## FR. RHEAMS NAMED NEW PRESIDENT OF ST. VIATOR COLLEGE

### PLANS FOR BIG HOMECOMING PROGRESS

#### Viator vs. Columbia main feature of the day

Plans for the Homecoming celebration are rapidly progressing. Already invitations are being prepared to send to the entire Alumni body and faculty and student body are looking forward to greeting the largest number of returned Alumni that have ever assembled on the campus of their Alma Mater.

While the faculty is preparing the invitations, formulating definite plans and schedules, preparing speeches and inviting addresses, the student body is doing its share to make the Homecoming a success. As usual, the Homecoming will be ushered in by a pep parade on the streets of Kankakee Thursday evening, October 20th, followed by a pep-meeting around a huge bonfire on the campus. Efforts are being made to have as many of the Alumni present for this meeting as is possible and it is hoped that some of the well-known athletes who have graduated from our ranks in the past years will be there to speak to the assembly.

Pontifical High Mass, celebrated by the Rt. Rev. Monsignor G. M. Legriss, will officially open the Homecoming. Various conferences, inspections, and reunions will occupy the time between Mass and dinner. The College Rectory will be the scene of a banquet followed by short addresses.

The major event of the afternoon will, of course, be the football game, Viator vs. Columbia College of Dubuque. This is the first home game for our team and we know that its showing will be the very best that it can offer. If comparisons are of any value it would seem that St. Viator has the edge on Columbia for St. Viator decisively defeated DePaul while Columbia succeeded only in tying with that team. However, Columbia is coming to St. Viator determined to reverse the conditions and spoil our Homecoming by defeating us just as we did for them last year.

A reception and dance for the returning Alumni will take place in the College Gymnasium in the evening. The Alumni dance will undoubtedly be the most impressive social event of the year. Committees on decorations, programs, and orchestras have been appointed. The services of one of the best orchestras in the vicinity will be procured, so with good weather favoring us, we may rightly expect the event to be successful in every way.

### MUSIC DEPARTMENT EXPANDED TO MEET GROWING NEEDS

Unusual opportunities await our aspiring musicians this year as all preparations indicate increased activity and development in this department. Father Raymond, director of the music department, with the enthusiastic support of the members of the student choir, is working hard on a Mass to present on St. Viator's Day. Several rehearsals have already been held which have disclosed considerable talent and many voices of fine quality. With Father Raymond's ability and experience in organizing and directing choirs we feel sure that St. Viator's will have a highly creditable organization this year.

A great improvement for the music students (and incidentally a relief for those who frequented the library last year and were forced to endure the relentless practice of the musicians directly below) was the acquisition of a cottage in the village which will henceforth be known as the music

### FR. MAGUIRE ELECTED TO HIGH OFFICE

Holds highest elective position in the Nat'l Catholic Educational

At the convention of the National Catholic Educational Association in Detroit June 27 to 30, the Reverend J. W. R. Maguire, c. s. v., vice-president of St. Viator College, was unanimously elected President of the Department of Colleges. The tenure of his office is one year with privilege of re-election for a second term.

Recognizing Father Maguire's zeal and unselfish devotion in behalf of standardization work, the nominating committee conferred this signal honor upon him. He succeeds the Rev. Brother Thomas, C. M., President of Manhattan College, New York City. Father Maguire was succeeded in his post as secretary of the Committee on Standardization, by the Reverend Daniel O'Connell, S. J., vice-president of St. Francis Xavier University, Cincinnati, Ohio.

The Convention was opened by the Rt. Rev. Michael J. Gallagher, D. D., Bishop of Detroit who welcomed the thousand delegates from every part of the United States to the Convention. General conferences were presided over by the Rt. Rev. Francis W. Howard, D. D., Bishop of Covington and Secretary of the Association, and the scholarly and beloved Bishop Thomas J. Shahan, D. D., rector of the Catholic University and president of the Convention.

The key-note of the gathering centered about questions of proper standardization for post-graduate schools. The matter was referred to a Committee, headed by the Rev. Fr. Schwitalla, s. v., of St. Louis University. Round table discussions were held throughout the entire three days.

The Reverends E. V. Cardinal, c. s. v., and J. R. Plante, c. s. v., were mates will also be glad of it we pass delegates from St. Viator. Rev. John P. O'Mahoney, c. s. v., for many years President of the College, also held the coveted honor conferred again this year on a Cleric of St. Viator.

### ALUMNI ENROUTE TO PARIS SEND RADIOGRAM TO COLLEGE FROM MID-OCEAN

A radiogram, undoubtedly the first one to be addressed to the College, reached the institution September 16th, containing greetings from three Viator Alumni who were returning to France for the American Legion Convention in Paris. The radiogram read:

Greetings from mid-ocean. A second A. E. F.

Signed. Goudreau, Captain Ford, Joe Lonergan. It was noble, indeed, of these Alumni to think of us amid the excitement of their trans-Atlantic trip. The message was received from the Steamship Corona, one that we suppose was loaded to capacity with Legion men and on which there was almost endless hand-shaking and greetings of old acquaintances.

The structure itself, with its pleasant surroundings, is a credit to the College. It is a seven room stucco cottage and will house seven pianos. It is hoped that with these facilities the music students will spend many happy hours in the development and appreciation of their art. Father LaFleur, director of the Piano department, an able musician possessing great insight in the realms of music, will lead his pupils through a profound study of music theory and harmony combined with his capable teaching of piano renditions. It is also his intention to organize a symphony orchestra for the purpose of giving concerts.

REV. J. V. RHEAMS C.S.V.

