

Science Club Listens To Dr. Van Cleave—Nov. 4

Conservation Of National Resources And Education Of Younger Generation Topic Of Lecturer

Dr. H. J. VanCleave, head of the department of zoology at the University of Illinois, addressed the Science Club on November 4 in the Zoology Lecture Room of Marsile Hall. Dr. VanCleave's topic of discussion was entitled "The Biological Aspects of Conservation." Approximately seventy-five persons attended the first meeting at which an outside speaker was featured.

"Conservation is one of those topics about which more is said and little is done than any other topic", remarked the speaker as he opened his informal talk. "Similar to the remark of Mark Twain concerning the weather, people of today are willing to talk about conservation but inclined to do nothing else about it", continued Dr. VanCleave. "We of this generation must lead the warfare of conserving our natural resources before our nation's wealth is completely dissipated by those who are seeking commercial profits."

Having thus opened his lecture Dr. Van Cleave then proceeded to give a short summary of the way in which man has been able to completely eliminate a species through wanton destruction, and in concluding this section of the lecture the speaker pointed out that it was only with the beginning of community life that man's attention was brought to the need of conservation.

Slides Shown

Throughout the remaining portion of the lecture, Brother Robt. J. Schoffman, C. S. V., assisted the speaker by showing colored slides. The slides presented vivid pictures of the conservation work that is being done throughout the United States and also showed many examples of the waste that has been created by the greed of man in his commercial pursuits. Other subjects shown by the projector were: extinct animals and birds that once populated the earth; views of the bird and beaver sanctuaries; and scenes of natural resources that should be preserved for future generations.

An open forum followed the lecture and lasted for five minutes. Dr. Van Deventer than closed the meeting with an announcement that the

Dr. Chas. Hart, '17 Adopts Philosophy Shelf Of Library

The Rev. Chas. A. Hart, '17, Ph. D., of the Catholic University of Washington, D. C., has adopted the Philosophy Shelf in the College Library and intends to help St. Viator build up a strong Philosophy section. According to an announcement issued by the Very Rev. E. V. Cardinal, C. S. V., Ph. D., president, and the Rev. F. Munsch, librarian, the Philosophy Department of the library will be known as the Dr. Hart Department.

Father Hart has already contributed two substantial donations to the Philosophy section of the library and the sincere appreciation of the College is expressed at this time by the VIATORIAN.

Papal Encyclicals Give Ciscans New Field of Activity

Twenty-three Viator Ciscans attended the Fall General Meeting of Cisca in Chicago on October 31. The auditorium of Mercy High School was filled with 1500 high school and college students who discussed Catholic Action as Cisca should apply it in current political and economic problems.

By the adoption of three resolutions, the organization went on record as favoring the spreading of Christian citizenship, the paying of a living wage, and the fighting of Communism. The Christian citizenship resolution insisted on the study and application of the principles of citizenship as outlined in papal encyclicals. By organizing a method of propaganda for furthering a living wage and by supporting firms that most closely approximate the payment of a living wage, Cisca began a drive against unjust wages. After studying the principles and propaganda of Communism, the students agreed that the Christian offensive should consist in studying, practicing and making known the Catholic program for Social Justice.

At the close of the morning session of the convention, the Most Rev. Bernard J. Sheil, D.D., V. G., Senior Auxiliary Bishop of Chicago and Director-General of Cisca, addressed the young men and women. He expressed satisfaction and pride in the work of the organization.

Edward Buttgen, '37, Apostolic Committee Chairman, was one of the officers who reported on the work of their committees at the opening of the meeting.

Rev. Cracknell Attends Meeting Of Registrars

The Rev. Wm. J. Cracknell, C. S. V., registrar, attended the Illinois Association of Collegiate Registrars annual meeting at Charleston Teachers' College, Charleston, Illinois, last week. According to Father Cracknell the success of the meeting was largely due to the efforts of Mr. B. J. Steggart of Loyola University, president of the organization.

Noteworthy lectures of the meeting were: "Curriculum of Chicago Municipal Colleges" by J. Anthony Humphries of Wilson College, Chicago; "The Basis of Accrediting the Chicago Municipal Colleges" by D. A. Grossman, Examiner of the University of Illinois Accrediting Commission; and "The Basis of State Certification of Teachers" by C. H. Engle, Secretary of the Illinois State Examining Board.

