BOURBONNAIS ILLINOIS, TUESDAY, NOVEMBER 24, 1936

NUMBER 4.

## World Prepares for War Declares I.R.C. Lecturer

Rev. J. W. R. Maguire's Suggestion That Club Join C. A. I. P. Is Adopted By Members

"Peace" was the subject of an address by Miss Betty Proctor, of the Emergency Peace Campaign, at the opening of the International Relations Club on November 16. Many members of the local community joined the student body in the south library to hear the guest speaker.

"One of the principal reasons for our entrance into the World War, we were led to believe, was to make the world safe for democracy," Miss Proctor insisted. "Did the war accomplish that purpose? A survey of the nations today would hardly show that it did. There are 350,000,000 people living under a dictatorship, and only 25 per cent of the world's population is under any form of democracy. To make the situation even worse, those types of democracy now existing are not strong. Even here in the United States, it is limping badly.

"Again, we were told that the war was fought to end war forever. Men were sent to fight for what they thought to be a noble end. But how mistaken they were, and how low has that 'purpose of war' sunk. For a second time, look at the world of today. Can anyone say that there is one country in the world that is not in some way preparing for or thinking about war? Japan and China are at sword's point. Russia has the largest army in the world, and proud of it. Germany has made large appropriations for war. In Italy one out of every six persons is prepared to fight. England is building up and strengthening her already strong navy. France has recently appropriated more money for war. Spain is in the midst of civil strife. Yes, Europe is a hot and dangerous spot.

### America Prepares

"But even in our own country, war preparations are going on. In 1933, 75 per cent of every tax dol-

(Continued on Page Two)

## Thirty-four Seniors Apply For Degrees

A pro-seminar class for the 34 seniors who have made applications for degrees was started just recently under the direction of Professor Michael Moloney, head of the English Department. Seniors expecting to graduate are compelled to attend this class which meets once a week and will continue for approximately eight weeks. Failure to attend one or more of the classes entails the loss of an equal amount of time in the major subject of the offender.

The Rev. Leo Phillips, C. S. V., Ph. D., dean of studies, announces that the number of applications made for degrees far exceeds those filed in previous years. According to Father Phillips, the Class of '37 will be the largest ever to graduate in the history of the College, even though a few of the applicants will have to wait until after the summer session of school to receive their degrees.

## S. Hamilton, '37 Elected Leader of Science Group

Samuel Hamilton, '37, a chemistry major from Chicago, was elected the first president of the Science Club at the regular monthly business meeting on November 16. Other officers who were elected are: Charles Gilbert, '39, a student in the physics department, to the vice-presidency; and James Hamilton, '39, a biology major and brother of the newly elected president, as secretary-treasurer.

The business meeting was followed by two interesting demonstrations which were presented by the members of the biology department and the physics department. Brother Robt. J. Schoffman, C. S. V., assistant to Dr. Wm. C. Van Deventer in the Biology Department, performed an experiment illustrating the nervous system of a dog. Brother Schoffman used a live dog as the subject of his illustration, having previously to the operation chloroformed the "victim" of science. The nervous system and reactions of the dog were demonstrated along with the formation of the various visceral organs.

Following this interesting experiment by the biology department, Dr. G. Kinzer of the Physics Department explained the use of the Stroboscope and minutely described its intricate mechanism. The Stroboscope was then focused on a moving object. This produced an illusory phenomena and to those who peered through the Stroboscope it appeared that the mobile object was actually stationary. Another demonstration of the powers of the Stroboscope permitted the students to actually see an invisible light that was projected upon a mobile object.

In closing the meeting Samuel Hamilton announced that the next meeting of the Science Club would be held on Friday, December 11. The Rev. Eugene Hoffman, C. S. V., co-moderator of the Science Club, will be the lecturer on that evening. Father Hoffman's topic will be "Recent Discoveries in the Field of Chemistry."

## Kankakee Study Club New Ciscan Project

The St. Viator Ciscans held their first Spiritual meeting of the year on November 14 when the members of the local unit met in the College Chapel to recite the Little Office of the Immaculate Conception. Miss Mary Anthony, president of the organization here, led the prayers. Spiritual meetings of a similar nature are planned for the first Wednesday of each succeeding month.

(Continued on Page Four)

## Richard Powers Is Elected Holy Name Society President

Moderator Urges Members To Catholic Action

The St. Viator Branch of the Archdiocesan Union of the Holy Name Society met on Thursday, November 12, and elected officers for the current scholastic year under the guidance and direction of the Rev. Paul Hutton, C. S. V., moderator. The members of the organization were administered the Holy Name pledge in the College Chapel on November the sixth.

