PROSPECTUS.

ST. VIATEUR'S College is situated at Bourbonnais Grove, Kankakee county, Illinois. It is distant about fifty miles from Chicago, and two and a half miles from Kankakee city, just on the verge of an extensive grove of forest trees and hard by the banks of the Kankakee. The site is peculiarly beautiful and healthy. Near enough to enjoy the advantages of a city when needed, the college is far removed from its distractions and moral dangers.

This institution, founded in 1865, was raised to the rank, and invested with the power and privileges of a university by an act of the State Legislature, in February, 1874.

It is under the direction of the priests and brothers of the congregation of St. Viateur. The Professors and Tutors reside in the institution, and devote themselves entirely to the duties of their profession, forming but one family with the students, and exercising a constant supervision, friendly in the highest degree to discipline, decorum, and good morals.

The system of education embraces: The Commercial Course, Classics, Sciences, Philosophy, and Theology. No student is allowed to graduate or take his degrees without having gone through the prescribed course and having given clear evidences of his worthiness, both at private and public examinations. Those who graduate as Bachelors of Arts may, on proper application made to the President and Faculty, receive the degree of Master of Arts, provided they shall have devoted at least two years to literary pursuits.

The study of letters is helped and encouraged by an excellent Circulating Library. (We take this occasion to thank friends for contributions already received and to solicit further patronage for our library.)

The College grounds are large and well shaded, having ball alleys, and abundant room for all games and athletic exercises. The building can accommodate three hundred students.

The halls and rooms are spacious, airy, and comfortable. The College is heated by steam and is furnished with water from a spring by a complete system of water works. The diet of the students is always wholesome and abundant. In sickness they are nursed and watched over with parental solicitude, and all the care that parents can desire is given to the wardrobe, dormitories, and all those departments on which health, comfort, and economy depend.

N. B.—The infirmary, the refectory, the laundry, and dormitories are under the care of the Sisters.

There are two sessions, one beginning on the first Tuesday of September, the other on the first of February. At the close of each session all the classes are examined. On both occasions bulletins are sent to parents or guardians informing them of the standing, progress, application, health, etc., of their children or wards. At the close of the academic year candidates for degrees are publicly examined. At the commencement degrees are conferred and premiums and medals are awarded.

Students may enter at any time, and will be charged from date of entrance; it is much to their advantage, however, to enter at the opening of the September session. Should a student leave the College before the close of the session, no deduction will be made except in case of protracted sickness (of one month), or dismissal. A student who has been at any other institution must produce a satisfactory recommendation from the Superior thereof. The classes a student is to attend will be determined by an examination. He may afterwards be promoted for merit.

While the government of the College is mild and parental, the laws of good order, propriety, and morality are strictly enforced. The moral influence of instruction, persuasion, and encouragement is primarily and mainly relied on, and is seldom found ineffectual.

Visiting days are Sunday, Tuesday, and Thursday afternoon. Good accommodations for parents and friends is easily obtained in the village.

SOME GENERAL RULES.

1. Every Catholic student is instructed in Christian doctrine, and bound to the practice of his religion.

2. The religion of the non-Catholic students will not be interfered with; for the sake of uniformity however, all must conform to the general exercises of the College.

3. Students must obey every tap of the bell promptly and in silence.

4. The use or introduction of intoxicating liquors, the use of tobacco, card playing, and every species of gambling are forbidden.

5. Every four weeks a medal, to be worn as a badge of honor during the next term of competition, is awarded to that member of each class who has specially distinguished himself for conduct and progress during the four previous weeks; to serve this and other ends a careful report of each student is given to the President and is publicly read every month.

6. No one may leave the College grounds without permission from proper authority.

7. Parents and friends of the students may visit the College on reception days only—*i. e.* Thursdays, Tuesdays, and Sundays.

8. Permission to go home will be given to students only in case of the serious illness of some member of their family. Exceptions may be made in behalf of the minors.

9. The penalty of expulsion is incurred by wanton and repeated violations of established rules, by irreligious language or writings, the introduction of infidel or immoral books, or other grave offenses against morality or discipline.

10. It is required that students procure one military suit either before or upon arriving at the College. We cannot too earnestly engage all to join the military companies, as the drills and other exercises tend to develop and strengthen the physique and also improve the general bearing of the members. Suits may be ordered from the College or may be purchased at Work Bros., corner Market and Van Buren streets, Chicago, Illinois, at the following prices: For minims, \$9.50; for juniors, \$12.00; for seniors, \$13.50.

11. There is no Easter vacation. Visits home at this time, and indeed at all times during scholastic year, are absolutely discountenanced.

12. Students not returning at the proper time after the Christmas holidays, forfeit their right to medals.

| 1 Bathing suit. | |

Combs, brushes, and other necessary articles of toilet.

N. B.—Parents or guardians are strongly urged to see that their children or wards come well supplied with all the necessary articles of use and wear, as the students sometimes make the want of such things a pretext for visiting the city. The Superior of the institution will very justly discountenance all such visits, no matter under what plea made, and will be loath to see the necessity of permitting what can seldom occur without useless expense, loss of time, and prejudice to discipline.

The College will furnish nothing to students unless a sufficient sum be placed in the hands of the Treasurer.

Payments must be made half yearly in advance; if not the student will be liable to be sent home.

All letters to and from the students shall be subject to the inspection of the President.