Through the kindness of Dr. R. B. Buzzard of Eastern Teachers' College, host of the gathering, the visiting registrars viewed the old home of Abraham Lincoln.

Delegates Are Named to Phil. Convention

The Rev. Wm. J. Bergin, C. S. V., LL. D.; the Rev. Jas. Lowney, C. S. V., and the Rev. J. E. Surprenant, C. S. V., will represent St. Viator College at the Annual American Catholic Philosophical Association meeting which will be held at the Hotel Sherman in Chicago on December 29 and 30 under the auspices of the Catholic Colleges, Universities and Seminaries of the Chicago area according to an announcement made by the Very Rev. E. V. Cardinal, C. S. V., Ph. D., president of the College.

The Presidential Address will be delivered by the Rev. John J. Toohey, S. J., while the Honorable T. V. Smith, State Senator of Illinois and a member of the Department of Philosophy at the University of Chicago, will speak on "Philosophy in a Democracy". It is also possible that the Rector of the Catholic University of America, the Rt. Rev. Jos. Corrigan, may address the members of the Association and their guests at the annual dinner on the evening of December 29.

Members of the Viatorian Province of the United States will meet at the College on December 21 to elect the delegates to represent them at the General Chapter. A discussion of the questions which will constitute the programme of the General Chapter will also be held.

A series of Round Table discussions on public questions of interest will be inaugurated over radio station WCFL on Sunday, November 15 at four o'clock, according to an announcement issued by the Very Rev. E. V. Cardinal, C. S. V., Ph. D., president of the college. The program will be a regular feature of radio station WCFL and will be of a half hour duration every Sunday afternoon.

The inaugural Round Table discussion will deal with the question of the "Proper Relations between Government and Industry". Three of the St. Viator College faculty members are expected to be the speakers on this topic. The Rev. J. W. R. Maguire, C. S. V., nationally known as an arbitrator of labor troubles and head of the department of economics, and the Rev. Dr. Wm. J. Bergin, C. S. V., head of the department of Philosophy and a nationally recognized authority in the field of Philosophy, have been named as two of the speakers for the inaugural program. The third speaker has not as yet been selected but in all probability will be another equally well-known authority.

From time to time members of the faculties of Notre Dame University, Loyola University and the University of Chicago will be presented on this program as guest speakers. The Rev. J. W. R. Maguire, C. S. V., will be in charge of all the discussions presented.

Beginning on Saturday, December 5, the Bergin Debating Society of the College will present a series of intercollegiate debates over radio station WCFL every Saturday evening from seven-forty-five to eight-fifteen. Both the time of the Round Table discussion and the radio debate hours are listed for Chicago standard time.

DeKalb University is scheduled to be the first radio opponent of the Viator debaters during the current series. At present it is understood that the question shall be "Resolved: that all electrical utilities should be governmentally owned and operated". According to Edward Buttgen, debate manager, St. Viator will

Anniversary Mass

A Requiem High Mass commemorating the second anniversary of the death of Monsignor G. M. Legris, D. D., P. A., for 53 years a teacher at St. Viator, was celebrated in the College Chapel on November 5. The Rev. William J. Bergin, C. S. V., LL. D., celebrated the Mass and spoke eloquently of the scholarly and Christ-like life of the deceased priest.

Father Bergin declared that the men who knew Monsignor Legris are today better for the association with a spirit as exalted and virtuous as was his.

Seniors attended the Mass in academic gowns.

Little 19 Leaders Give Opposition in Saturday's Tilt

Irish Will Be After Title —Also
Revenge For Defeat Suffered
Last Season

The strongest opponent the Irish have met this season will be encountered next Saturday when the DeKalb Profs, leaders of the Little 19 conference race, attempt to repeat their smashing conquest of last year when they defeated an inferior Viator team 27-0 on the occasion of the DeKalb homecoming.

