

## FATHER CARDINAL NAMED NEW VICE PRESIDENT

**Prefect of Studies Assumes  
New Duties Immediately**

On Wednesday, September 26, the Rev. E. V. Cardinal received his appointment to the office of vice-president of St. Viator College to succeed the Very Reverend J. W. R. Maguire, recently elected president of the institution.

The previous training acquired by Father Cardinal, his youth, his very evident knowledge of the students themselves places him as the logical man for the position which he now holds. Father Cardinal entered the congregation of St. Viator in 1915. He graduated with a Bachelor of Arts degree from the College in 1918, and then pursued his theological studies at the St. Viator Scholastic and Kenrick Seminary. After three years at these institutions, he continued his studies at the Catholic University in Washington and earned his Master's Degree in 1924.

He was ordained in the same year, and was named Dean of the Department of History at St. Viator College before the fall term of that year opened. As a teacher, Father Cardinal has always distinguished himself by his practicability and thoroughness, and has endeared himself to all of the students. During the past four years he has rapidly developed the History departments of the institution until today it is one of the most complete and profitable courses listed.

For the past year Father Cardinal has been acting in the capacity of Dean of Studies and was instrumental in the formation of the committee for the separation of the college and academy departments. He has found time in spite of his extensive duties to delve into the educational problem and as a result has raised the scholastic standards at St. Viator to equal those of any Catholic College in the country.

The new vice-president is exceedingly popular both with the faculty and the student body and his appointment augurs well for the future of St. Viator College. As the official organ of the student body, the Staff extends to Father Cardinal sincere congratulations and the added assurance that he will always have the cooperation of the entire student body.

## Fr. Rinella Engaged In Parish Work

It was with exceeding regret that the students, upon returning to school, heard that Father Rinella had been transferred to St. Viator Parish in Chicago, to take the place of Father Lynch, who is now residing at the College. Father Rinella took up his duties in Chicago in the early part of the summer, and has been acting as an assistant pastor. He has been busy for the past few weeks promoting a carnival which ended last Wednesday. Father Lynch has assumed the prefecture of the third corridor and is fast making friends with the new students. To Father Rinella we tender our sincerest regrets at his departure, and to Father Lynch we extend a hearty welcome to St. Viator.

Rev. E. V. Cardinal c. s. v.

## Viator Swimming Pool Opened to Students

The St. Viator swimming pool, adjudged the best in the Little Nineteen Conference, and the scene of last year's conference meet, has been opened to the students. This large and beautiful natatorium is now the scene of much activity on the part of followers of the aquatic sport. Groups may be seen here and there, some learning to swim, others diving and engaging in various games played in the water. Recently there has been provided for the sport of the swimmers a large, inflated rubber ball. This has proven to be a useful addition to the apparatus already available, as it can be used for games and as an aid to those learning to swim.

The art of swimming besides being a sport is a valuable asset to any man. At some time during his life he may be able to use his knowledge, and ability of this art for his own safety or for the safety of others. Unlike many other sports in which only certain muscles are developed, swimming develops practically every muscle in the body. It forms a splendid diversion from study. After a long day in the class room or study hall there is nothing more refreshing than a plunge in the swimming pool. This sport engaged in so much during the summer months should not be dropped during the school year. With such splendid facilities as are available at St. Viator there is no reason why every student should not be able to enjoy himself at this sport.

During the course of the summer the pool has undergone a complete cleaning and renovation. The tile has been scrubbed and cleaned. All defects in the apparatus have been repaired in anticipation of the coming school year. The pool is ideally situated at the rear of the gymnasium. A large locker room, capable of caring for all the swimmers, an office, and the shower room adjoin the pool. Tickets may be secured at the college store or at the locker room for a nominal fee. Mr. James Brown has been placed in charge and all is in readiness for a great season.

## Senior Class Holds Important Meeting

The Senior class held its first meeting of the scholastic year on Thursday evening, September 24, in the club rooms. Nominations were placed in order for the election of a class moderator. Three members of the faculty were nominated. The vote of the class was kept secret until the selection of the majority has accepted the position. To date no announcement has been given as to the choice of the class.

Characteristic of the class was a motion offered for the obliteration of certain phases of the traditional graduation exercises. Action on the matter was withheld, however, until advice could be secured from the class moderator as to the proper methods to pursue.

Don Laenhardt and Al Nolan were appointed the committee on rings and pins. A suggestion was offered that a standard pin be adopted and be known as the "senior pin." The matter was referred to the members of the college club by Mr. Laenhardt.

## Student Physical Examination Required

A new ruling was inaugurated at St. Viator College when both College and high school students underwent a physical examination at the beginning of the scholastic year by Dr. William P. Cannon, attending physician to the College. Students were examined for height, weight, tonsils, chest expiration and inspiration, teeth, general cleanliness, and for various other possible effects. The examination of individual students was slightly hurried because of the rush during college registration. Next year, it is thought, a more careful and more complete examination can be given by a definite time schedule for individual students, and by a more complete examination which would test sight, hearing, blood pressure, lungs, heart, feet, skin and other possible sources of trouble to the students.

## COLLEGE CLUB MEETS FOR FIRST TIME

**Many New Members Attend  
First Meeting**

Members of the St. Viator College Club met for the first time on Monday evening, September 24, in the club rooms. The new officers: Jay Watson, president; James Francis Brown, vice president; Stephen Long, secretary; and Kenneth Clothier, treasurer, took over their respective offices at the meeting.

Many new members were present for the opening session. These men are new students at St. Viator and from all appearances they will ably fill the places of those who graduated last June.

Several important matters were brought up and discussed at the meeting. The annual insurance fee of the club received its share of the discussion. A motion regarding a dance to be held sometime in October was entertained and passed. Action upon the motion, however, was delayed pending the proceedings of the College Club Advisory Council.

A motion that the selection of cheer leaders for the year be left to the Advisory Board was passed.

The idea of chartering a bus for the Marquette-Viator game was introduced and widely debated. A vote, taken in order to determine whether or not enough students would make the trip to warrant the hiring of the bus, resulted in the failure of the suggestion. Most of the club members seemed to favor a trip at a later date, most probably to the Bradley game or to the Normal game.

The appointment of the members of the Social and Service Committees by the President was left until the first meeting of the Advisory Board, as provided in the Constitution of the College Club.

Mr. Watson asked that the student body respond with whole-hearted cooperation when asked to contribute and to support the bi-weekly publication of the College paper, The Viatorian. The first regular meeting of the College Club was adjourned on the motion entertained by Mr. Rutchi and seconded by Mr. Clifford.

## Sophomores Hold First Meeting of the Year

On Wednesday night, September 19, the sophomore class held their first meeting of the year in the college club rooms. New officers acting in their respective positions for the first time were, Raymond Nolan, president; Robert Tucker, secretary; Louis Philipps, treasurer and Kenneth Clothier, vice-president.

