as being well pleased with the management of the tournament.

ELMHURST

The date of the third annual Elmhurst Intercollegiate Invitational track and field meet has been set for Saturday, May 18. This meet will be staged on a four lap track with an eight lane 220 yard straight-away which provides the competitors every opportunity for fast time. Team trophies will be awarded to the three best teams in the meet and the first place winner in the relay. Medals for first, second and third place winners in the fourteen individual events and all men running on the first three relay teams will be awarded.

St. Viator College basketballers and graduating seniors from St. Louis University will play a post season benefit game at the Springfield Knights of Columbus Club on Sunday, March 24th.

Proceeds of the game will be given to the Catholic Charities. Earl Reav, who tutored the Cathedral boys last season, is in charge of the arrangements.

BRADLEY

Roy Gummerson, star Bradley distance runner from Averyville, Illinois, begins milk deliveries at 3 a. m. and works until 7:30, grabs a buss in Averyville and makes an 8 o'clock class in Peoria. No, he does not eat breakfast.

Harvard University library has 3,602,040 books (a paradise for Prof. Maloney).

WHAT IS MORTEX?

Perfect Preservation Protection

Mortex 5

Emulsified Asphalt Liquid

A perfect protective coating for brushing, spraying or trowelling, being a high grade Mexican asphalt dispersed as minute particles in water for convenient handling. It is applied cold. As the moisture evaporates, a black, flexible rubberlike film remains which is water-proof, acid, alkaline and fire resistant, and shuts out infiltrations of air.

Mortex 5 does not crack or peel in coldest weather, nor blister, sag nor run on hottest days and always remains elastic. It is odorless, tasteless and noninflammable and can be safely used in confined places. It readily bonds to all clean surfaces, and also to damp surfaces, but should never be applied over rusty, dirty, greasy or oily surfaces or an imperfect bond will result. Use only on clean surfaces to obtain perfect satisfaction.

Used for DAMPPROOFING WALLS and FLOORS, PAINTING GALVANIZED IRON, PROTECTING CLEAN IRON AND STEEL, ROOF REPAIRING and as an ADHESIVE. It can be mixed with Portland Cement and dries out a soft gray color for patching deteriorating concrete.

"A" Section of Largest Squad In Viator History

Starting the season with 60 candidates for the basketball team, Coach McNamara divided his candidates into three sections. The above picture shows what "Mac" called his 'first string' squad. Bottom Row (reading left to right): Coach "Johnny McNamara, McGrath, Straub, Blazevich, Marik* Gibbons, Rogers.
Second Row: Kalkowski, equipment mgr., McClellan*, B. Burke, Foxen*, Ticulka*, Aiello, Hodgins, trainer.
Third Row: Fahey*, Bade, Kelly*, Chartler*, Damler, Krauklis, Wuchner.
Top Row: Shea*, Knox, Larson*, Guy*, Dexter*, Betourne, Chicattelli.
* Indicates that these players either dropped out of college or were placed on the reserve squad when the "A" squad was cut.

Irish Pugs Meet Bloom. YMCA

St. Viator varsity boxers will journey to Bloomington on March 20th to engage in a boxing show with the Bloomington Y. M. C. A. This will be Viator's first fistic encounters since the squad competed in the Pantagraph's Golden Glove Tournament.

Due to the fact that some of the Viator maulers are still recuperating from injuries, Brother DesLauriers has made arrangements to have three of Kankakee's best fighters fill out the card.

Card Announced

Art Sheldon, chairman of the Y. M. C. A. boxing committee, and Brother DesLauriers, Viator boxing coach, announced that seven bouts have been scheduled. The card is:

- Veal Davis, Kankakee (118) vs. Ray Wheat, Bloom. (123).
- Paddy Mullon, Kankakee (126) vs. Clete Jensen, Bloom. (126).
- W. Neudecker, Viator (135) vs. Roy Jensen, Bloom. (131).
- J. Kalkowski, Viator (147) vs. Dale Huber, Bloom. (143).
- Geo. Dion, Kankakee (147) vs. Bill Foli, Bloom. (143).
- J. Masterson, Viator (160) vs. C. Payne, Bloom. (155).
- Tony Marik, Viator (175) vs. Joe Bennett, Bloom. (175).

The best bout of the evening promises to be one in which Joe Kalkowski gets a chance to prove that Dale Huber should never have had the Bloomington Golden Glove Championship.

Rumor True; Hope High

The appointment of "Chuck" Andrews as head of the newly created department of physical education has proved one rumor that appeared in many of the state newspapers to be correct. Students, alumni and friends of St. Viator College, as a result, are in high hopes that the rumors appearing in newspapers concerning the possibility of a 'big-time' football coach being appointed may materialize.