The Profs have an extremely versatile, veteran line and a tricky backfield which can execute with precision the deceptive plays of Coach George Evans. Viator fans undoubtedly remember the quick-opening plays the Northerners sprang on a confused Viator line last fall and expect this year's edition to be able to stop this mode of attack. Coach McNamara, who captained the DeKalb team in 1930 and won a guard berth on the conference all-star eleven, is not so optimistic. "Evans will save his bag of tricks for us", mourned Mac, "as our game is the last of the season for his team."

Negro Star

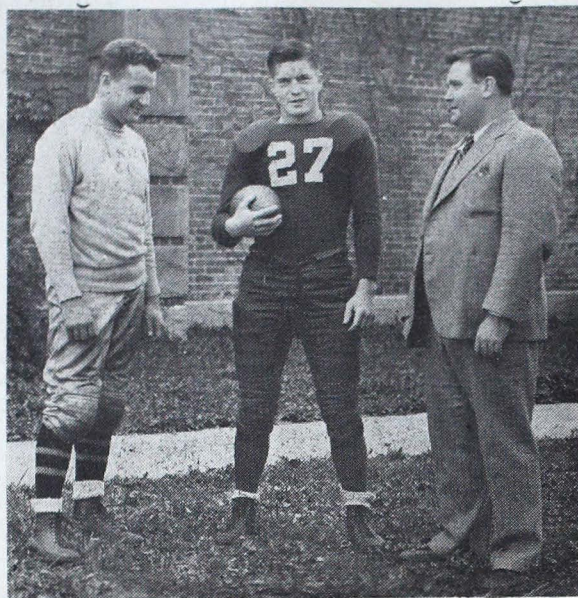

The star of the DeKalb attack is Chester Davis, colored sophomore quarterback, who carries the ball 75 per cent of the time. The dusky lad has much the same running style of Reino Nori, the former Prof four sport star, who was a constant thorn in the sides of Viator teams. Davis is speedy and once he gets into the open field is a slippery runner and one of the cleverest backs the Irish will face this fall. The opponent's line is one that will cause the Green Wave forwards plenty of trouble on both offense and defense. Karl Hein, and Chuck Couch, 265 pounders are the DeKalb tackles and have been stand-outs in every game.

"Tego" Larson is one of the finest ends in the state loop while the rest of the line is on a par with any that Viator has met this season.

The Viator coaches have been patiently drilling the regulars in an attempt to regain the fighting spirit which was prevalent in the early games. The first team has been sluggish in the last two contests and "Mac" has threatened to make drastic changes in the starting line-up if necessary to produce the offensive punch needed to defeat the Profs.

"Mac" was pleased with the performance of the second team in the McKendree game and was even more elated when the subs playing the regulars off their feet by a 6-0 score in a regulation game on Bergin Field; this affair was a knock-down, drag-out battle and may be the basis for advancements to the first string of more than a few reserves. McNamara is always willing to give his regulars another chance, however, and is non-committal regarding his starting lineup. One

Irish Grid-Iron Leaders

With the prospect of dropping DeKalb from the championship race, Coach McNamara, Captain Tom Gibbons, and Coach Lou Zarza get together often like they are pictured above and talk over new plays which they hope may win the game this Saturday.

Pugs Start Training For Current Season

St. Viator College will have a boxing team, this time a bigger (and we hope) a much better outfit. The initial call brought out only two veterans of last year, Herbie Fields, in the 118 pound class, and Don Morgan in the 160 pound division. However, Coach Lou Zarza, who succeeds Brother Ed DesLauriers as mentor, is hoping to uncover a Dempsey or two in a large group of inexperienced but willing battlers. Most of this group was recruited from the Freshman class, and includes such hopefuls as Mullarkey, Soucie, Valentine and Tomaso in the lighter weights; Bach at 147, McGowan and Leeson at 160, and Pat Bimmerle at 175.

At the present date about fifteen candidates are working out in the gym, taking off the necessary pounds on the punching bags, the track, and that old standby, shadow boxing.

Ross Mullen and Jim Hamilton have been appointed managers, and have contacted Michigan State, St. Norbert's, Illinois Wesleyan and Wisconsin in regard to matches.