The first business to be discussed dealt with the formation of rules for the Freshman class. Several rules were proposed and adopted in order to acquaint the freshmen with the traditions that exist at St. Viator. At this juncture Mr. James Flynn, a new member of the class was introduced. The members of the class who were present responded with a hearty welcome. An election was held in order to select a new delegate to the college council as Edward O'Neil, who was elected last year, failed to return to school. Lloyd Warne was elected by a large majority to assume the position. The problem of finance next confronted the meeting. Plans suitable to all were made to put the class on a sound financial basis. The meeting was attended by nearly all the

## REV. MAGUIRE IS HONORED AT K. C. RECEPTION

**Celebration a Sequel To His  
Recent Election**

The Very Rev. J. W. R. Maguire, newly appointed president of St. Viator College, was accorded a gracious welcome at a reception given by the Knights of Columbus at the K. C. Memorial Hall. The event was in the nature of a celebration to honor the recently chosen president of the college. The meeting was largely attended by enthusiastic knights who for many years have admired and held in high esteem the guest of the evening.

President Maguire was introduced to his audience by Rev. W. J. Bergin, former president of the college, who is now teaching at the University of Illinois. Father Maguire addressed the assemblage in his usual oratorical style, thanking the lodge for the distinction accorded him and in general adding further to the friendly acclamation of his K. C. associates by his congenial and entertaining delivery.

**Presented with a Gift**

On behalf of the Kankakee Council, Rt. Rev. Msgr. Victor Primeau of Manteno presented to Father Maguire a rare and valuable set of books consisting of 65 volumes known as "The Jesuit Relations." This highly prized work was compiled a number of years ago by a relative of the present Kankakee county historian, Mr. Burt Burroughs. The set contains a large number of copies of original reports, letters, comments, maps, etc., written in their native languages with English translations concerning the explorations and discoveries in the United States and particularly in this part of the country made by the early Jesuit missionaries.

In accepting the collection, Rev. Maguire laid great stress on the worth of such an addition to the St. Viator College library.

## Bishop Sheil Pays Visit to College

The Right Rev. Bernard J. Sheil, D. D., '08, Auxiliary Bishop of Chicago was the guest of the Very Rev. J. W. R. Maguire, c. s. v., president of St. Viator, on Sunday, September 23. A banquet was served in His Lordship's honor Sunday evening in the faculty dining hall and was attended by all the members of the community, many of whom were Bishop Sheil's former teachers.

Sunday afternoon the Bishop presided at the county meeting of the Holy Name Society, held at St. Rose Parish Hall, Kankakee. Bishop Sheil, as archdiocesan director of the Holy Name Society, gave the keynote speech of the sectional gathering. In this he stressed the practice of self-denial upon all members of the Holy Name Society Archdiocesan Union.

Bishop Sheil remained at his Alma Mater over night. He celebrated Pontifical Mass in the College Chapel on Monday morning for the student body. During the course of his visit he called on the students who were ill in the infirmary, and also upon Nolan Sullivan who had previously undergone an appendicitis operation at St. Mary's Hospital, Kankakee.

## The New Vice-President

Less than one year ago the Rev. E. V. Cardinal, c. s. v., was appointed to succeed the Rev. Joseph Plante, c. s. v., (of blessed memory) as Dean of Studies. At the time it was said that Father Cardinal was the choice of both faculty and student body. In accepting this position the new Dean immediately began work for raising the scholastic standards of St. Viator. In this short space of time he has demonstrated his ability as an executive, an educator and a promotor of high ideals.

His work in this past year may be said to be unparalleled in the history of the college. It was through Father Cardinal's initiative that the present committees on standardization, social activities and other phases of education were instituted and it was by his untiring labors that they are today functioning and consequently improving the scholastic, spiritual and social life of the student body. He has, in the past two semesters offered a great many new courses in his curriculum as a means of appealing to a larger class of students.

In just recognition of his work Father Cardinal last week was elected by the faculty to the vice-presidency of the college as the successor of the Very Rev. J. W. R. Maguire, c. s. v. Although the position entails many arduous duties it is our privilege to publicly acknowledge his work and to congratulate the new vice-president on his appointment. The student body considers itself highly honored by the decision of its faculty and gives Father Cardinal every assurance of its fealty to the cause he aspires, and its hearty cooperation to the plans which he prepares for student welfare.

## Alumni Notes

The Rt. Rev. E. F. Hoban, Bishop of Rockford, has recently appointed the Rev. T. G. Flynn pastor of the newly founded St. Anne's Parish at Dixon, Illinois. Father Flynn has also been placed in charge of the Catholic work at the State Insane and Epileptic Colony at Dixon, and has also been made Diocesan Director of the Benson Clubs, organizations for converts to the Faith.

Douglas Powers, who astounded us while at St. Viator's by his fine intellect, is making good use of his talents writing criticisms and book reviews. In the current 'Commonweal' he reviews 'L'Homme Qui Resuscite d'Entre les Vivants,' a new French novel by Joseph Wilbois.

Within the last few months the good Hymen has recruited several devotees from among the ranks of our younger Alumni. Doctor Arthur P. Picard was married on July 11th to Miss Mary Josephine O'Hare, daughter of Mr. and Mrs. Michael O'Hare of Chicago.

Mr. and Mrs. George Cassidy announce the marriage of their daughter Margaret to Mr. Lawrence Edwin Cahill, Wednesday, September 19th, 1928.

An authentic report has it that Thomas McKenna, H. S. has been married during the summer, although we know not the name of the bride.

We also have the pleasure to announce that during the summer Mr. Claude M. Granger, Professor of Constitutional Law at the College, was married to Miss Elizabeth Graham of Kankakee.

St. Joseph's Parish of Bradley, Ill., of which the Rev. H. A. Darche is Pastor, held its Annual Homecoming, Sunday, September 23rd. A feature of the celebration was the exhibition drill by the nationally famous Kankakee American Legion Drum and Bugle Corps.

Father Edward Fitzpatrick, c. s. v., recently held a very successful picnic for the benefit of St. Edward's Parish, Chicago, Ill. Father Fitzpatrick is also in charge of the Edwardian, the new parish paper.

Patrick Conway, of last year's graduating class, stopped off at the College on his way to Rome, Italy, where he intends to pass the next five years in study for the priesthood for his native diocese of Sioux Falls. Pat was very agreeably surprised on the evening of his arrival here by the appearance of several of his classmates who had arranged the meeting as a farewell to the future seminarian. Among those able to form a part of the small gathering were Charles Sheedy, Leo Fitzgerald, Maurice LeClaire and the permanent secretary of the class of 1928, Zenis Lemna.

Five others of the Class of '28 are studying for the priesthood. Michael Ignatius Cleary is in a Carmelite Seminary in New York, and Manuel P. Loughran, c. s. v., Thomas B. Nolan, c. s. v., John J. Tobin, c. s. v., and Frederick J. Wenhe, c. s. v., registered this week in the School of Theology of the Catholic University at Washington.

Three of our last year's Undergraduates have entered St. Paul Seminary in St. Paul, Minn. They are William Kelly of last year's Junior class, Gerald Pauli of the Sophomore class and Robert Barnett of the same class and former editor of the Viatorian.