The officers who were chosen to guide the destinies of the society for this year were: President, Richard Powers of Chicago; vice-president, Patrick Bimmerle of Chicago; secretary, Alphones Monahan of Chatsworth; and treasurer, John Heery of Chicago.

### Moderator Speaks

While the ballot was being counted, Father Hutton explained the purpose of the Holy Name Society and impressed upon the members the importance of having a formidable body of active Catholic men during these turbulent times, when fundamental values based upon our Christian morality are being challenged on every side. "The attacks of our enemies can be repulsed successfully only through force of numbers and effective Catholic ac-

(Continued on Page Six)

## Students Attend Peace Convention

A delegation of St. Viator students, all members of the International Relations Club, the local Peace Organization on the campus, attended the Mid-West Peace Conference at Rosary College on November 20. The Rev. J. W. R. Maguire, C. S. V., head of the department of sociology and economics, was in charge of the delegation composed of Misses Claire Legris, Louise Legris, and Patricia Smith, and also delivered the final address of the conference. Father Maguire's topic was entitled: "Catholic Principles in World Problems."

This meeting was the initial step in the organization of the Catholic students of the middle west in the cause of international peace and was conducted under the auspices of the Catholic Association for International Peace. This middle western section of the C. A. I. P. includes the States of Kentucky, Ohio, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, and Wisconsin. Other sections are located in New England with headquarters at Holy Cross College, Middle Atlantic, with headquarters at St. Elizabeth's College, Convent Station, New Jersey. Other student sections which have yet to be organized are the Western, Pacific and Southern.

### Mrs. Roosevelt Attends

Mrs. Eleanor Roosevelt, wife of the President of the United States, attended this, the initial meeting of the middle west section of the C. A. I. P. Mrs. Roosevelt spoke briefly of the work which could be done by the new section and congratulated the Catholic students upon the

## Choral Club Presents Its Initial Musical Harvest

Coed Chorus and Lambert Paulissen to Feature Tonight's Program Says Choral Director

## Debaters to Meet Univ. of Purdue Today In Indiana

The six men who will represent St. Viator on the forensic platform in all the early winter debates were named by the Rev. J. W. R. Maguire, C. S. V., debate coach, late last week.

Appointment of Bro. M. Robinson, '40; Harold Bunte, '39; and Bro. M. McLaughlin, '39, to uphold the affirmative of the government ownership of electric utilities will send two experienced men against Purdue University at Lafayette today. Bro. McLaughlin established himself as a debater here two years ago, and Harold Bunte began a promising career last year. Bro. Robinson is new to the Viator rostrum. The same men are scheduled to meet a Northwestern negative team on December 7 at Evanston.

### Negative Team

A negative team composed of William Mayo, '40; Daniel Ward, '40; and Edward Buttgen, '37, will clash with men from Purdue immediately after the Thanksgiving recess, and will debate Northwestern University's affirmative team on December 11. Mr. Buttgen, for three years a conference debater, is the only experienced man in the group and will be debating a negative proposition for the first time in his career.

The early winter proposition, as adopted by the Mid-West Debate Conference, reads: "Resolved: That all electrical utilities should be owned and operated."

The same question will be used

(Continued from Page Two)

## J. B. Cahill, '39, Heads New Engineering Club

At a recent meeting of the Engineering Club of the College, John Cahill of Chicago, was unanimously elected president. Jack Burns of Pekin was named to the vice-presidency, while Brother William Quirk, C. S. V., and Brother Cyril Peckham, C. S. V., both of Bourbonnais, were elected to the secretaryship and treasurer'ship, respectively. Albert Magdecki of Chicago, was appointed sergeant-at-arms and Dr. G. Kinzer, head of the Physics Department, was named moderator of the club.

According to the members of the new organization it will attempt to promote interest in Engineering among those connected in that field of study. The club will be restricted in membership to students who are enrolled in the engineering courses.

Dr. G. Kinzer, moderator of the organization, announced at the first meeting that short talks on various topics connected directly with engineering problems will be regular features at the monthly meetings.

The curtain will go up tonight on one of the most appealing and entertaining Musical Harvest parties ever staged on the local campus. Under the direction of the Rev. M. P. Loughran, C. S. V., the Choral Club will present an informal and varied program of vocal and instrumental solos and group singing.

The featuring of a girls' chorus, composed of 12 members of Sigma Upsilon Sigma, marks a distinct departure from former Viator musicals. Custom has placed coeds in the background of previous programs, but the director insists that he has this year a group of girls with superior vocal talents, and he intends to give them every opportunity for displaying their abilities.