### New President Meets College Club Oct. 5th.

Reception & Smoker in Club Rooms

Rev. J. V. Rheams, new president of St. Viator College, was feted to a reception and smoker by the College Club last Wednesday evening. From every standpoint the reception was a decided success and reflects quite favorably on the ingenuity and hospitality of the hosts.

The principal diversion of the evening was Five Hundred. The games started shortly after 8:00 P. M. and continued until 9:30. Entertainment was provided during the games by Leonard Kelly at the piano accompanying a number of vocalists, chief among whom was Mr. LaFleur of Kankakee. The grand prize of the evening was won by Mr. John Herbert. Consolation prizes were given to Mr. Francis Brockman and Mr. Maurice LeClaire. During the games Father Rheams was introduced to the members of the College Club by Mr. Allen Nolan.

Refreshments consisting of Sandwiches, pickles, coffee, cake and ice cream, were served after the progression of card games was finished. The entertainment proper, furnished by the Freshmen, took place after refreshments had been served. A quartet of singers rendered a group of songs; piano novelties were offered by Mr. Kelly; Mr. Walkowiak read a poem of his own composition; and another group of songs completed the program. Father Rheams addressed the Club, expressing his thanks for the reception.

The onerous task of restoring the Club rooms to some degree of order and of washing dishes fell to all those who were generous enough to offer their services to the committee.

### New Catholic High School Dedicated

Viator Alumni figure prominently in services at Bloomington

Several thousand Catholics and numerous visiting priests attended the solemn services of the laying of the cornerstone of the new St. Mary's High School. The honor of laying the cornerstone was given to Rev. Father M. J. O'Callaghan; Rev. T. E. Shea '18, now chancellor of the Peoria diocese and formerly the able and active assistant of Holy Trinity Parish, Bloomington officiated as Master of Ceremonies. Father P. H. Durkin of Rock Island delivered a very eloquent address on the significance of the occasion in which he lauded the Catholics of the parish for preparing suitable and adequate quarters for an institution whose steady and rapid development commands the admiration of all those interested in the great work of Catholic education.

Hon. Edmund O'Connell, as representative of the laity, declared in his address that Bloomington will be proud of this new Catholic high school. Music for the occasion was furnished by the choir and school children of Holy Trinity led by Miss Cecile McGraw. The Soldiers' Orphans' Band also furnished music and led the delegation of Knights of Columbus from their home to the school. The Star Spangled Banner was played before the service by the band.

The Viatorian extends its heartfelt congratulations to the Rev. Stephen N. Moore, on this, the first step in the realization of the dream of a zealous and devoted priest. St. Viator's is proud of the fact that he is numbered among her loyal Alumni and benefactors.

### Assumed Duties of New Office During Summer

Father Rice Remains at College as Teacher of Mathematics and French

On August 15th the Very Rev. J. V. Rheams assumed the presidency of St. Viator College to which position he had been appointed by Very Rev. F. M. Roberge, c. s. v. Superior-general of the Clerics of St. Viator. The newly appointed president succeeds the Very Rev. T. J. Rice, c. s. v., who to the delight of the students and friends of the institution remains associated with the faculty.

Father Rheams Long Associated With The College

Father Rheams brings to his new and onerous task a wealth of talent and experience which undoubtedly spell further success and development for the institution. Although not immediately connected with the work of the College during the past five years, nevertheless Father Rheams is no stranger to St. Viator's. For years previous to his appointment as Master of Novices he had been one of the ablest and most devoted teachers listed on the faculty. In 1910 his superior, recognizing his unusual ability in the work of teaching and organization, made him dean of studies with the task of reorganizing the curriculum to bring it abreast of the advancing and exacting requirements of modern times. In this office Father Rheams acquitted himself remarkably well and fulfilled even the most sanguine expectations of his superiors. In 1918 he was sent to Columbus College, then located at Chamberlain, South Dakota, to perform a similar mission and there the same success attended his earnest and devoted labor.

In 1921 the Very Reverend P. Robert, c. s. v., then superior of the Viatorians, appointed him to the highly important and responsible position of Master of Novices of the Chicago Province. In this office his priestly zeal, unassuming piety, and executive ability made him eminently successful. From this position he was appointed to the office he now holds. The Viatorian extends its congratulations to him and pledges to him its hearty co-operation and fidelity.

Father Rice Remains Associated With Faculty

The announcement of Father Rice's retirement from the presidency was received with grief by the faculty and student body alike. Father Rice, after an enviable record of years as a teacher and disciplinarian, was promoted to the office of president in 1922. Under his wise and prudent direction St. Viator's has experienced a period of remarkable growth and development in all departments. Under his regime the curriculum of the College was enlarged to include a department of Education; sciences and mathematics now cover a wider field and the foreign language department has been so extended that it now includes well-conducted courses in French, German, Italian and Spanish. Progress was marked in other activities as well. While the college athletic teams were making the name of Viator known and respected in the field of sports, Viator debating teams were meeting and in most cases defeating debating teams which represented some of the largest and well-known colleges and universities of the East and West.

Father Rice directed the destinies of St. Viator's during one of the crucial periods in her history. On January 6th, 1926, fire destroyed the gymnasium with the dining hall and music studio. Under his firm and guiding hand the college passed safely through the crisis. The old gym with its dining hall was replaced by two thoroughly modern structures, a first class dining hall, and a gymnasium that is an object of envy among

## Peter James Muldoon, D. D., Bishop of Rockford

Yesterday we were about to commemorate the episcopal silver jubilee of Bishop Muldoon. Today we bow our heads to contemplate his eternal jubilee as a soldier of Jesus Christ. For forty-one years he lifted on high the Host of Consolation to the world; for twenty-six years he strengthened the hearts of youths about to face the vicissitudes of life, for sixty-four years he was a born champion of the oppressed—ever a father, a light, a guide, an example to all who came in contact with him—ever the Mediator between God and man—such was Bishop Muldoon.