Rev. J. A. Williams spent the summer in California, but did not forget to spend a few days at the College before resuming his duties as Dean of the Department of English at Columbus College, Sioux Falls, S. D.

The  
Inquiring Reporter

Given the chance, what "big" football game would you prefer to attend this season?

I would like to see the Notre Dame-Southern California game. Notre Dame always has a colorful team and due to the fact that the game last year ended in a dispute, I believe that this year's game will be closely contested and very interesting to watch.—Thomas Doyle, '30.

If given a choice of seeing one of the football classics, I should choose to watch the Army-Navy game. I make this choice because of the traditional fight and martial spirit that is injected into the game by the two teams.—Don. Laenhardt, '29.

If the opportunity was afforded to me, I would prefer to see the Navy-Notre Dame game. The reason for this choice is because I have never had an opportunity of seeing a Notre Dame football team in action. The open-style of play that will be used by both of these teams will make this game especially interesting.—Mike Delaney, '29.

Due to the fact that Ohio State, according to all forecasts, has one of the greatest teams this season that was ever turned out by that institution, and that their clash with Illinois this fall will be the outstanding game of the Big Ten Conference, I would like to see this "go".—Tom Hayden '31

Father John Bennett, Pastor of St. Basil's Church, Chicago, and Father Le Vasseur of Chebanse, Illinois, paid recent short visits to the College.

Father Louis Dougherty of Rock Island came down last week with a new student. Father Dougherty has only recently been released from the hospital where he has been recovering from a serious automobile accident.

Father A. F. Rinella, c. s. v., and Father Michael Hoare took time off their duties recently to visit the College.

Last week John T. Ellis, '27, rested here for a few days between his summer work at Loyola University, Chicago, and his regular class work at the Catholic University. During his "rest" he gladly lent his secretarial services to several members of the Faculty during the busy days of registration.

John W. Lee, II, S., '21, paid us a short visit recently.

Brother Rupert, c. s. v., whom old students know as Lawrence Poudrier, visited at the College and in Bourbonnais recently on his way to New Orleans to assume his new teaching duties. For the past year he has been stationed at the Reitz Memorial School at Terre Haute, Ind.

Homer Knobloch, '25, of the Peoria Star, was among the summer visitors at St. Viator College.

John Henry Newman said "hello" to all his friends here this week.

Francis (Hank) Hagerty, H. S., '24, told his friends at the College last week that he was graduated from Wisconsin University last June, and is now helping his father supply the big mail order houses with their catalogues.

## Campus Briefs

Latest reports have it that Delaney spent a very profitable afternoon at golf last Sunday. He found less than nine balls on the fairway.

We extend our sincere sympathies to Nolan Sullivan who recently underwent an operation for appendicitis at St. Mary's Hospital in Kankakee. Nolan has sufficiently recovered, has resumed his studies as a junior in high school.

There is almost a continuous glow over the campus these days, do not refer to athletics this time, to the Frosh with their historic gridheadwear.

"Bill" Barrett, academy athletic coach has returned from a trip to California; and is now busy rounding up his football candidates into shape for a very strenuous season. From indications, "Bill" is going to have a team of championship caliber.

We are beginning to think of more excuses to write home for more. The number of necessities for winter which the recent cold spell reminded us, were indeed remarkable.

Paul Mills and Chuck Clifford are doing more perhaps for the comfort of their schoolmates than any other two individuals on the campus, they have charge of the blankets and sheets.

From what we hear some one of the Academy boys took "Al" Furlong down a peg or two. It starts to say, Yes I guess Al's a good player from what I hear but he's rather—Anyone desiring further information may inquire at room 327.

Al Furlong says that the Marquette boys hit hard and often. "Kenny" Clither adds that every time they make a substitution they took out a big man and put in a bigger one.

The campus was treated to a bit of excitement Saturday when the word was passed around that the "kidnaping farm" on which young Bill Ranieri was held for ransom, was almost in the shadow of the College in fact, not four blocks away. A day Saturday and Sunday crowds from neighboring cities, Joliet, Kankakee and some even from Chicago flocked to the scene of the recent discovery.

It was owing to the fact that Bill was able to identify Marsile Hall as the large building which he had formerly believed to be a hotel that the rendezvous of the kidnapers was found.

## Obituary

## Mrs. D. Byron

Mrs. Domithilde Byron, 78, widow of the late Charles H. Byron, died at her home in Bourbonnais, during the summer months. Mrs. Byron had been in failing health for over two years and her death was hastened by a fall about two months previous to her passing.

Mrs. Byron was the daughter of Mr. and Mrs. Joseph Le Sage of Bourbonnais, and was born March 28, 1850. She was one of the oldest residents of the village, having lived there for practically her entire lifetime. She was married to Charles Byron in Bourbonnais, October 11, 1870. Mr. Byron died April 4, 1912.

The student body takes this opportunity of expressing their sincere sympathies to Charlie Boedecker, on the death of his father.

# NEW HOLY TRINITY HIGH DEDICATED

Rev. Fr. S. N. Moore is Host  
To Large Number

People of all creeds joined with the Bloomington Catholics and clerics of Peoria diocese at the ceremonies arranged and directed by Father Moore at the dedication of the new \$285,000 Trinity High School building, last Labor Day morning. Re-dedication of the remodeled grade school preceded the exercises at the high school building.

The Rt. Rev. Edmund M. Dunne, bishop of the diocese assisted by Rev. Father Thomas E. Shea, chancellor, and the Rev. Father Stephen N. Moore, pastor of Holy Trinity Church, blessed the two buildings in a simple ceremony, and spoke briefly at the conclusion of the rites from the steps of the new structure.

An estimated crowd of three thousand, including more than one hundred priests and nuns, heard Bishop Dunne's talk and view the ceremonies performed in the corridors and in the various rooms of the school. Following the dedicatory exercises the bishop administered the Sacrament of Confirmation in Holy Trinity Church. At noon luncheon was served to the visitors in the basement of the church.

Appraising education as one of the chief objects of Catholicism, Bishop Dunne extolled the achievements of the church in popular education since the founding of the religion 1900 years ago. As he spoke the huge throng packed Center street in front of the new high school, spread out over the lawn and line the sidewalks on both sides of the street. Priests and altar boys were grouped on the steps of the building, forming a half-circle around the prelate.

A procession from the parish house to the grade school and thence to the high school had preceded the bishop's talk. Altar boys and a group of children had led the procession with the priests walking before the bishop. The bishop was accompanied by Monsignor Legris of St. Viator college, Kankakee; the Rev. Father M. Salmon of Peoria; the Rev. Father Thomas E. Shea of Peoria and the Rev. Father Bergin of Champaign.

Bishop Dunne complimented Bloomington and the people of Catholic faith on the building that opened for classes September 10.

**Building Fittingly Built**  
"It is fitting," he said, "that such a building should be erected by Catholics since the church, during the rude and barbarous early centuries diffused a love of learning through Europe that molded and shaped the course of civilization. And the same holds true of the middle ages in Europe, the church exerting a beneficial effect upon the course of empires and the destiny of man by its system of education, sponsored by the voluntary contributions of the faithful.