Mr. Lambert Paulissen, of Kankakee, who sang with Viator chorals three years ago, will return to the campus tonight to offer several selections. He is known in this vicinity for fine solo work.

The male Choral Club which normally would have opened the winter music season is now focusing its attention on a Christmas appearance. Father Loughran has been directing 30 men through rigorous practice for several weeks.

In an attempt to vary the selections and to offer a pleasing program, the director has drawn from classic, semi-classic and popular masters. The idea behind the party is the offering of "the bountiful harvest of music" to the public.

The program to be presented follows:

- (1) Prelude in C Minor—Rachmaninoff.
- Romance—Sibelius.
- Piano Solo by James Higgins.
- (2) Mighty Lak' A Rose—Nevin.
- Glow Worm—Lincke.
- Girls Chorus.

Soprano: Mary Anthony, Doris Barnett, Marion Hanson, Lucille Hartman, Ethyl Johnson, Caroline Voight. Altos: Evelyn Doran, Claire Legris, Louise Legris, Patricia Mc-

(Continued on Page Two)

## Sorority Social On December Fourteenth

Sigma Upsilon Sigma Sorority, according to an announcement made by Miss Claire Legris, '37, president, will entertain the student body on December 16 in the Commons Building with another social. As yet, committees in charge of the arrangements for the affair have not been named but the social has been named as a Christmas Party.

The Misses Lucille Putz, '37, and Agnes Stelter, '34, acted as co-hostess of the Sorority on November 17 at the home of Miss Putz. The sorority president, Miss Claire Legris, was empowered by the members of the sorority to secure bids for a sorority pin.

Refreshments were served after the regular business meeting. Plans for another business meeting to be held in the Coed Room on December 16 are now under the consideration of the Sorority officers.

# Viator Provides Lively Radio Discussion Hour

**Philosopher, Economist and Business Leader Debate The Proper Relations Between Government and Industry**

"A totalitarian state cannot create anything in the end except a nation of slaves," declared the Rev. Dr. William J. Bergin, C. S. V., head of the Department of Philosophy, while discussing the question, "Proper Relations Between Government and Industry," with Mr. Victor Olander, Secretary-Treasurer of the Illinois State Federation of Labor and the Rev. J. W. R. Maguire, C. S. V., head of the department of Sociology and Economics, in the Viator Round Table discussion over radio station WCFL on Sunday, November 15. The discussion, the first of a series, was directed by Father Maguire, who is a national authority on labor problems.

Father Bergin stated that political parties have little significance or worth other than functioning as public agents of public welfare. He lauded "life, liberty and the pursuit of happiness" as the correct foundation for the State and condemned the totalitarian state of fascism and communism.

"Man has certain rights," continued Father Bergin, "which he does not derive from civil sources but which are God-given or natural rights. Since the State does not confer these rights they cannot be taken away by the state unless the individual forfeits them," he asserted.

Mr. Olander discussed the fundamentals of the government of the United States as laid down in the Declaration of Independence. He emphasized particularly the necessity that each citizen live up to the spirit of government contained therein.

Father Maguire introduced the speakers and submitted an occasional question. At the conclusion of the discussion Father Maguire requested the radio audience to send in their comments and criticisms directly to him.

The same speakers will continue their timely discussion next Sunday over station WCFL between the hours of four o'clock and four-thirty o'clock central standard time.

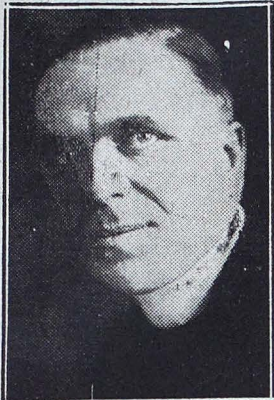

## Senior Fall Frolic Declared Successful

The success of the Fall Frolic held in the college field house on November 14, according to Edward Buttggen, senior class president, completely surpassed all expectations.

The music, which figured greatly in the success of the dance, was furnished by a local orchestra—Earl Betourne's "Earls of Sweet Swing".

The profits of the affair are to be used to promote the traditional senior dinner dance, which will be held on June 5, the eve of graduation.

### RADIO LEADER

Rev. J. W. R. Maguire, C. S. V.

## New Officers Selected To Lead I. R. C. Club

William J. Schumacher, '37, of Chicago, editor of the VIATORIAN, was unanimously acclaimed president of the International Relations Club at the first business meeting of the organization. Miss Mary Anthony, '38, of Beaverville, was similarly named the club's secretary.