It is indeed difficult to pay tribute to such a man. The mind constantly turns to superlatives. Picture if you will a man endowed with all that nature can give; physical superiority, handsome countenance, magnetic personality and an eloquent voice with noble manners. Born of Irish parents he inherited the characteristics of a royal race; lively faith, fertile imagination, flowing humor, keen sympathy, intellectual acumen, generosity and silent suffering. Visualize this man fired with the zeal of a Xavier, the heart of a Paul, the love of a John, the compassion of the Master Himself and you have Bishop Muldoon.

His entire life was spent in giving his talents, his energy, his life-blood, drop by drop, to the people of America in the name of Christ. His accomplishments during the late war, and years before in the Archdiocese of Chicago, are now matters of history. As an organizer of the National Catholic War Council, and later the National Catholic Welfare Council, he was enabled to see many of his cherished ideas materialize. He believed that Catholic organization was a means whereby Catholic principles could be infused into the political, industrial, economic and social life of the American people. He believed that oppression was the result of ignoring the principles of the church. From the length and breadth of the land he has been heralded as the champion of the poor and the weak. Archbishop Hanna of San Francisco said of him a few months ago: "He has the greatest constructive brain in the Hierarchy of America." In his trust as Bishop of Rockford he accomplished immeasurable good for the Church in Northern Illinois. His work in the educational field is recognized throughout the country. He was one of the most active men in the Church. If there was anything wrong in America the Bishop of Rockford knew what it was and was fearless in denouncing the evil and in suggesting remedies.

In the passing of His Lordship the Church has lost one of her ablest and most representative leaders and America has lost a noble and a devoted citizen. A Man of righteousness, of vision, of tact and diplomacy his work will be a monument to his memory. His justice and courage, his understanding of the human heart, his sincerity and humility, his priestly character will serve to illuminate the souls of those who knew him as a friend—dignified, simple, lovable, saintly—Prince of Bishops, Leader of men, Champion of the oppressed and Priest of Jesus Christ!

## WELCOME!

In this first issue of the Viatorian it is our pleasure to extend to the Freshmen and other new students a hearty and sincere welcome. In extending this welcome we do so as the official organ of both faculty and student body. We, who have been at St. Viator College for years past are glad to welcome you for we know that the year holds much in store for you. We hope that this year will be the most pleasant and profitable one that any of you have ever known and that it will be excelled only by future years at St. Viator College.

Along with the welcome a few words of well-intentioned advice would not be amiss. Life at St. Viator College consists of a number of factors, each of which is necessary to the others and requisite for a happily successful school year. Study, it is true, is the immediate purpose of our presence here. However, extra-curricular activities are very essential to our well-being. Without them the rather secluded life of our College would become dull and uninteresting. How very monotonous would our sojourn here be if it were not for the variation offered by our clubs, varsity athletics, athletic leagues, choirs, glee-clubs, publications, organizations, forensic contests, pep meetings and pep parades and the like. These things form an integral part of our existence as collegians.

Since these activities are so important to us, our advice to

## CAMPUS BRIEFS

About the only sign of life around the campus is football practice. Even in this vigorous pastime now and then one of the players kicks off.

Saturday afternoon, October 2nd, will be a happy memory to those who enjoyed the generosity of our Reverend Disciplinarian.

The slight stoop noticed in "Zip" Lemna's shoulders is the result of the extreme responsibilities placed on him when he was nominated by Mr. Michael Cleary to be a committee of three in last College Club meeting.

Mr. Franklin May, star football player from Indiana, seemed surprised the other morning to note that the Illinois sun-rise was similar to the sunrise in Indiana. Peculiar that Mr. May had not noticed that before. Perhaps that was the first time that he had been up so early since he arrived.

The upperclassmen had a difficult time convincing the Freshmen of their honest intentions in inviting them to the first Club smoker.

Anyone wishing to buy, borrow, or bum a cigarette kindly see Mr. Pfeffer. Harold won a whole carton at the smoker.

"Fish" Sammon and Smitty finally got here. "Better late than never" seems to express their sentiments.

Any person desirous of information regarding lost sheets, pillow cases, blankets, etc., consult Mr. Gus Sheedy, Room No. 325, Roy Hall.

The Rosary period at 5:45 P. M. is drawing a noticeably large and devout crowd.

The noted financier, Mr. Laenhardt is preparing to declare dividends in his light bulb, blanket and shower ticket business as soon as Freshman No. 47 receives his pay envelope from home.

The graceful flight of the large flock of chimney swallows that has recently lodged itself in the old gymnasium building seems to charm a goodly number of spectators. Every evening quite a crowd gathers to watch the aerial maneuvers of the feathered newcomers.

Mike Cleary is making a reputation for rubbing out kinks in the football players' legs that would put "Bone-Setter" Reese to shame.

heartedly. Shirkers in school activities are never popular. They have no place in college life. It is the patient organizer and tireless worker who finally realizes all the advantages of college life and reaps its full fruition of good will and popularity from faculty and student body alike.

Do not suppose that we advocate an intensification upon student activities that will interfere with our studies. Outside activities must always be merely subsidiary to study. By our very presence here we manifest our desire for learning and consequently our intention of studying persistently. We must, however, indulge in extra-curricular activities for they are an aid to study in that they provide healthy relaxation and thus keep a proper balance with the work of our classes. We have not stressed the importance of applied study because we have already heard eloquent discussions of that point both in chapel and in the classrooms. We do, however, render the foregoing remarks hoping that they will stimulate everyone to action and interest in our activities, and that, with the support of the entire student body, the scholastic year of 1927-28 will be remembered as the most sanguine and profitable year ever known in student activities.