And so it can be said that the history of the church's work is the history of civilization. Such education progress as has been made, and which is symbolized by the buildings dedicated here today, is due to the impetus given by the Catholic church. In this country, with its unexampled growth, we see on every hand the work that has been done by Catholic church and the effects of sound education.

These Catholic schools here, erected through voluntary contributions, represent a sacrifice on the part of the parishioners of time and money. And the Catholic educational system, in consequence favorably compares with any in the world today. The calamity that the church wants her children to attend Catholic schools so that they will remain ignorant is emphatically refuted by such a group of

educational structures as we here dedicate.

**Gives Sound Education**  
To build a sound civilization it is of vital import that a sound education should include religion for religion is the golden fruit of the tree of knowledge. We of Catholic faith recognize the necessity of building character during childhood and youth through educational training that includes religion. And in consequence we willingly build parochial schools at great cost since we realize it is not a function of the state to teach religion.

Without religious training education is lop-sided and will eventually tend to make the student's life a lop-sided one that will topple into ruins. Civilization without religion is barbaric. We see today in Mexico the attempts being made to wipe out religion and to let vice and irreligion hold sway. From that we should draw a lesson that will teach us to guard and preserve our tenets and maintain our splendid system of schools.

It should be the object of all Catholics," Bishop Dunne said in conclusion, "to multiply our schools until the day when sound Catholic education can be given to every boy and girl in this country. It should be our aim to multiply our schools and to maintain them at their present high standard."

## Altar Boy's Society Holds First Meeting

The St. John Berchman Society convened for the first time this year on Sunday morning, September 23. Brother Cracknell acted as chairman of the meeting which was attended by both high school and college students. After the customary opening prayer, Brother Cracknell spoke a few words concerning the indulgences of hearing and serving Holy Mass. Following the exit of the new candidates of the society, the older members chose their officers for the coming year.

The results of the election:  
President \_\_\_\_\_ Bernard Kennedy  
Vice-Pres. \_\_\_\_\_ Joseph Degnan  
Sec. and Treas. \_\_\_\_\_ Werner Salg  
Subsequent to the recognition of the newly appointed officers the meeting was adjourned.

## Music Department Gets Under Way

Prof. Roch outlines work for the year

Music Hall has shown signs of much activity during the past week. Brass and silver instruments of melody have been polished, strings have been neatly stretched over new bridges; pianos have been tuned; rugs swept; windows washed; floors scrubbed; in fact everything in the music department has been thoroughly stripped of the usual collection of summer dust. All this preparation was made for the opening of the music rooms, October first.

This year Professor Leslie J. Roch, who also teaches third year English and American History in the academy department and who directed the music at St. Viator College 1923 to 1927, will supervise the department. He will be assisted in the musical activities of the college by Mr. George Arseneau who will give instructions in violin, saxophone, clarinet, trombone and banjo. Several students have registered for instruction and are already embarked on their musical courses.

Plans for a college orchestra are being made. After a personal survey of the talent residing within the walls is completed, it is expected that many will be found who can play one or more of the orchestral instruments. Louis Valley, a former artist student of Prof. Roch and also of the Chicago Musical College, is again with us. We will expect to enjoy his weird harmonies and brilliant technique several times during the year. Francis Barton is also back again. Frank is the boy who can handle the drum sticks 'like nobody's business', so with these two musicians of repute and the many talented students newly arrived this year, we hope to produce a real good orchestra.

In the course of another week, a choir will be organized in the student body. Bro. John Koelzer, c. s. v. will have the direction of the choir which will furnish proper singing for the regular Sunday High Masses and for the special feast days throughout the year. Out of this group of vocalists, Prof. Roch expects to find a sufficient number of singers to form a real Glee Club.  
If the musically talented students

of the institution come to the front and make their abilities known, there is no doubt but that many entertaining evenings will emanate from Music Hall during the scholastic year.

## Faculty and Student Refectories Under New Management

Mr. Antonio Cannelli is new steward in charge

When the St. Viator students returned to school this fall many changes had taken place on the campus. One of the most outstanding of these was the very noticeable change in the refectory. Many of the students were a trifle dubious when acquainted with the facts of the new regime but soon discovered that conditions have been wonderfully improved in the kitchen and dining hall.

Mr. Cannelli has under him two expert chefs who cater to the appetites of all. There are also in the kitchen several persons who spend their entire time in keeping everything in a sanitary, neat appearing condition.

The meals, superintended in their preparation by the steward, are always appetizing. The variety and wholesomeness of the prepared dishes make the meals sufficiently attractive to the most critical.

Next to his very evident skill in the preparation of delicious meals Mr. Cannelli is noteworthy for his concerted attempts at student service. The small army of experienced and courteous waiters do justice to the capable direction of their boss.

The college is to be congratulated on the manner in which the refectories are being managed. We feel certain that, if the very fine service which we now enjoy, is continued, satisfaction among the student body will be sustained.

Watch for feature programs from the downtown theatres in subsequent issues.

Help make this paper a Student Publication.

## Many Improvements Seen About Campus

During the summer months many improvements were made in the buildings on the campus. A very noticeable and beneficial improvement was made in the library. New shelves have been added to afford ample space for the many new volumes which the library department has received and is receiving. A case equipped with latches and padlocks, in which many of the valuable, old books are to be kept, has been placed in the reading room. Large study tables have been placed in the reading rooms, thereby affording such accommodation to a greater number of students. The very important improvement of recataloging the books in the library was discussed at length in the September seventeenth issue of the Viatorian. It was started at the close of school last June and will continue for several weeks to come.

Another attractive improvement which was made in Marsile Hall was the relining of the lower walls of the two classrooms in the basement of that building, with some of the smooth, white-faced bricks from the old gymnasium, and the painting of the upper walls of these rooms. This clever utilization of some of the bricks which were not damaged by the fire in the old gymnasium, lends greatly to the attractiveness of these classrooms.

Also, a new classroom has been inaugurated in the basement of the Music Hall at the rear of the old gymnasium.

Several of the rooms in Roy Hall have been repainted. Study tables and dressers have been revarnished. And, radiators in Marsile Hall and the gymnasium are being repainted.

## Schedule of Library Hours

Week Days: 8 A. M. to 12:30 P. M.; 1:30 P. M. to 5:30 P. M.; 6:30 P. M. to 9 P. M.  
Sunday: 9:30 A. M. to 12:00 A. M.; 1:00 P. M. to 5:00 P. M.; 6:30 P. M. to 9:00 P. M.

# VIATORIANA

## Viatoriana

### WE TAKE GREAT PLEASURE IN ANNOUNCING—

The most stupendous and unparalleled event that has ever taken place in the history of the Viatorian. From the time of its inception to the present day nothing equals this momentous occasion. In this issue we introduce no other than Nicklos Howithurtz, the famous Russian novelist. We have, at great expense, secured him to write for us his greatest novel called "The Fatal Balloon Race."