Coach Zarza, with two years of intercollegiate boxing at Michigan State behind him, should be able to mold a very workable string of scrappers from the material at hand, especially if the candidates continue in their efforts to trim off the surplus weight and get in the pink for a tough grind.

thing is certain, and that is that the outfit which starts will be fighting for a chance to cop the Little 19 title.

Steamrollers Snare I-M Football Title

Hart's Steamrollers won the Intramural football crown, triumphing over Minnies' Mitzies in a spirited struggle, 6-0 on Thursday, October 29. It was the stubborn defense of the Steamrollers which accounted for the victory. A hard charging line composed of Brady, Watson, Moss and Sandquist hurried the passer and bottled up the Mitzie speedster, Eddie Dilger. Offensively the Steamroller trio of Hart, McElligot and Murphy were the stand-outs while the play of Willis and Minnihan of the Mitzies averted further scoring. The lone score came in the third quarter on a short pass from Murphy to Hart.

Resume

Minnies Mitzies opened the second round on Monday, October 26, with a 12-6 triumph over the hard fighting Sandhuber Wolves in the most thrilling game of the tournament. The Mitzies did all their scoring in the first half with Herlihy and Dilger chalking up touchdowns. A fierce attack by the Wolves in the second half resulted in one touchdown and they were headed for another when the final whistle sounded.

After drawing a bye at the opening of the second round Hart's Steamrollers triumphed over Melonig's Panthers by a 12-6 margin. The Panther's touchdown, made by Yacullo, was the only score against the Steamrollers in 6 games. Murphy scored first for the Steamrollers on McElligot's long pass, while Brady counted the winning touchdown taking a short pass from Hart.

Wave Swamps 'Cats For Initial Little 19 Victory, 24 to 0

Chee-Chee And Blazeovich Lead
Touchdown Parade As Irish
Subs Star

With a reserve team replacing the regular Green Wave gridders and proving to be their equals in scoring and all-around play, the Irish made a successful debut in 1936 conference play by walloping the strong McKendree Bearcats by a score of 24-0 to dampen the "Downstaters' homecoming celebration and to gain revenge for the humiliating 22-6 victory scored by McKendree last season at Kankakee.

Once in the initial canto the Green Wave rolled over the hapless Bearcats, crossing the goal on a pass from Bill Walsh to Danny Blazeovich, scrappy Viator right end; in the second quarter, Luke Gleason tossed one to "Chee-Chee" Ciesielski in the end zone to bring the score to 12-0. "Buck" Weaver banged the ball over from the 1-yard stripe after Cashman had brought the ball to that point on a pass from Gleason late in the third period. In the final session, the regulars returned and Blazeovich chalked up the final Irish counter when he took a pass from Walsh and sped down the field in a sixty yard jaunt for six more points.

Subs Star

The performance of the second stringers was especially noteworthy, their work receiving the praise of the officials and other coaches present. They were in the fray half the total game time, and the "Hamburgers" repeatedly broke through the highly touted, veteran opponent line to smear the smashing line bucks and off-tackle shoots of Coach Sandy Blanchard's proteges, who were helpless in the face of the fiery, determined group of substitutes, some of whom may hold first team berths in the next game.

The Irish were unable to display their usual effective running attack, but easily made huge gains via the aerial route. Also noticeable was the lack of an effective place-kicker, Viator losing four points by failure to convert kicks that may in the future spell the difference between victory and defeat.

In the matter of first downs, the Green Wave ran up 21 to the 4 compiled by the Bearcats of McKendree, making 12 in the first half and 9 in the final half. The Bearcats made two first downs in each half. McKendree's first downs came as follows: two from passes, one from penalty, and the other on a line smash. Viator has one of the strongest lines it has had in many decades as is evidenced by the number of first downs opponents have made through it this season. To date only 12 first downs have been scored through the Irish line and seven of these were made against the reserves.

Green Knights Down Irish In WestDePere, 9-7

Linemen Outstanding Stars as Game
Is Played On Soggy Field

The Green Knights of St. Norbert College closed their home schedule with a 9 to 7 homecoming victory over the Irish at De Pere on Sunday afternoon. It was the victor's fifth consecutive win and the second loss of the season for the Green Wave.