## GET IN THE CHOIR

everyone is to get into all activities at once and to get in whole. Announcements have been made time and time again that choir rehearsals are held every Tuesday and Thursday. The turn-out at these rehearsals has not been entirely satisfactory. The most important event on the calendar, Homecoming, is less than two weeks distant. On this occasion Solemn Pontifical Mass will open the activities of the day and it is traditional at St. Viator College that the students should sing the Mass. There is no doubt regarding the talent resident among us. Nor should there be any doubt about the spirit governing that talent. Now let's get to work and produce a choir that will be the very best that St. Viator College has ever had. We should have a choir as truly representative of the College as our athletic and forensic activities are representative of the College. Cooperate with Father Raymond, attend practices regularly, work hard at rehearsals, and you will have done much to promote the glory of God and the reputation and welfare of the institution.

## ALUMNI NOTES

Since the last issue of the Viatorian two of our clerical alumni have been affected by changes in the diocese of Peoria. The Rev. Edward A. Kelly, '18, has received a pastorate at St. Mary's church, Keithsburg, Illinois. The Rev. Thomas Kelly, '18, is now the assistant at St. Patrick church, Ottawa, Illinois. We had the pleasure of a visit from Father Tom who came to the college about three weeks ago.

Last week Mr. Mark Wallace, '27, of Joliet came down to the college. Mark will assist his father, the architect, in building undertakings in Chicago.

Mr. James Connors of the class of '27, has enrolled in the school of law at Northwestern University. Jim is the past editor-in-chief of the Viatorian. He was also one of our last year's debaters and his clever use of logic predicts his success as a lawyer.

It was a pleasure indeed to greet our old president, the Rev. J. D. Kirley, last week. Ever since Father Kirley was president of the college he has been located at St. Joseph's church, Emmett, South Dakota. We hope that you will come to see us often, Father.

St. Bernard Hall is in receipt of "L'Echo de Bourget," the very well edited paper from Bourget College, Rigaud, Canada. For those of us who read French this paper will prove interesting, instructive and enjoyable.

The Rev. Father Latour, c. s. v., is the president of this flourishing and progressive Canadian college. Fr. Latour is to be congratulated on the success he is attaining for his college.

The campus was brightened a few days ago by a visit from the Rev. Jeremiah P. O'Mahoney, '10. Father O'Mahoney is the founder of the new Oriskany House of Studies located at Oriskany, New York. The end of this house is to afford men of every walk in life, although advanced in years, an opportunity to study for the priesthood. We wish his work every success.

One of our pleasant summer visitors was the Rev. J. A. Williams, '09. He was accompanied by the Rev. Father Carroll. We always enjoy Father Williams summer visits and always look forward to them.

The Rev. Patrick Farrell, '22, and Mr. William Neville, '26, paid us a short but sweet visit on September 26. Father Farrell is one of our newly ordained alumni and is located at Holy Trinity church, Bloomington, Illinois.

## INQUIRIES

QUESTION: What would you suggest as a novel form of pep celebration for the advertising of our Homecoming celebration?

WILLIAM A. KELLY, "The entertainment for Homecoming should follow along the lines of that which was carried out last year. Have a sketch for the intermission of the football game, then have a dance in the evening for both Alumni and visiting team. A smoker for the visiting clergy Alumni would be new and entertaining."

MICHAEL CLEARY, "Follow the same plans as we had last year; a parade in Kankakee, then a big bonfire and pep talks out here at the College."

J. AUSTIN O'MALLEY, "I would suggest that together with a similar celebration as we held last year that a handball and bowling tournament be arranged for the members of the Alumni."

PAUL LEARY, "A hobo parade, a big pep meeting with several of the distinguished Alumni for speakers."

EDDIE O'NEIL, "I believe it would be good advertising for our Homecoming celebration if all the students would band together in the form of a snake dance and parade up and down the main thoroughfares of our metropolis, Kankakee, and at the same time give uniform cheers for our Alma Mater."

## OBITUARIES

The distressing news of the death of Mr. James B. Sheil, father of our respected Alumnus, Rt. Rev. Monsignor B. J. Sheil, reached us a few days ago. Mr. Sheil died at St. Joseph's Hospital after having been severely injured in an automobile accident near Libertyville, September 20th.

Solemn High Mass was celebrated by Monsignor Sheil in the presence of His Eminence, George Cardinal Mundelein, and a vast concourse of clergy and laity. Rev. J. P. O'Mahoney, c. s. v., delivered the sermon eulogizing the fine Christian character of the deceased. St. Viator's was represented by Very Rev. J. V. Rheams, Monsignor G. M. Legris, Rev. W. J. Stephenson and Rev. E. M. Kelly. The Viatorian takes this opportunity of extending to Monsignor Sheil its sympathy and condolence and hastens to join in the prayers for the repose of the soul of his exemplary father.

R. I. P.

This is the first opportunity that the Viatorian has had to express its condolence to the Rev. J. S. Finn, '89, over the loss of his brother, Mr. James G. Finn. Mr. Finn died July 22nd, at Miami, Florida. His remains were brought to Chicago and the funeral services were held at St. Mark's church Monday, July 25th. Father Finn sang the Solemn High Mass and was assisted by the Rev. J. P. Cannell as Deacon and the Very Rev. T. J. Rice, c. s. v., as Sub-Deacon. The Rev. F. E. Munsch, c. s. v., acted as Master of Ceremonies.