When interviewed today in his suite at the Commercial Hotel in the city of Kankakee, Count Howithurtz said, "My modesty and lack of conceit forbid me from predicting the outcome of my latest book. It is enough to say that nothing like it has ever before been written in this country. From the standpoint of emotional appeal nothing can touch it; the use of the English language will no doubt place me above Billy Shakespeare or Johnny Milton. It will be an epic of your great West. Beyond that I can tell you no more at present. But I owe it to my dear public to expose the dangers of the West to their naked gaze. I have never been west of the Mississippi myself but I know all about it. The people of this World are indeed very fortunate to have me existing at the present time; very fortunate that I am here to show them their grave and often-times fatal mistakes. But my modesty forbids me from saying more." With these words the Count handed us the first draft of his great novel, which we now present to you.

### THE FATAL BALLOON RACE

by

Nicklos Howithurtz

(Copyrighted in the U. S. A., Europe, Asia, Africa and all Scandinavian Countries including Rockford, Ill.)

"Unhand that woman you villian or you shall feel my power." It was our hero, Tom Nix talking, "For ten years I have waited to have my revenge and now I've got you." And Tom started for Dirty Dalton. Enter the heroine Little Nell. "Tom," said Little Nell, "the pancakes are burning." "Oh, drat the pancakes, can't you see I'm busy with this low scoundrel." "And as for you," went on Tom turning to Dirty, "I shall chastise you severely for trying to steal my girl. Taking her from the arms of a loving father and bringing her to this horrid place, can't you see that she is a lady?" "Ya can't cha see I'm a lady? Take a good look at me so you will know a lady when you see one next time," interposed Nell, making a pass at Dirty for insulting her in such a way. Thereupon Little Nell dove out the window, followed by the villian, into the soft arms of mother earth.

Tom, hastily grabbing a sandwich, followed with a gun in one hand, a sandwich in the other, and a tongue between his teeth. But Dirty by that time had our poor Nell by the nape of the neck. Giving it a quick twist to test Nell's lung power he flung her into the saddle of his sturdy horse. Doing a backward flip he lit on the horse's rump, back of Daring Nell. Off they galloped into the dark of night. The screams of our Little Nell echoed and re-echoed in the hills. Armed to the teeth (he had a knife in his mouth) booted and spurred the merciless villian fled the open plains with frail Nell in his power.

Our hero finished his sandwich; called his faithful dog to his side and set off to save his Nell. After several hours spent looking under rocks and in the tops of trees for Nell, not knowing where Dirty had hidden her, he laid down for a night's rest. When suddenly—(To be continued).

### Headlines in the Kankakee paper:

#### New Insane Asylum For Manteno

This is getting unique as to schools. Asylums to the right of us, asylums to the left of us, and we in the center. No chance for a "College Suicide" here. When we "go nuts" over philosophy or English, papers or demerits or whatever college students "go loony" over, we hop a car, cross the river and take a rest.

We can't refrain at this time from repeating an old tradition of the school. A group of tourists from Kansas were coming through Kankakee to Joliet. On passing the school one of the women said: "They don't look very crazy, poor things."

While on the subject of insanity—A Freshman asked Sam McAllister why he didn't feed his team Mexican Jumping Beans to pep them up.

Speaking of political corruption, Will Rogers, that wisely humorous man said, "There are two things the people might just as well accept and stop hollering about—corruption and golf."

Think I will buy a farm; Herb is going to milk the cows and Al will sow the wheat. Sure! All for nothing, too.

We didn't know this companionate marriage stuff was going so far, even the nations are taking it up now.

## Exchange News

One of the greatest football players ever graduated from the University of Minnesota, Harold "Shorty" Almquist has taken charge of the Augustana grid squad and hopes to develop a smart, fighting team this year.—Augustana Observer.

Coach Hewitt called his cross country team together for the first time last Monday afternoon and a brilliant array of material answered this first call. Captain Krughoff, Owen, Parry, Gregg and L. Landis are the veterans back and they will be strengthened by the addition of Eddy and Sutherland, stars of last year's Frosh outfit. It looks like a good year for the Harriers.

One of the most promising new men reporting to Coach Hewitt for a try-out was Stew Becker. Becker is well known as a basketball and baseball star. He has a lot of natural ability and should develop into a real star under Coach Hewitt.—Bradley Tech.

Enrollment in the college department of Augustana has reached a total of 447; 273 being old students and 204 newly registered. The number of men exceed that of the women, there being 260 men and 217 girls.—Augustana Observer.

Of the 516 first year men at Annapolis this year, 260 reported for football. Perhaps this explains the naval school's ability to produce excellent grid squads.

## CREIGHTON UNIVERSITY

When Creighton University's Bluejays meet the Minnesota University Gophers in Minneapolis on October 6, it will be the old, familiar battle between the famed Notre Dame shift and Minnesota's crushing straight attack. For Chet Wynne, Creighton's head coach, is a pupil of Knute Rockne whose pet fullback he was in 1919, 1920 and 1921, when he won all-American honors.

## BUILDING AT LOYOLA DONATED BY ALUMNI

The Alumni Association of Loyola College will contribute the funds to erect one of the seventeen buildings of the new University at Playa del Rey, Los Angeles.

The building, like all those which will be constructed from endowments, will bear the names of its donors.

Harvard University has definitely entered the field of visual education through the medium of motion pictures. As a result of a contract between Harvard and Pathe Exchange, Inc., of New York, the university will prepare series of pictures dealing with different scientific subjects, to be known as the Pathe Science series.

Although these pictures are intended primarily for university, college, and school uses, they will be appropriate for the theatre, the church, the club, and other social organizations.

This move on the part of Harvard is the first serious effort to produce pictures of genuine value as scientific studies. No doubt the result will be worthwhile.

This doesn't have anything to do with the rest of it, but here's a good joke we heard this summer. A little Irishman was standing on the corner of State and Madison in Chicago. The policeman blew his whistle at stated intervals, and said, "Pedestrians cross." The little Irishman stood it for a while and then called out, "Hey, when do you Catholics go?" Paphael's "Madonna With a Shawl"

Dr. John Madden, Dr. Glen Powers and James McGarraghy stopped over for a short review of the campus, September 20.

## Dante Alighieri

### Italian Club

The Dante Italian Club, which comprises all students studying the Italian language at St. Viator College inaugurated the third year of its existence last Thursday with the election of new officers: Mr. Cinquina was elected president; Mr. Catramboni, vice president; Mr. De Dario, secretary; Mr. Hodge, secretary-treasurer.

The members of the Club are: Africano, Alessandri, Bova, Cardosi, Catramboni, Cecala, Cinquina, De Dario, Hodge, Lizzadro, Monerastelli, Murawski, Navigato, Tito, Verosky, J. A. Nolan, J. Smith, Commendatore Tito Schipa.

Father Valetto of Joliet, Ill., who presided over several of the literary activities of the Club, is honorary President.

At the last meeting, Commendatore Tito Schipa of the Chicago Grand Opera Company who so generously bestowed the "Tito Schipa prizes" for the school year 1927-1928 was elected honorary member of the Club.