According to 'newspaper talk' George Melinkovich has the inside track with Frank Carideo a close second. North Central Illinois papers appear to be backing "Johnnie" McNamara, present assistant football coach and varsity basketball coach, as the logical man to fill the vacancy.

The College authorities refuse to divulge whom they are considering. It is a well-known fact though that over three hundred applications have been filed.

Trainer Regnier Merits Thanks

"Zev" Regnier, a resident of Bourbonnais and a one-time 'big league' trainer, has been donating his services as a trainer to the various Viator teams this season. "Zev" has also taken it upon himself to teach his 'art' to a number of the college men that have been acting as managers.

Little 19 Teams Are Selected For A.P. By Memtors

The "little 19" All Star basketball teams for 1935 as chosen for the Associated Press by conference coaches:

First Team	Position
Westlake, DeKalb ..	Forward
Cox, Millikin,	Forward
Lassiter, Ill. Col.	Center
Winn, Ill. College	Guard
Laeding, Macomb	Guard

Second Team	Position
Markel, Carthage	Forward
Holder, Carbondale ..	Forward
Day, Macomb	Center
Lewis, Knox	Guard
H. Adams, Normal	Guard

Following players received one or more coaches' votes for the first team: Blazine, Illinois Wesleyan; Welborn, McKendree; Barton, Normal; Swanson, Augustana; Woods, Macomb; Skoglund, DeKalb; Gray, Southern; Reynolds, Macomb; Miller, Augustana; Emery, Carbondale; Young North Central; Hornberger, Illinois Wesleyan.

WHOSE A SUCKER

Gambling in the university district of Seattle is said to cost students and "other suckers" nearly \$3 each week.

The Viator varsity men wish to take this opportunity to thank "Zev" for his work, and for the sacrifices he has made in order to keep them in shape.

Gym Classes for Village Lads Newberg to Pitch Shot-Put In Meet

St. Viator gymnasium will be at the disposal of the village children on Saturday mornings from 10:30 o'clock until noon. It is the plan of Brother DesLauriers to supply a recreation program for the youngsters who live in Bourbonnais.

In an effort to keep the boys of grammar school and high school age from hanging around the gymnasium during the week days, Brother DesLauriers has secured permission to organize these lads into a club. He will, with the aid of some of the college men, teach the boys swimming, ping pong, baseball, etc. College men interested in aiding Brother DesLauriers are requested to report to him this week.

K. C. Features Viator Fighters

On March 28th two of St. Viator's outstanding pugilists will see action at the Kankakee Knights of Columbus boxing show. Joe Kalkowski, welterweight champion of the College, and Harry Hodgins, lightweight champion of St. Viator, have both been scheduled for three round bouts.

Brother DesLauriers, boxing coach, stated that permission had been given to the two fighters to appear on the outside card as a special favor to the K. C.'s. Brother DesLauriers further stated that in the future Viator varsity boxers would not be given such permission.

St. Viator College track candidates met last week and were addressed by Professor Michael Maloney, co-coach, who announced practice will begin in earnest as soon as the weather permits. Approximately 50 candidates attended the meeting.

The material Professor Maloney and Bro. DesLauriers will have is mostly green. Chester Newberg, Little 19 shot-put record holder, is the only veteran to report. Newberg has to date competed in both the Central Athletic Association meet held at Notre Dame and the Armour Tech meet held in Chicago.

Manager Marty McLaughlin announced that Newberg would be the only Viator man to compete in the Little 19 indoor meet Saturday, March 23 at Naperville. The rest of the squad is being groomed for the coming outdoor season.

Golf and Tennis

Harold Lee Sellers, manager of the swimming team, has been appointed manager of the tennis and golf teams by Rev. E. V. Cardinal, it was announced yesterday. The tennis team has several prospective matches in view, among them being meetings with Valparaiso, Normal, Illinois Wesleyan, and several Chicago colleges. Tennis is a minor sport but if the present plans go through it may be made a major sport. The team of last year enjoyed a fair season and it is expected that this year will be a banner year for the racketeers.

Day Hopping

Spring and spring fever, the one welcomed fever, go hand in hand—so does Ticulka and a mysterious blonde. We're all wondering what will happen. In fact we are so interested that we are offering a prize of one slightly bent pretzel to the one who can give us the name of that blonde—in fact, the name of any blonde.

Right now they are all talking about the Flying Clouds from Thornton High School but their fame will die while that of "Hurricane" Mirovertz will go on indefinitely.