The Rev. Patrick F. Creel, '23, we are sorry to say, has been quite ill all summer. Ever since his graduation last June he has been forced to stay at the Mayo Brothers clinic in Rochester, Minn. The last bit of news concerning his health assures us that Father Pat is now on the mend and we hope that before long he will be completely cured.

We see quite a lot of Mr. Gabriel Legris, one of last year's graduates. Gab has secured a position with the Battaglia Brothers Co., in Kankakee.

The office training of Mr. Joseph Kinney, '27, has proved to be no hindrance to his success as a banker. Joe is now located at the People's Trust and Savings Bank, Rockford, Illinois. We understand that Joe has aspirations to be the future treasurer of our national coffers. Well Joe, we know of no one we would rather recommend.

## BRO. MAINVILLE CELEBRATES 89th BIRTHDAY

Receives many Felicitations on  
September 27th.

On Tuesday, September 27th, Brother Anselm D. Mainville, c. s. v., celebrated his eighty-ninth birthday. While no special functions were observed, the day was nevertheless a pleasant one for Brother Mainville, for throughout the day, and for some days following, he received many felicitations from friends and acquaintances. Despite his advanced age Brother Mainville works daily at his bench binding books and periodicals for the college library. In fact he did not refrain from his work even on his birthday.

Brother Mainville came to St. Viator College during the year 1873. With but few intervals of short periods he has been here ever since. In his time he has seen many changes in the institution. He has been a witness of its pleasant growth and development, its trials and tribulations for over half a century. He has seen more changes of administration in the College, more students enter and graduating classes leave than any man living today.

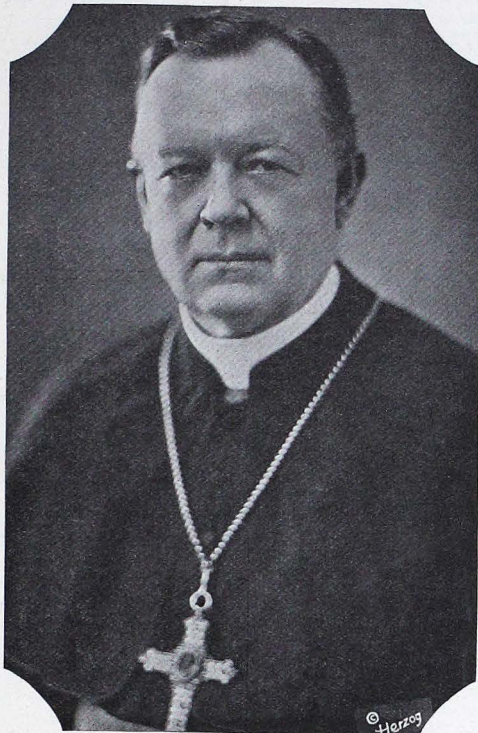

The first issue of a college periodical publication at St. Viator College was printed by Brother Mainville in 1882 in the printing shop which he maintained at the College for years. In after years when the work of printing the Viatorian at the school became out of the question he still maintained his shop, doing various kinds of printing for the school. To this day he employs himself at book-binding and his work is invaluable to the institution in that it preserves records and enlarges our library and affords extensive opportunities for research work.

Activity has been the key-note of Brother Mainville's life. He has always managed to keep occupied at some useful occupation and it is undoubtedly this tireless industry that makes him the interesting individual that he is today. His daily program even in this advanced stage of his life is one that would astound many younger men of today. After rising in the morning at a very early hour he has attended Holy Mass, had breakfast, and begun his day's work before some of the institution are awake. His work at book-binding necessarily requires much standing and hence he cannot stay at that work throughout the entire day. When he has tired of that particular work he returns to his room and occupies his time with such work as he can do while seated.

When interviewed, Brother Mainville refused to declare himself regarding either politics of the day, the much discussed prohibition, or the present youth at the College compared to the youth of his day. He stated that he is in good health generally, and, aside from occasional attacks of rheumatism, felt little different now than he had at any time in his life. In fact he feels that he could give Mr. Dempsey quite an interesting bout if the occasion were to demand it of him.

Simplicity, industry, and peacefulness are the marked characteristics of his life. His example in living may well be followed by the youth of today. The Viatorian Staff is delighted to have this opportunity to extend to Brother Mainville, the printer of the first Viatorian, the very best of wishes and congratulations.

## BISHOP MULDOON, EMINENT CHURCHMAN, SUCCUMBS TO ILLNESS AFTER LONG STRUGGLE

Bishop Muldoon, one of the most eminent churchmen in the country, died at his residence in Rockford last Saturday at 6.10 o'clock A. M. His death followed a protracted illness which began a few weeks after the illustrious Eucharistic Congress held in Chicago, June 20th, 1926. His death robs the church of one of its greatest minds and most steadfast workers; the nation of a true diplomat and able organizer; his diocese of a paternally wise prelate and beloved father.

At the time of his death Bishop Muldoon was attended at his bedside by two of his sisters, the Rev. Lawrence Prendergast, secretary to the bishop, and his physicians. The end came peacefully after a steady and noticeable decline which started some hours earlier.

After having completed a preparatory course at St. Mary's College, Kentucky, and a seminary course at St. Mary's of the Woods, Baltimore, Maryland, Bishop Muldoon was ordained in 1886. His first appointment

was to the assistant-pastorate of St. Pius Church, Chicago. After two years in this position he was appointed chancellor of the archdiocese and secretary to Archbishop Feehan. Later as pastor of St. Charles Barromeo's Church he expanded that parish, built a new church and school, and made the parish one of the largest in the city.