Midway in the first quarter the Knights scored three points on Smith's field goal from the 25-yard line. The ball was brought into position on an intercepted pass. The St. Norbert touchdown also came as th result of the alertness of the linemen who repeatedly dropped back to break up the Viator passing attack. Breitenstein, Norbert end, snared Walsh's pass and raced 30 yards to the Irish 20 before being caught by Morenc on the 20 yard line. Three plays later Finke plunged over for the Knights touchdown. Morenc blocked the attempted place kick.

In the third quarter the Green Wave surged 60 yards down the field for its lone score of the game. Bob Lenahan, smashing fullback, sliced over his own right tackle and raced 37 yards for the touchdown. Joe Saia, guard, was called back to make the extra point.

Alertness on the part of the entire Norbert team repeatedly broke up the Viator passing attack, while some marvelous punting by Finke kept the Irish back in their own territory for the majority of the first half and part of the second. In the matter of playing ability both teams were about equal. Viator made 8 first downs and Norbert had 7 to its credit; the Irish collected 3 to 4 in the first half and 5 to 3 in the second half.

The outstanding feature of the game was the slashing, driving attack of the Viator linemen. On defense they repeatedly broke thru the heavier Green Knights forward line and threw the Norbert backs for long losses. Joe Saia, converted guard, was the outstanding player in the Viator line, while Gibbons starred in the backfield.

Ray O'Connor, manmouth Irish tackle, was the only Viator player to suffer injury. O'Connor, hurt in the second quarter, was forced to leave the game. He is expected to be ready for the DeKalb game next week. McNulty, shifty Norbert back, it is feared, suffered a slight concussion when he tackled Walsh and they both crashed into the sideline fence.

On the whole the game was the toughest the Irish have had this season being marked with hard, vicious football by both teams. The intense rivalry which has developed in the last two years argues well for the continuance of athletic relations between the two colleges as they are certainly in the same athletic class.

of capable reserves has hindered Millikin's success this year. The adoption of the freshman rule is partly to blame for this condition.

MONSIGNOR G. M. LEGRIS

Next June Viator will graduate the last class to have studied under the Venerable Monsignor G. M. Legris, the second anniversary of whose death was marked on November 4. A devoted teacher, an ardent disciple of Truth, a fervent priest, Monsignor Legris gave his life to two generations of Viator men. The world recognized his greatness and paid tribute to his learning. But Monsignor was more than a scholar. The men who knew him paid tribute also to his character. In the minds of the students he taught, he lives on, his life, an inspiration, his memory, a benediction.

But with next June's graduation, the spirit of Monsignor Legris will not leave the campus. A life exemplifying Christian ideals, a teaching exalting humanitarian principles leave impressions to profound to be erased by passing years. The adherence to Truth and Goodness which the Monsignor preached and followed will influence students of tomorrow as it does today.

A SOUND MIND IN A SOUND BODY

At a time when educational institutions throughout the land are paying lip service and little more to the ancient Latin proverb, *mens sana in corpore sano*, it is refreshing to find the authorities of St. Viator College taking steps to translate that time-approved maxim into reality.

A policy inaugurated recently not only permits but encourages the use of the school's athletic equipment by all undergraduates. Every inducement for drawing the students to a widespread participation in physical activity is being employed. Student managers are available throughout the day to issue up-to-date athletic equipment upon request. Success of the project now depends upon the reaction of the student body.

The opportunity to build a sound body is no longer the divine right of the star athlete but becomes the privilege of all. The forward-thinking student will welcome that privilege.

Dedication of Lewis Chapel at Sanitarium October Twenty-First

His Eminence granted permission for 40 hour devotions in the chapel. The first of these services will be held in November by the Rev. J. E. Belaire, C. S. V., and the Rev. A. J. Tardif, C. S. V., co-chaplains.

Music for the dedication and for the Pontifical Mass was furnished by the boys' choir of St. Viator Church of Chicago. Brother Koelzer, C. S. V., director of the St. Viator parish choir, served as organist during the dedication ceremonies.

Rev. P. Armstrong Ordained Nov. 8

The Reverend Patrick A. Armstrong, C. S. V., was ordained to the Holy Priesthood by His Excellency, the Most Reverend Michael J. Keyes, S. M., D. D., Bishop of Savannah, Georgia, on Sunday, November first in the Marist College Chapel, Catholic University of America, Washington, D. C.