The Honorable Mr. Vernon Bade, king of Swat and of the dining hall, has been swamped with fan mail. Due to the interest in this boy, it is expected any time that he will be meeting Carnera in a ten-course meal event with no table manners barred. Do we need to add that all of our money, seventeen cents, will go on Bade.

The Schmidt light bill took a bound upward the other evening for that day "Little Joe" forgot to bring his portable to school with him and had to sit up most of the night catching up on his delayed correspondence. Uncle Sam would have to close down his postoffice system if the Schmidt letters ever stopped.

A rumor has reached this office that Gerrity eliminated Lang in their sensational struggle to be king of North Hobbie Avenue. Is this true, King Eddie, or are the boys only kidding again?

"Dynamite" Damler, our up and coming young Bradleyite, has signed to play first base for the Democrats this year. Due to Bade's release from the team it was made possible to get someone who was really a ball-hawk. And besides, Bade used to carry a sandwich in his glove and was afraid he'd damage said loaf.

Crooning Louie, that demon among the fair sex, slicks up his hair every night before he goes to bed in case he meets Her in his dreams . . . Those three little words um-um-um. We're only kidding, Louie, you're not a crooner.

Latest stock report . . . It is rumored that Ripstra is about to take a mortgage on the Public Service Company. Jim doesn't seem to object, on the other hand though, nothing bothers his daily routine, Her and there.

There hasn't been much smoking going on around here lately. Do you really want to know why? Well, it's because Arrington has given up the fags for Lent.

Marcotte is thinking of buying some new tires—or should be—for he and Marty, OUR Marty, had the pleasure of operating on three cases of deflated tires the night of the Prom. It's said that they didn't have a pump and was Marcotte smart . . . He held the tire up and Marty started one of his debate speeches—Presto the tire was full of hot air and the latest reports from the Ford say that it is still holding up.

We hadn't noticed it, but someone said that Johnson resembles Col. Charles Lindberg. Could it have been one of the coeds?

Quite a few of us saw "Dinner at 8" when it was at the Paramount but have you noticed the Viator version of the play? It called "Dinner at 12" and the leads are played by Alex and—(no prize for the answer) And the best part of it is that there is a daily performance.

It's strange but—Milo fell on the night of March 2, mark the calendar and we'll see how long this one lasts . . . The razor blade dealers will be glad to know that Bud Mackin is shaving every day, gee, is

she particular? . . . Sports note: Anderson said that Remillards would trade Bade for two broken bats and an old milk bottle if the new owner promises that he will never be returned . . . Fortier doesn't show up in the study hall. Why? . . . Berns has been sooo tired . . . Hubert will not go out for the shot-put . . . "Steamboat George" is one of the Bridge Sharks, what will we do if he does ever leave school? . . . Smitty thinks a lot of a certain Miss for its a long way from Manteno to Urbana even if love has wings . . . Love makes the world go round, and the result is usually round after round according to our expert "Teeny" Damler . . . Poor Marty and his chemistry manuel they say he sleeps with it under his pillow . . . Bob Mackin is the Supt. over a group of the fairer sex at his Dad's Shade factory, kind of a shady work, isn't it? . . . Snow knows that the maid's friend carries a gun. Ah Herman! . . . Doc Lane

has the upper hand on all kings . . . The day is done and so are we and so is this column, and so are you.

Dramatic—

(Continued from Page One)

the last party will also be able to appear on the program, but at this writing Miss Colette has not given her final consent.

Don't forget the date, Saturday, March 23, the time and the place—the refectory, at 8 o'clock, and above all, don't forget the quarter.

WHAT A SCHOOL

There is real student power at the University of Washington. The student organization there not only hires, fires, and determines the pay of the coaches, but runs all student activities, including a mammoth co-operative book store.

Viator—

(Continued from Page One)

Edwerd O'Brien, '37, and Edward Buttgen, '37, the Affirmative team, defeated DeKalb Teachers' University on March 7, and lost to Olivet College on March 12. The debaters have advocated all season the abolition of all company unions, and the adoption of a system of federated non-company unions. The debate with DeKalb was hard-fought, and both men exhibited keen understanding of the proposition and dynamic speaking prowess. The Olivet defeat was in the nature of an upset to Viator hopes, but does not take Viator out of the race for Conference honors.

Radio Victories

Viator continues to be victorious in the Saturday afternoon radio debates. To date, the debaters have been defeated by only two schools.

Each week a different proposition is discussed, and audience interest and support has been steadily growing.

More than one-third of all the students at Texas Tech are bearing part or all of their college expenses. 687 men and 242 women are regularly employed, and of these, FERA has provided jobs for only about 200.