The poor health of Archbishop Feehan made it necessary for him to have an auxiliary Bishop. Bishop Muldoon was appointed to this position in 1901. He was also consecrated titular Bishop of a see in Asia Minor during the same year. It was during Bishop Muldoon's administration as auxiliary bishop that he became interested in St. Viator College. At that time the seminary department of St. Viator's was still in existence, and Bishop Muldoon was a frequent and welcome visitor. Occasionally he officiated at functions of the College.

Bishop Muldoon was the first Bishop of Rockford. He was appointed

## DEBATER'S TRIP PROPOSED BY FR. MAGUIRE

Schedule will include Debates with  
Marquette and Xavier

Spurred on by the glorious success of last year's debating teams and by the appearance of a large and likely looking class of debaters this year, Father Maguire is sparing no effort in his attempts to arrange a schedule of debates for the approaching season that will exceed in number of engagements any schedule of past years. A number of debates have already been settled including a return engagement with St. Francis Xavier College of Cincinnati, and other forensic contests to be held in Kankakee with McMurray College of Abilene, Texas and with Oregon State University. Out of town debates scheduled so far are to take place at St. Thomas College of St. Paul, Minnesota and with Marquette University of Milwaukee. There are many other debates that are practically certain but the arrangements regarding dates and number of debaters are still tentative.

A tour of the states of Michigan, Wisconsin, Milwaukee and Iowa is the latest plan of Father Maguire and already challenges have been issued to more than a score of the leading institutions, both Catholic and secular, throughout those states. Aside from this tour many debates with colleges of the Little Nineteen Conference within easy driving distance of Bourbonnais will be scheduled. These debates will be considered aside from the proposed tour in that they will require nothing more lengthy than an overnight trip.

Father Maguire has further secured the cooperation of organizations in neighboring cities and will stage before these organizations practice debates of an exhibitional nature between two representative teams of St. Viator College.

Prospects for a worthy representative debating team from St. Viator College are very good. In Mr. J. Allen Nolan, Mr. Warren McClelland, Mr. John Stafford and Mr. Maurice LeClaire, the Coach of Debate has four finished debaters whose ability is unquestionable. There are some promising candidates among the members of the class of Public Speaking so that positions on the debating teams will be keenly contested for, not only by the old debaters but also by the new comers.

## FARRELL TO HEAD VOYAGEUR STAFF

At a recent meeting of the Senior High School Class, Mr. J. J. Farrell was unanimously elected editor of the 1928 "Voyageur." Mr. Farrell's election comes as a reward for past years of service on the "Wave" staff during which he was one of Brother O'Loughlin's most faithful assistants. Mr. Farrell has been prominent in all Academy activities for the past three years.

ed prelate of the new see in 1907. In and about Rockford he constructed a strong and unified diocese which was bound to him in well nigh unbreakable bonds of love and fidelity. His loss is a momentous one, not only to the diocese of Rockford, but to the whole Church and nation.

## Perpetual Vows Pronounced By Four Brothers

Father Munsch Delivers Eloquent  
Sermon at Services

On the fifteenth of August in the chapel of the Sacred Heart, St. Viator College, there took place the inspiring ceremony of eleven young men consecrating themselves to God by the vows of Religion. Of these, Brothers O'Loughlin, Nolan, Wenthe and Loughran pronounced their perpetual vows; Brothers Walsh, Corcoran, Drolet, Hutton and LaMarre made their temporal vows, and Brothers Ryan and Murphy who completed the term of noviceship made their first profession.

The ceremonies began about 6:30 o'clock A. M. The procession which was formed in the corridor of Marsile Hall was led by the cross-bearer and acolytes, followed by those who were being admitted to vows. Next in order were the Brothers and Priests who were vested in surplice and carried lighted tapers. Lastly came the Very Rev. W. J. Surprenant, c. s. v., Provincial, assisted by the Rev. J. V. Rheams, c. s. v., Rev. F. E. Munsch, c. s. v., Rev. J. R. Plante, c. s. v., acting as secretary to the Provincial, and Brother W. J. Cracknell, c. s. v., the master of ceremonies.

The procession was formed in the corridors of Marsile Hall and wended its way to the chapel, chanting the grave and solemn psalm, "Quam delecta tabernacula tua, Domine."

After the aspirants and the officiating clergy took their places in the sanctuary the inspiring and beautiful ceremonies prescribed by the ritual of the Clerics of St. Viator were carried out. After openly avowing their willingness to assume the obligations of poverty, chastity and obedience, the candidates solemnly pronounced the vows which bound them to the great work of Christian education and to the service of the Holy Altar.

High Mass followed these ceremonies at which the Very Rev. Fr. Provincial was celebrant. A very inspiring sermon for the occasion was preached by the Rev. F. E. Munsch, Director of scholastics at St. Bernard hall. Fr. Munsch reminded the newly professed Brothers that life is of value in so much as it can be spent or given and that they who were consecrating themselves to God by the three vows were to spend and give their lives for a noble cause, the education of youth, and that in the eyes of the Divine Master their lives would be of great value both to God and man.

After the Holy Sacrifice of the Mass which closed the services breakfast was served to the Brothers and their relatives and friends who had come from a distance to witness the ceremonies.

## Alumni Notes Cont'd

Mr. George Ohlheiser, Acad. '25, visited the college a few days ago. Mr. Ohlheiser is the exchange editor of the Loyola News.

Another Academy graduate returned for a glance over the college. Mr. Frank Gamble, Acad. '26 dropped in for a few hours to renew acquaintances.