Music Dispels Coeds Gloom Now-a-days

The coeds these days are thanking the considerate benefactor who recently placed a victrola and a large selection of varied recordings in the Sorority Room. The instrument not only offers a means of amusement for recreation hours, but adds much to the appearance of the quarters.

A newly acquired baby-grand piano also gives the room a rich and decidedly well-apportioned atmosphere. Pleased with the additions, the coeds are now planning further improvements. One young lady summed up the coed attitude as, "If more rugs and furniture can be obtained, we shall soon be able to gather in the Sorority Room for a real fireside chat."

In a recent exchange of books with a Chicago firm, the Library has acquired some seventy-five new volumes. All are on the Shaw-Carnegie List.

Watch the exhibition case for an occasional change in the display of rare volumes, de luxe editions and MSS.

Thanks to Dr. G. Kinzer for a very useful volume on Physics, by Spinney.

Two new prints have been hung on the walls of the Library. The one, "Jambor's Last Supper", from the pure pictorial, is a masterpiece of realistic but refined portrayal. From the aesthetic point of view, in this picture the problem of lighting is most interesting and significant.

The other, "Cardinal Newman", by James Britton, is a new study of the great Churchman. Burdened with years, deserving rest and peace, the artist has here portrayed lovingly, if with modern draughtsmanship and coloring the latter days of the "Serene Cardinal". Sincerity and righteous conviction, keynotes of his noble life, are delineated in this portrait.

The following are some of the new titles, from 300 added to our shelves since September:

Age of the Gods, by Christopher Dawson.

Microbe Hunters, by Paul De Kruif.

The Criminal and His Allies, by Marcus Kavanagh.

British History in 19th Century, by J. A. O'Brien.

Forty Years of Scotland Yard, by F. P. Wensley.

Oxford Movement, by Christopher Dawson.

The Philosophical Basis of Biology, by J. S. Haldane.

Science and Common Sense, by John Langdon-Davies.

Notes on a Cellar-book, by G. E. Saintsbury.

Life of Leo the Tenth, by William Roscoe.

An Anthology of World Poetry, by Mark Van Doren.

The Philosophy of Science, by Fulton Sheen.

Briefs From Our Viator Club Chapters

Ssuningkai, China—Word from our Chinese Missionaries, the Rev. R. Drolet, C. S. V., and Brother John Ryan, C. S. V., tells us that they are well and that the work is very congenial to them and every day speaks of new triumphs of the Faith. A new building to house their young Chinese pupils has been erected at Ssuningkai. Father Drolet has under his direction a faculty of six brothers of the Clerics of St. Viator.

Council Bluffs, Iowa—T. D. Sullivan, '17, formerly a star debater, football player and baseball hero, as well as secretary to the Rev. J. R. W. Maguire, C. S. V., is now practicing law here. "Sully" is a partner in the law firm of Galvin, Byers, and Sullivan.

Kankakee, Illinois—Charles Roach Murphy, '30, of Minneapolis, Minn., son of Mr. and Mrs. Charles Murphy, of Kankakee, Ill., was married Saturday, October 31, at St. Patrick's Church to Miss Martha Storrs Wheeler, daughter of Mrs. Hamilton H. Wheeler and the late Attorney Wheeler.

The ceremony was performed by the Rev. Francis Corcoran, C. S. V., a classmate of "Chucks".

Kankakee, Ill.—Miss Mary Cruise of Kankakee, and Mr. Edward Hunt of Chicago, recently announced their engagement. The young couple will be married on Thanksgiving Day at a Nuptial High Mass in St. Patrick's Church of Kankakee, Illinois, at eight o'clock.

Miss Cruise was one of the outstanding students of the campus during her four years of undergraduate work. She received a straight "A" throughout her collegiate career and graduated in 1935 with a Bachelor of Arts Degree. Miss Cruise, besides being an outstanding student, held many class offices as well as being secretary of the College Club for three years and an excellent addition to the Dramatic Club.