Mr. J. A. Nolan, winner of the Tito Schipa prize and former president of the Club, and Mr. J. Smith, secretary of the Club for the last two years, were also made honorary members for their excellent two year record in the study of the Italian language.

Invited by the chairman, Mr. Lizzadro, each one of the new officers, delivered a short speech. These were mainly an exhortation to the members to put forth every effort during the coming year to make the literary activities of the Club a genuine success.

This year seven new Italian-Americans joined St. Viator College and the Italian Club.

In the Modern Language Journal Doctor Altrocchi, head of the Modern Languages Department at Brown University, praises the initiative of the Dante Italian Club of St. Viator College in corresponding in Italian with other Colleges and Universities.

This correspondence was a source of much interest and enjoyment to the students of last year. It has been a most happy way of combining pleasure with profit.

## BALD-HEADED PLAYER IS CAPTAIN AT VANDERBILT

Nashville, Tenn.—Just as bald as a billiard ball—that's the kind of a head Nashville sports writers say Jimmy Armistead, captain of the Vanderbilt football team this fall, has. He's only 24.

Jimmy may make many a fan ask "Who's that old man?" when they see him on the football field minus a headgear, but he doesn't mind any wise cracks made about his lack of hair adornment.

You see, it is family stuff. Jimmy says none of his family is a frequent visitor to the barber shop. Lack of hair happens to be traditional in the Armistead family.

## Le Duke-Betourne

Miss Hazel Gwendolyn Le Duke was married Monday morning, September 24, at St. Rose Church to Le Roy L. Betourne in the presence of a large number of relatives and friends. The Rev. Fr. J. E. B. Le Vassuer of Chebanse read the marriage service and celebrated the Nuptial Mass.

Miss Reine La Fontaine at the organ played Lohengrin's wedding march, Mendelssohn's Bridal chorus and accompanied the singers, Misses Alice and Juliette Fraser and Mrs. Adolore Marcotte being the soloists.

Miss Evelyn Spaniol was maid of honor and Mr. Irvin Mathews, former classmate of the bridegroom at St. Viator College, was best man.

A wedding breakfast was served at McBroom's banquet hall to the bridal party and the immediate relatives. The newly wedded couple left for an extended eastern trip. After October 15, they will be at home at 583 South Harrison avenue where they have an apartment in readiness.

Mrs. Betourne is the daughter of Herman Le Duke and was reared and educated by Mr. and Mrs. Arthur Denault of 162 North Fifth Avenue. She attended St. Joseph's Seminary and completed her education in the Gallagher School.

Mr. Betourne is the only son of Mr. and Mrs. A. T. Betourne and is associated with his father in the drug business. He was educated at St. Viator College.

The following former college students were seen on the campus within the last few days. Vincent and Harold Pfeffer, Arthur Armbruster and William Cassidy. Thomas Sullivan, Robert Singler, Martin Seneica, Edward Petty, Charles Anderhub, Clifford Van Wormer, Leo Schrammer, Francis Carney and Martin Conroy were among the recent Academy Alumni to pay a visit to the "old school."

Father Francis A. Cleary drove up to see us the other day and told us that he has been transferred from Warsaw, Illinois to Watseka, Illinois. In addition to being near his own home, he is now also much nearer St. Viator's, and we hope his visits will consequently be much more frequent.

Anyone having a picture of the "minims", 1886-87-88, please communicate with Dick Bradley, 136 South Jefferson St., Peoria, Ill.

Father G. P. Mulvaney, c. s. v., of San Antonio, Texas, and Father A. J. Tardif of Waukegan, Illinois, were recent visitors.

A recent letter to Prof. Kennedy from Portland, Oregon informs us that Mr. E. B. Fuller now holds the position of Western Field Supervisor in Portland, Oregon, for the Ridgeley Protective Association whose home offices are located at Worcester, Mass.

James V. O'Leary, former professor of Chemistry, now employed as Western Sales Manager of the Chemical Solvents Co., of Terre Haute, dropped in for a short stay. Jim reports self-satisfaction in his work and prosperity.

Bern J. McCarthy, of former Viator diamond fame is battling a thousand in the heating specialty line for the Trane Co. of Chicago.

Wm. V. J. Cassidy is well on his way to the Presidency of the Burlington. During his recent visit Bill told us that Joe McGovern, B. S., '28, is busily engaged as an auditor in the "Windy City" while John "Pete" Harrington is employed by the Western Electric.

## MARQUETTE U. DEFEATS ST. VIATOR

The Game a Sad Story of Too Much Gebert

Milwaukee, Wis., Sept. 29, (Special) The Marquette University football team defeated St. Viator College of Bourbonnais, Ill., 31 to 0, before a crowd of 10,000 people here today.

Capt. Swede Gebert, Marquette's star half back, showed midseason form in scoring Marquette's first three touchdowns on flashy end runs and line cutbacks. Linscott, a sophomore, registered the fourth tally on a 25 yard run after recovering his own fumble, while Bugge, an end, intercepted a pass and went 45 yards for the final score.

Although St. Viator was never in a scoring position, the Kankakee collegians showed strength on forward passes, completing several for long gains. Delaney was the star for the Saints, while Corbett and Gritzmacher collaborated with Gebert in shining for Marquette.

### First Quarter

Radick kicked off to Evard, who was thrown on his 25 yard line. Delaney lost a yard. Delaney punted to Marquette's 40 yard line. Gebert plowed left tackle for 12 yards. Corbett failed to gain. Linscott fumbled and recovered. Gebert threaded his way through for thirty yards, first down. Linscott made a yard. Gebert over left tackle for four.

Gebert was stopped dead. Gebert went over right tackle for a touchdown. Gebert failed for the goal kick. Marquette, 6; St. Viator, 0.

Clothier returned Radick's kickoff to his 23 yard line. Time was taken out for McNary. Delaney lost two yards. Smith came through and smeared Gorman for a 4 yard loss. Delaney punted to Corbett, downed on St. Viator 42 yard line. Linscott went over tackle for 7 yards. McCarty went in for Logan. Gebert lost a yard. Linscott slipped through for 5 yards. Marquette was penalized 5 yards for offside. Corbett's pass was intercepted by McNary. Delaney passed to McNary for 30 yards. Clothier failed to gain. Delaney's pass was intercepted by Corbett on Marquette's 45 yard line. Gebert struck off tackle for 25 yards; he was caught by McNary. Corbett made a yard through right tackle.

Gebert ran left end for 4 yards. Gebert over right tackle for 5 yards and first down. Gebert passed to Linscott, no gain. Corbett was stopped at end. O'Malley dropped Gebert dead as the period ended. Score: Marquette 6; St. Viator, 0.

### Second Period

Corbett passed from St. Viator's 14-yard line to Crowley, who was downed on the 1-yard line. Gebert was held. Gebert went through left guard for a touchdown. Linscott kicked the goal. Score: Marquette, 13; St. Viator, 0.