A cheerful word or two from Southern Indiana reaches us concerning Brother Rupert—c. s. v.—Lawrence Poudrier, who is now teaching at Reitz Memorial High School in Evansville, Indiana. The High School, newly completed at the cost of one million dollars, was made possible through the generosity of Mr. Reitz of the same city. Brother Rupert finds himself well and happy, and wishes to be remembered to all his old friends at the College.

The great white harvest will receive two more laborers from last year's graduating class. It is with sincere pleasure that we record in this column the departure of Mr. Joseph Harrington, an ex-associate editor, for the Paulist novitiate at Trenton, New Jersey.

Mr. James Toolin has also answered the Divine call and is now pursuing his studies preparatory for the priesthood at Kenrick Seminary in St. Louis.

We have information concerning some of last year's graduates. Mr. John Ellis has matriculated at the Catholic University of America. Mr. Edw. Gallahue and Miss Eleanor Roy are both employed at the college. Ed takes charge of the office of the treasurer, and Miss Roy has the care of the library.

Five of the Viatorian brothers have departed for the Sulpician Seminary at Washington, D. C. Brothers E. J. Williams and J. T. Sees will continue their study of theology while Brothers A. A. O'Laughlin, J. E. Surprenant and J. T. Ryan will be introduced to the sacred science for the first time. The brothers will also follow lectures at the Catholic University. May every good success attend their endeavors.

We have received information regarding Mr. Vincent McCarty, '22, who was formerly one of Viator's stellar athletes. Vincent, we understand, has met with success in professional football. Recently he was elected Captain of the Rock Island Independents. We expect that Vince will continue to make spectacular plays and bring his spectators to their feet as he did while here. Success to you, Vince, and don't forget that we are still behind you.

## FRESHMEN HOLD FIRST MEETING FOR ELECTIONS

EDW. O'NEIL ELECTED  
PRES. OF CLASS OF '31

On Thursday evening, September 23rd, the Freshmen assembled to elect officers for the present year. Edward O'Neil was elected president; Lawrence O'Shea, vice-president; Robert Ryan, secretary and Simon McMahon, treasurer. Edward O'Neil responded with a short talk in which he thanked every classmate for the support they gave him. He also stated that he would do all in his power to promote Freshman activities and would be always ready to look after the welfare of the newly organized class.

On Monday evening, September 27th, a second meeting was held for the purpose of electing two members to the Advisory Board of the College Club. President O'Neil opened the meeting with a short talk to his fellow students stressing the importance of the Advisory Board and urging that the class be very cautious in the selection of its representatives. The Class of '31 followed the advice of their president and as a result elected Ray Nolan and Edward Walkowiak to represent them at the meetings of the board.

The "Wave", the Academy newspaper, was the first student publication to appear on the campus. The first issue was published last Wednesday, October 5th. It contained interesting accounts of both Academy and College news, as well as well written editorials, clever jokes and drawings.

The "Wave" staff of this year is headed by Mr. Thomas L. Sullivan, Editor-in-chief, with Mr. Werner Salg as assistant editor. Father Landroche is the new faculty moderator of the "Wave." The staff also includes a number of reporters, departmental editors, and typists.

## LET'S MAKE THIS HOMECOMING THE BEST EVER

## College Club Notes

The first meeting of the College Club for the scholastic year 1927-28 was held in the College Club room Wednesday, September 28th. President McClelland opened the meeting and after a few introductory remarks, read the constitution of the Club. Following the reading of the constitution the Vice-President, Mr. John Smith, Treasurer, Mr. Thomas Doyle and Secretary, Mr. William Siebert, were introduced in turn seemingly for the edification of the Freshmen.

A report submitted by Mr. Gallahue, treasurer for the Club during the year 1926-27, was read and discussed. President McClelland commented upon the report with words of appreciation for the suggestions proffered by Mr. Gallahue.

An open, general discussion of the prospects for the year followed. Through some misunderstanding of Mr. Zenis Lemna's ability, Mr. Michael Cleary nominated the aforementioned Mr. Lemna as a committee of three to represent the College Club at a future conference. The nomination was withdrawn when Mr. Barnett suggested that the selection of a committee be left to the discretion of the President and the Advisory Board. Two new members of the Advisory Board were introduced. Mr. Raymond Nolan and Mr. Edward Walkowiak will represent the Freshmen Class in the Advisory Board Body. Plans for entertainments and smokers were discussed for some time. Final action on these plans was left to the Advisory Board. At the motion of Mr. Gene Sammon the meeting adjourned.

## SULLIVAN ELECTED TO PRESIDENCY OF ACAD. SENIOR CLASS

Father Stephenson, the new moderator of the Fourth high, called the first meeting of the class on Tuesday, the 27th of September. In his opening talk, he announced that the principal business of this meeting would be the election of officers. Accordingly, when he concluded, the polling begun.

Tom Sullivan, last year's third high president, was re-elected for this year; so also Bob Singler, last year's vice president. These two men were chosen by an almost unanimous vote, but there was considerably more of a struggle for the other offices. John Farris won the secretaryship by a few votes, while Martin Senica was chosen treasurer by a small majority.

The moderator then called on all the officers to voice their thanks to the Students for their election. In his reply, President Sullivan urged the class to avoid dissension and to work together for the benefit of the whole Academy. The three others gave short conventional speeches of acceptance of their positions.

The members agreed to meet again on Wednesday, October 5th. The chief matters for discussion at that gathering will be: the class rings, the selection of an Annual staff, and the plans for supporting both the Annual and the Wave.

## Father Rheams Assumes Duties as President

Cont'd from page one

the smaller institutions of learning in the Middle West.