The students met to elect their officers apparently with no preconceived preferences. Suggestions lagged as nominations were opened, but the meeting was satisfied as soon as the name of Mr. Schumacher was put forward. He was elected by acclamation. Miss Anthony, who served as secretary last year, was likewise unopposed to succeed herself.

Mr. Schumacher succeeds Shirley Lane, '36, of Kankakee.

## Debaters To Meet Purdue Wranglers

(Continued from Page One)

when two St. Viator wranglers, Benjamin Ashner, '40, and Edward Buttggen, '37, open the weekly radio debates on December 5. The opening debate over radio station WCFL will see the Bergin Debating Society members pitted on the negative side against the Northern Illinois State Teacher's College of DeKalb.

University of Illinois will send four men to Bourbonnais on December 15 to debate two local teams on the extension of consumer co-operatives. August Black, well-known here, is expected to be one of the Illini representatives.

## Miss Anthony Talks To Kankakee Group

In the absence of the Reverend W. J. Cracknell, C. S. V., Miss Mary Anthony, '38, president of the local Cisca unit, conducted the Kankakee High School Catholic Study Club, last week. Miss Anthony led a discussion of the current civil strife in Spain.

The study club is a part of the catechetical work being sponsored by Cisca in Northern Illinois. The local project was initiated in Kankakee last year and was marked by exceptional success.

## World Prepares For War Declares Lecturer

(Continued from Page One)

lar was spent for military purposes. In other words, 75 per cent went for destructive purposes, while only 25 per cent went for constructive ones. Since 1933 great appropriations have been made, until today the government is spending \$3,000,000 a day for the maintenance and increase of army and navy. Arsenals are being built throughout the country. Military training in schools is being fostered. War is beginning to grip the minds of small children. We see war psychology on every side of us.

"But the Emergency Peace Campaign's program is growing fast. Today it is the largest peace movement ever launched in this country. Men are founding peace study groups. Some 235 college students are reaching rural communities and colleges, forming similar organizations. It is hoped that there can be aroused enough interest and activity throughout the country to keep us out of war. This can be accomplished only through study of peace policies".

In the open forum which followed Miss Proctor's address, the Rev. J. W. R. Maguire, C. S. V., suggested that the I. R. C. appoint delegates to attend the convention of the Catholic Association for International Peace at Rosary College on November 20, and that the club join the student federation of that association. The suggestion was put in the form of a resolution and adopted.

## Briefs From Our Viator Club Chapters

**Kankakee, Ill.**—Friends of Clarence J. Kennedy, former head of the department of biology and now county superintendent of schools, will be glad to know that he is once again back at his desk and doing big things in education, having completely recovered from his recent operation.

"Pete" Laffey, formerly a court star of great brilliance, is also up and around attending to his teaching and coaching duties at the Bonfield High School, having weathered an operation for appendicitis not so long ago. Besides coaching and teaching "Pete" has been busy building himself a reputation in these parts as an official.

**Joliet, Ill.**—Clarence Larkin, '30, according to Robert Spreitzer, '34, is doing extremely well as a dentist. Spreitzer, formerly editor-in-chief of the VIATORIAN, by the way, has just come out of retirement. You see he wore a "Sunflower" emblem during the recent campaign and didn't exactly like to meet his pal Joe Degnan, '34, after the "frost".

**Rockford, Ill.**—Edward McCarthy, '26, is still connected with the Insurance business. Ed is at present an independent insurance adjuster and resides at 312 John Street.

**Pontiac, Ill.**—The Rev. Patrick Farrell, chaplain at the State Reformatory, sends word that after seeing the Viator eleven down DeKalb on November 14 at Kankakee

he is certain we will share the Little 19 championship in football and will without a doubt be basketball champs.

BOXING TEAM  
DESIRED

## VIATOR CAPTURES CROWN

### Sideline Slants

With the close of the Intramural Touchfootball League we present the All-Star team as chosen by the seven team captains and one member of the sports staff.

Dilger	le	Mitizes
Bower	lt	Steamrollers
Sandquist	lg	Steamrollers
Mellonig	c.	Panthers
Brady	cg.	Steamrollers
Minnihan	rt	Mitizes
V. Murphy	re	Steamrollers
McElligot	lh	Steamrollers
Hart (C)	qb	Steamrollers
Willis	rh	Mitizes
D. Murphy	fb	Wolves

Hart's Steamrollers were easily the class of the league, winning every game and placing six men on the All-Star team.

Vince Murphy, Steamroller Ace, accounted for three-fourths of his team's points and led the entire league in total points scored.

Much credit for the success of the Intra-mural tourney goes to Brother George Nelson, C. S. V., formerly a star athlete at Trinity High School in Bloomington, for his efficiency in the handling of details and for his fine officiating in which he was aided by Dan Murphy.