S. Johnson replaced Linscott. A. Johnson replaced Kampine. King replaced Gibout. Delaney kicked to Radick, who returned to his 40-yard line. Radick was injured and taken off. Hyde took his place. Corbett made two over right tackle. Johnson failed to gain. Corbett slipped through for 5 yards on a triple pass. Gebert punted out of bounds on St. Viator's 33-yard line. Dornoff went in for Glasheen. Delaney was stopped. Clothier made a yard. Delaney's long pass to Evard was knocked down by Gebert. Delaney punted to Marquette's 45-yard line. Corbett smashed right end for 1. Gebert ran left end for 2. Marquette penalized 5 yards for offside. Gebert made 1 over left tackle. Gebert punted to Evard who was thrown on his 25-yard line. Gorman failed to gain. Delaney's pass to Meis

## Herbert Chosen Football Captain

As each of the varsity football men arrived on the campus for the fall term they cast their votes for this year's football captain. The result of the balloting is an indication of their good judgment in knowing the type of man they need for such an important and an honored position. Johnnie Herbert, one of the best and hardest fighting guards in the Conference was chosen.

"Jawn" elected to cast his lot with St. Viator College after he had served his time in the St. Viator Academy department, graduating from the High School in 1925. In his Academy days, he participated and excelled in all athletic activities.

During the past three years, Johnnie has made an enviable name for himself in each of the three major sports at Viator. In basketball, he is usually called upon to fill one of the guard berths, although last year he was out of it for the season with a severe leg injury.

In baseball, the Gifford lad is by far the star of the outfit as far as the pitching staff is concerned. His 3 to 2 victory over Milikin, to beat them out of a conference championship last year, testifies to his ability along this line.

In football, there isn't a better, cleaner, fighting guard in the state. What Johnnie lacks in weight he makes up in pep and honest endeavor. The football men are to be congratulated in their choice and we readily proffer to the new captain the assurance that the student body is back of him in every contest.

was knocked down by Corbett. Clothier made two through center. Marquette blocked Delaney's kick, Delaney recovered on his 18-yard line. Gebert went through left guard for 2 yards.

Quasney replaced Corbett. Quasney failed to gain. Clancy went in at right end for Smith, and Kirkham for Padden. Quasney made 3 through tackle. Gebert's pass was knocked down by Delaney. Delaney's pass was knocked down by Gebert. Nowak replaced Crowley. Delaney was thrown for four-yard loss. Delaney punted to Quasney who returned to St. Viator's 38-yard line. Gebert made a yard through tackle. Bultman replaced Roster. Gebert failed to gain on a fake pass. Gonyo replaced A. Johnson. Quasney's pass was knocked down. O'Donnell replaced Quasney. A. Schumacher replaced S. Johnson.

A. Schumacher punted over the goal line. Delaney's long pass was grounded. Carney replaced Gebert. Delaney's pass grounded. Delaney's kick was blocked and recovered by Clancy on St. Viator's 24-yard line. A. Schumacher was run out of bounds. O'Donnell went over tackle for five as the half ended.

Score: Marquette 13; St. Viator, 0.

### Third Quarter

Hyde kicked to Meis who was tackled on his 40-yard line. Gebert was back in as the period opened, along with the original backfield. Delaney lost 2. Dever replaced Anderson. Delaney's pass was intercepted by Corbett on St. Viator's 47-yard line. Gebert broke left end for seven yards. Delaney brought him down. Linscott smashed left tackle for 4 and first down. Corbett slammed tackle for seven more. Linscott through center for 8. Gebert through for 3 yards. Corbett gained 2 through tackle. Gebert weaved through for 5 yards and first down. Linscott through center for 4. Corbett went over end for 3 to the first yard line. Gebert plowed over center for a touchdown. Marquette worked the ball down the field rapidly on straight line smashes. Linscott on his 28-yard line failed to kick the goal.

## VIATOR MACHINE LOOKS PROMISING

Several Injuries Mar Early Practice

A shade of gloom fell upon the Viator camp last week when Bill Todd injured his shoulder while practicing blocking. The injury is exceedingly painful and awkward, yet it is slowly mending and it is hoped that the red head will be in the lineup before many games are played.

Since the doctors refuse to allow Laenhardt, last year's star kicker and halfback, to play, the burden of the kicking was to fall on Todd. The obligation of returning the enemy's punts now falls to the very-capable boots of Mike Delaney, the Viator mainstay in the fullback position.

The team's prospects rose with the late appearance of Tom Hanahan, a varsity man of last year. Hanahan, though an end, has been shifted to a tackle position, where his weight and line experience will stand him in good stead.

All the veterans are performing in the style expected and some of the new men bid well to open the eyes of the spectators at the early games. Chick McNary, an end, has attracted the attention of the coach by his flashy receiving of passes and speed of foot. Gorman, a reformed end, has been showing up well at half and promises to fill that position at various times during the season.

From the vast amount of pep and enthusiasm displayed by every member of the squad it is safe to predict a successful season for Viator and a couple of months of worry for those teams who are slated to battle McAllister's outfit.

Score: Marquette, 19; St. Viator, 0.

Bultman kicked off to Evard, who returned to his 28-yard line. Gorman lost a yard. Delaney's pass was intercepted by Bultman on St. Viator's 32-yard line. Corbett went over left tackle for 4. Gebert failed to gain. Gebert made 10 yards around left end. Gritzmacher replaced Dornoff. Linscott made one through center. Bugge replaced Kirkham. Corbett dove through for 4. Anderson replaced McCarthy. Gebert failed to gain. St. Viator's ball on its own ten yard line. Clothier was dropped for a two yard loss by Bugge. Delaney kicked to Gebert, who fumbled, Meis recovering on his own 35-yard line. Evard went over right tackle for first down.

Kampine came back in. Delaney was dropped fumbling and Hyde recovered on St. Viator's 25-yard line. Gebert went through center for 4 yards. Linscott fumbled, recovered, and ran 20 yards for a touchdown. Linscott's kick was poor.

Score: Marquette, 25; St. Viator, 0.

Bultman kicked over the goal line. St. Viator's ball on its own 20-yard line. Clothier was tagged for 2 yards loss. Delaney tossed a pass of 30 yards from behind his own line to Meis. Delaney was stopped as the quarter ended.

Score: Marquette, 31; St. Viator, 0.

The lineup:  
Marquette (31) St. Viator (0)  
Smith L. E. McNary  
Glasheen L. T. Hoog  
Kampine L. G. Logan  
Poster C. O'Malley  
Gibout R. G. Herbert  
Radick R. T. Furlong  
Padden R. E. Meis  
Corbett Q. B. Evard  
Gebert L. H. Gorman  
Crowley R. H. Clothier  
Linscott F. B. Delaney  
Touchdowns—Gebert (3), Linscott, Bugge. Kick after touchdown—Linscott (1).

Officials—Referee, Masker (Northwestern); umpire, Starkey (Eastern Board); head linesman, Carnahan (St. Xavier); field judge, Shutes (Michigan).

## Marquette Depends On Gebert, Captain

Milwaukee, Oct. 1.—Upon the broad shoulders and blond head of Walter (Swede) Gebert, a sensational half-back, falls the task of piloting the Marquette University football team through a tough schedule this fall—a schedule that includes games with five members of the old Missouri Valley Conference, an intersectional tilt with Holy Cross at Worcester, Mass., the annual clash with Creighton, and the opener with St. Viator.