Father Rice's qualities of mind and heart endeared him to hundreds of students who attended St. Viator's during his administration. The tribute penned by a member of the Viatorian Staff well expresses the general high esteem in which he was held by the students of St. Viator:

"To Father Rice we extend the hand of deep gratitude for all that he has done for us during his two terms as president. He has given to us, both by precept and example, many golden principles of life, and we already feel that we are better men because of the wonderful influence that he has exercised over us. Our memories of him as a leader of men are sweet and will remain with us forever. How good it was to hear him upon the altar urging us to our duties as Christian gentlemen; to prayer and the frequentation of the Sacraments! How good it was to hear him at our pep meetings, his back to the big bonfire, and his clear voice ringing through the air!

The success that Father Rice met with as president was due, no doubt, to the fact that he was an all-round man with much experience. Those of us who have had the pleasure of being one of his students know what excellent qualities he possessed as a teacher. He met every problem of the classroom and solved it wisely.

For many long years Father Rice was disciplinarian at the college, and in this too he was no less a success. His principle was a firm one, but as every one of us can testify Father Rice was always ready to listen to reason and to consider a question from the viewpoint of a young student.

It is only when we look back over the years that Father Rice served us that we realize what a task his must have been."

## Marquette U. Victorious in opening fray

Viator offside. Score 7 to 0. Viator received and advanced the ball to mid-field. Viator was in possession of the ball when the quarter ended.

St. Viator offered stiff opposition in the second period and it was not until the latter part of the quarter that Marquette was able to put over another touch down. This came on a bad pass from center over Laenhardt's head. Laenhardt recovered after a twenty yard loss. It was Marquette's ball. Marquette again failed to kick goal. Score 13 to 0, Marquette. The half ended soon after Viator received for the third time.

### Second Half

Viator received and was moving the ball down the field toward Marquette's goal. Viator lost five yards for checking signals too often. Delaney advanced the ball fifteen yards for Viator. A pass, Delaney to Laenhardt netted twenty-five yards. Viator lost five on an attempted end run. Then LaFleur, who was substituted for Campbell was penalized half the length to the goal and ejected from the game for using his hands. This break coming at a time when Viator was making progress toward a touchdown proved disastrous and soon after Delaney's punt, Marquette advanced the ball through line plunging and passing to Viator's five yard line, where Gerbert took it over. Marquette misses the try for point. Score 19 to 0.

Viator received and opened up with a pass attack, carrying the ball from the shadows of its own line to mid-

field. Two incomplete passes resulted in a five yard penalty. Another five yards was added for the third incomplete. Viator kicked. Marquette advanced the ball only three yards in three downs and kicked to Delaney. Viator completed two short passes and then punted. Marquette started for the Viator goal. O'Keefe sent a short pass to Clancy for ten yards. Gerbert knocked off thirty-five around Viator's right end. O'Keefe threw a short pass to Jeffrey for ten more and on a double pass Leary to O'Keefe the latter went around left end for a touch down. Leary kicked goal. Score 26 to 0.

Both teams substituted freely during the final period. Viator resorted to long passes in an effort to score. After several had been completed Viator had the ball in Marquette's territory. Delaney then passed and Marquette intercepted and advanced the ball to the Viator 25-yard line where Leary booted a field goal. Score 29 to 0.

## Eureka downed by crushing Viator line

punt. Viator failed to show and a series of punts followed, neither team giving any startling demonstration of football. The contest continued listless until the beginning of the second period.

Viator opened up with several passes carrying the ball into Eureka's territory. Laenhardt, LaFleur and Delaney advanced the ball to the Eureka ten yard line. Viator lost ten yards for holding. Laenhardt then carried the ball on a zig-zagging end run to the five yard line, where Delaney took it over for the first score of the game. The try for point was missed. Score, Viator 6; Eureka 0.

Viator then kicked off to Eureka and after an exchange of punts Viator marched the ball down the field to the Eureka twenty yard line. Here Eureka braced momentarily and should have averted a score, but LaFleur went around right end for a touchdown. Goal missed. Score, Viator 12, Eureka 0.

Viator again kicked and Eureka opened with several passes carrying the ball down to mid-field. Here Eureka punted to the Viator five yard line. A punt by Florin, who substituted for Delaney went out of bounds in midfield. Eureka failed to use the break and punted. The half ended with the ball in Viator's possession. Score, Viator 12, Eureka 0.

### The Second Half

Matthews kicked off for Viator, Grogan received and was downed after a short gain. Eureka punted, Evard received the ball and returned it fifteen yards. Viator advanced the ball several yards and then Laenhardt kicked a beautifully placed punt out of bounds on Eureka's three yard line. Eureka was kicking from behind her own goal. Captain May of Viator blocked the punt and Harrington swept in from an end position covering the ball for the Green's third marker. The try for point was a flop. Score, Viator 18, Eureka 0.

Viator kicked off to Eureka again and after completing several flat zone passes, Smith to Johnson, Eureka was forced to kick. Viator took the ball down the field to Eureka's forty five yard line and Laenhardt booted the ball over the goal line. Eureka took the ball on the twenty yard line, completed one pass and then Captain May of Viator intercepted and ran for a touchdown. Score, Viator 24, Eureka 0. Throughout the remainder of the game Viator resorted to punting tactics, and Eureka seemed to be unable to break through the Viator line for gains. For Eureka the playing of Leitch, Smith and Grogan featured.

The line up was as follows:

## Aerial attack of Viatorians beats DePaul

DePaul kicked off to Viator. Laenhardt received the ball and started toward the DePaul goal, after eluding six or seven tacklers he was finally brought down on Viator's 45 yard line.