Edward Hunt obtained his degree of Bachelor of Philosophy in 1933. A member of the varsity football squad for four years he was named its captain in 1935 and secured an all-state mention that year. Since graduation Edw. Hunt has been working for Johnson and Johnson, of Chicago. Recently he was named head of the Sales Department of the Hospital Equipment.

Miss Cruise is at present employed by Swift and Company of Chicago, Illinois, as a private secretary.

Champaign, Ill.—The following letter has been received in the VIATORIAN office. We hope that the "Illini Chapter of the Viator Club" will be an inspiration to other alumni groups who have failed as yet to organize.

October 6th edition of the VIATORIAN regarding a Viator Club Chapter at Urbana. I thought the best way to get the thing really started was to inject a little serum called "pep" into this embryonic chapter, so-called. I talked with Fr. Walsh and he has signified his willingness to be our moderator. I then got in touch with all the fellows here from St. Viator's, about fifteen, and arranged to have our first meeting in the International Room at Newman Hall on October 21, which I thought was fitting, it being the feast-day of St. Viator. Incidentally we call ourselves the "Illini Chapter of the Viator Club". The next thing is to keep the embryo alive. I hope you have some suggestions and that you send them on. We no doubt will elect officers at our first meeting and I'll make a motion that our secretary keep in touch with the VIATORIAN.

Well, Bill, I guess this gives you all the present news so will close with every wish for your success.

Washington, D. C.—The lay alumni of St. Viator College residing in the Nation's Capitol organized a Viator Club on October 16 for the purpose of promoting a closer relationship among their number.

Edward E. Gallahue, '27, who has in the past sponsored numerous informal gatherings of Washington alumni, was unanimously elected president of the club. It was agreed that regular bi-monthly meetings would be held at the call of the president and that it was desirable to continue the informality which has characterized previous gatherings, rather than prescribe any fixed order of business. Special meetings will be held when circumstances warrant.

While the new club is a lay group, a close relationship will be maintained with other Washington alumni who are members of the clergy and are teaching or studying at the Catholic University of America.

In addition to Mr. Gallahue, other charter members of the club are James J. Dougherty, '08; Paul A. Clifford, '24; Francis R. Donohue, '24; Warren J. McClelland, '28, secretary; J. Allen Nolan, '29; Armand J. Lottinville, '31; Kenneth Clothier, '31; J. Burke Monohan, '32; John J. Nolan, '32; Mary Ellen Smith, '33; Charles C. Byron, '34;

Coed Chorus Added To Choral Group

A Girl's Chorus of the Choral Club was formed under the direction of the Rev. M. P. Loughran, C. S. V., musical director, on Tuesday, October 27 in the Coeds Room.

The nine coeds, whom Father Loughran has selected after a rigid voice test, are the Misses Ethyl Johnson, Evelyn Doran, Patricia McLaughlin, Patricia Smith, Marian Hanson, Lucille Hartman, Claire Legris, Louise Legris, and Doris Barnett.

According to an announcement of Father Loughran the Girl's Chorus will make its debut on November 24, when the Choral Club is scheduled to entertain the student body in the Commons Building. Weekly practices will be held.

Wranglers Select New Officers

Brother Patrick Toomey, '37, was raised to the presidency of the Bergrin Debating Society at a meeting of the Wranglers on October 22. Eugene Larkin, '38, was named secretary of the society.

Taking his place among the debaters for the first time last year, Brother Toomey immediately convinced the organization of his high forensic powers. With a pleasing and persuasive voice, he combines keen, analytic reasoning. He made frequent appearances over radio station WCFL on the Viator Debate Hour last winter.

Larkin, beginning his third year of debating, has shown much interest in current economic and political problems. He is known in the society as a confirmed affirmative man, always ready to advocate any proposed change.

The two elective offices in the society are regarded as tributes from the debaters to the men named to the positions.

North Central's chief hope rests with Co-Captain Hellman the triple threat quarterback, who does most of the ball-carrying, handles all the punting and passing duties as well as calling signals and directing team play.

Choral Club Will Entertain Nov. 24

The Choral Club, according to an announcement of the Rev. M. P. Loughran, C. S. V., director, will make its local debut of the current season on November 24 in the Commons Building.