Marquette gridgers are said to have chosen well, however, and much is expected of Gebert this fall. Coach Frank J. Murray terms him the half-back without a weakness because he "can do anything and do it well." Murray last year declared he wouldn't trade him for any other halfback in the country.

Gebert is a smart runner and ball-handler, the most consistent ground-gainer on the squad, and led the Marquette team in scoring in both 1926 and 1927.

## St. Bede's Have a Fine Record to Uphold

Peru, Oct. 2.—The 1928 edition of Coach Freehill's Preps got off to an auspicious start in their initial foot ball appearance. In winning their first battle of the season they displayed the spirit that has enabled the happy warriors of the last five years at St. Bede's to build up an enviable tradition. In that time, they have turned in thirty-three victories, tied in four games and lost but four.

Graduation and the eight-semester rule struck seventeen veterans from the competitive lists this year. However, the intensive training that Freehill gave the reserves last spring in the fundamentals brought out a host of potential candidates.

Bob O'Keefe is back, so, too, are Johnny Brisch, "Chuck" Fehr, O'Neill and Lipowski. The latter led his team at quarterback last year to successive victories.

The schedule is as follows:  
Sept. 29—Rochelle at Rochelle.  
Oct. 6—LaSalle-Peru at LaSalle.  
Oct. 12—St. Ambrose at St. Bede (Homecoming).  
Oct. 27—Spalding at Peoria.  
Nov. 2—St. Thomas at St. Bede.  
Nov. 10—Catholic High at Kankakee.  
Nov. 17—St. Viator at Kankakee.  
Nov. 24—Hall at Spring Valley.

## Bradley Tech Beats Macomb Normal, 25 to 6

Peoria, Ill., (Special)—Bradley Tech opened the little nineteen schedule here today with a decisive 25-6 win over Western State Teachers college of Macomb, Ill. The Indians, despite severe losses from last year's championship, showed much promise in the initial struggle.

Bradley scored in the first quarter when Capt. Metzger plunged over from the five yard line. The Indians scored twice in the second quarter and once in the third. The Teachers scored on a pass from Durr to Page in the last quarter. Bradley's second and third teams played most of the second half.

Substitutions—Bugge for Kirkham; Dornoff for Glasheen; A. Johnson for Kampine; Gonyo for Kampine; Bultman for Poster; King for Gibout; Hyde for Radick; Wendt for Hyde; Clancy for Padden; Caspari for Padden; Quasney for Corbett; O'Donnell for Quasney; Casney for Gebert; Nowak for Crowley; Derdia for Nowak; Johnson for Linscott; Toohill for Meis; McCarty for Logan; Anderson for Hoog.

## Registration Figures Show Small Increase

Registration in both high school and college for the scholastic year, 1928-1929 showed an increase over that of 1927-1928. High school registration for the present year exceeded that of last year by 15 students. There are enrolled in the high school at the present time 150 students. College registration was 131, which was an increase of one over the same period of last year.

College registration by classes is as follows: Freshmen, 50; Sophomores, 36; Juniors, 26; Seniors, 18. Fifty-six students are enrolled in the art course; 9 in the science course; 12 in pre-law; 6 in pre-medicine; 2 in pre-dental; 4 in pre-engineering; 10 in general courses; and one special student. High school registration by classes is as follows: Freshmen, 54; Sophomores, 39; Juniors, 26; Seniors, 30.

The registration shows students from Cuba, Mexico, Colorado, Wisconsin, South Dakota and various other distant points. Jose Oarcia of Havana, Cuba was the first student to arrive.

It is thought that late registrations will bring the total number of students in both high school and college to over 300. This figure is based on a comparative study of registrations of previous years. College registration of last year showed an increase of 15 students during the first month of school while high school registration for the same period showed an increase of 9 students.

## Bradley Homecoming Plans Go Forward

Peoria, Ill., Oct. 2, (Special)—Ideas for making Bradley's annual Homecoming a spectacular and successful event are now being gathered by Dean A. E. Gault, who is in charge of the program. Bradley's Homecoming will be held November 9 and 10, with Bradley playing Illinois Wesleyan as the feature attraction. Dean Gault has called on the entire student body to furnish novel ideas for the Homecoming program.

Continued from first page

sophomores and the usual amount of business was accomplished. The most important result of the meeting was the completed form of the "Rules for Freshmen."

### Notice To All Freshmen

All Freshmen are ordered to obtain green head pieces from the College Candy Store at once. Said head-toppers to repose on Freshmen Ivory not later than breakfast of Tuesday, September 25.

The following rules must be observed at all times.

1. Freshmen must wear green caps at all times and in all places, including occasions of visits to Kankakee.
2. All Freshmen must salute upperclassmen by placing thumb on top button of cap, fingers extended. (This is known as "button up").
3. All Freshmen must address upperclassmen as "Sir".
4. All Freshmen on street cars or in public places must arise at the approach of upperclassmen and must remain standing until the upperclassmen are seated.
5. No Freshman will be allowed to "bum" rides between the College and the corner at Landroche's Store.
6. All Freshmen must sit in the first ten pews on the right of the chapel.
7. Freshmen must supply matches for the use of upperclassmen.
8. All Freshmen must get off the sidewalk when an upperclassman passes.
9. Freshmen must sit in a body at all athletic contests.
10. Freshmen are subject at all times to giving entertainment on the third corridor.
11. Any Freshman who does not abide by the above rules is subject to a summons to the Kangaroo Court.

## Candy Store Changes Hands

The College Candy Store is under new management this year. Bill Barrett, Coach of the Academy, who managed the store last year has sold out to the Nolan Brothers Company. The popularity of the Nolan boys coupled with their business ability should bring them success in their enterprise. The store caters to many of the needs of the student. The new management carries a good line of candy in connection with the fountain service; and, to aid in satisfying the intense hunger of some of the students, after a period of study, sandwiches are served during the recreation period in the evening. As an added service, breakfast is served after Mass on Sunday mornings. The Nolans are agents for a Kankakee Cleaning and Pressing Establishment and a Shoe Repairing concern, also. They also carry a small line of toilet articles and novelties. The store is the mail distribution headquarters for the college men, too. As an added attraction, a loud-speaker, which is attached to the radio in the College Club Room, has been placed in the store for the benefit of the patrons and the management.

The Viatorian takes pleasure in wishing success to Nolan Brothers Company in this enterprise.

## Freshman Debate Team At Bradley Poly

Peoria, Ill., Oct. 2, (Special)—To stimulate interest in intercollegiate forensic activities, a freshman debating team will be organized at Bradley College this fall. The freshmen will debate on the same question as the varsity team, which, under the rules of the Pi Kappa Delta debating fraternity, must consist of sophomores and upper-classmen. Efforts will be made to schedule inter-collegiate debates for the freshman team.

Bradley College will have both a men's team and a women's debating team this year. A preliminary meeting uncovered a number of promising debaters. Several members of the teams of last year have also returned to school.