In issuing this bulletin Father Loughran stated that the male chorus of the Choral Club would not take part due to the fact that they have such a short time in which to prepare for the annual Christmas program which is presented over radio station WCFL on Christmas Eve.

The November 24 program will consist of selections by the newly formed Girl's Chorus; songs by the Choral Club Male Quartet; instrumental solos; and a guest soloist or two. The program will be further enhanced by a few novelty numbers from new members of the organization.

Besides a number of scheduled radio engagements plans are being formulated for an operetta to be given in conjunction with the girls of St. Francis College, Joliet. Definite information concerning this production is not available.

Dan Murphy Heads Sophomore Class

At a recent meeting of the Sophomore Class, Daniel Murphy, of Farmer City, Illinois, was elected president for the ensuing year. John J. Hart of Chicago, was named vice-president. Richard Ronan of Chicago and Vincent Murphy of Canton, Illinois, were named for the secretaryship and treasurerhip respectively.

SORORITY NOTES

Definite plans for the Sigma Upsilon Sigma annual homecoming dinner have been completed and are released at this time. On Sunday, November 8 the Sorority will meet at the Oberlin Hostess House and, according to the number of acceptances being received daily by the Sorority secretary, there will be a real reunion of mammoth proportions. For many, this will prove to be their first appearance since "college days". The Rev. F. E. Munsch, C. S. V., moderator, is to be the honored guest of the banquet.

The coeds of St. Viator were well represented at the twenty-ninth General Meeting of Cisca which was held at Mercy High School of Chicago on the eve of All Saints Day. Miss Mary Anthony, '37, president of the local Ciscan organization and whom, incidentally, we welcome after her long absence, was a delegate as were the Misses Louise Legris, Patricia McLaughlin and Claire Legris.

The members of the Sorority wish to take this opportunity to thank the Alumnae members who contributed in one way or another to make the Social of October 20 successful.

Chicago—The Viator Club of Chicago, recently completed plans for their first large social event of the year. This supper dance will be held in the Florentine Room of the Congress Hotel on Saturday evening, November 28.

At a meeting of the club held at the Maryland Hotel in Chicago on Monday, November 2, three hundred tickets for the dance were passed out to the members.

Bids are priced at four dollars a couple and tickets at Saint Viator College will be in charge of George Rogers, College Club President. Dancing will begin at 9:30 and will continue to the wee hours of the morning. Supper will be served in the Florentine Room at the stroke of midnight.

Joseph McGovern, '28, President of the Viator Club and in charge of all arrangements for the Dance, extends an invitation to all students

at St. Viator College to attend. In addition to dancing to the suave music of Carl Schreiber and his orchestra and also of partaking of the delicacies as prepared by the world renowned Congress Hotel chefs, there will also be the chance of meeting old friends and alumni.

The Viator Club of Chicago in its efforts to more closely unite the alumni of the College have started a monthly luncheon. The first luncheon of the year was held at the Hotel Harding, 19 North Clark Street, on Wednesday, October 21. Enheartened by the initial turnout, the Club will hold the second of the luncheons at the same place on Wednesday, November 18.

All alumni are invited to attend.

In their attempt to help St. Viator College, the Viator Club of Chicago is attempting to gather a group together and attend the St. Viator-DeKalb football game at their Alma Mater on November 14. Knowing that the team is one of the best turned out of the College in recent years, the Club is behind Father Harbauer in his efforts to create an active athletic alumni group and all alumni are urged to make returns on their tickets as soon as possible.

Champs Hold Lead In Bernard Hall

When speaking of the various champions of the campus activities we should remember to goff our hats to the Rev. Richard French, C. S. V., and Brother Clarence Cain of St. Bernards Mall, who for the second time have successfully defended their bridge championship against all challengers in St. Bernards Hall.

Out of a field of nine teams, the defending champions emerged on top with a total of 17,360 points. Second place honors went to Brothers Senesac and Williams with a total of 16,660 points while third place was garnered by Brothers Toomey and Kelly with a total of 16,250 points.

Contract bridge was played throughout the entire tournament which, incidentally, lasted a week. Plans are already under way for the third bridge tournament which will take place sometime during the second semester of this scholastic year.