Throughout his prep career at St. Ignatius, Tony Sacco held the Indian sign over St. Phillip's teams. In his senior year he intercepted a St. Phillip lateral and dashed ninety nine yards for a touchdown. In basketball in the same year, Tony seized a free ball with St. Phillips leading by one point and, while lying prone on the floor, tossed the ball through the hoop just as the final gun sounded.

Ray Bower finished second in the high hurdles in the Indiana State High School meet in 1934 as a member of the Brook High School team. Last year he was named freshman Physical Education Champion for his great running in the hurdles and dash events.

Frank Quinn, freshman tank star from Fenwick High School, Chicago, holds the Chicago Catholic High School league record for the 50 yard backstroke. The first time he swam in the St. Viator pool he shattered the Little Nineteen Conference record for the one hundred yard backstroke event by three seconds.

Credit should certainly be given to the managers who are on duty in the gymnasium to issue equipment every day at all hours. These men: LeRoy Lee, senior equipment manager, and his assistants: Debs Bendrick, Bud Monahan, Mike Sarich, Herb Fields, and Don Dionne should be given at least a minor letter by the athletic association when it awards the monograms to the football men. If the athletic board doubts the advisability of giving managerial monogram to these men we would suggest that numerals be awarded.

### Irish Whip Profs Remain On Top Little 19 Heap

St. Viator retained its' top position in the Little 19 conference by walloping the DeKalb Profs by a score of 13-0 before a crowd of more than a thousand wildly cheering Irish fans.

Although the Green Wave aerial attack was effectively stopped, the Irish pony backs skirted the DeKalb ends and tackled and drove through

BILL WALSH

the opposition line seemingly at will. They were ably assisted by the fine blocking of "Buck" Weaver, new varsity quarterback. The game was not as close as the score indicates for the Irish lost three touchdowns by fumbling at critical moments.

Viator's defensive play was exceptionally well executed. Chester Davis, the Northerner's ace, was bottled up throughout the contest. The Viator tacklers seemed to have more trouble stopping Rezek than they did in hauling down the widely heralded Davis.

The first score came after Captain Tom Gibbons caught a DeKalb fumble in mid-air on the opponents' 25 yard line and carried it to the 18. Walsh picked up eight yards around end after two passes had failed. Then Bob Lenahan took the ball to the 1 yard stripe and on the next play rammed through the center of the line for a touchdown. Joe Saia's try for extra point was wide.

The only DeKalb threat was the result of a penalty inflicted on the Irish for unnecessary roughness which took the pigskin to the Green Wave 1 yard stripe. Four times the invaders cracked a stubborn Viator line and at the end of four attempts had a net loss of one yard. On the third down Davis swept a round end, and seemed ready to

Continued on Page Six)

### IRISH STAR

BOB LENAHAN

Bob Lenahan depicted above, is one of the shining stars of this year's varsity. Playing his first season of football, Bob has won a regular berth at fullback and has proved invaluable on offense and defense. His marvelous blocking in the DeKalb game twice saved Green Wave warriors, once preventing Davis from scoring against the Irish and the other time clearing the way to the goal line for Walsh's sensational 20 yard touchdown sprint.

### I-M Basketball Is Off To A Good Start

The Intra-mural basketball season was inaugurated on Monday night, November 16, when Hickey's Bears defeated the Baron's of Magdecki by an overwhelming score of 45 to 19. Bill Watson and Joe Jenesky, giant forwards of the Bears were hitting the hoop at will as the score indicates. Magee and Gasior, diminutive hot-shots of the Barons, starred for the losers.

The second game of the current tournament pitted Murphy's Hungry Five against O'Connell's Nomads. The Hungry Five satisfied their appetite for points to the tune of 52 to 19. Murphy's crew showed the benefit of having played together last season and the outstanding men of the team were Vince Murphy and Red Hart. Joe Malloy of the Nomads played a great defensive game and Hoch was a constant scoring threat for the Frosh from the upper deck.

Wednesday night brought the third consecutive one-sided battle. This time Jimmy Willis let his Ramblers really ramble, while Herb Fields could not find enough talent or scoring height in the ranks of the

### Viator Quintet Have Plenty Of Opposition, Woe

"We should have a fairly respectable season in basketball", declared Coach John McNamara, in discussing prospects for the coming cage season. "All of our veterans have returned and we have a few freshmen who look as if then can play college ball. If we have a good team, so will the other conference schools—Normal lost only one veteran, Captain Barton, DeKalb and Carbondale have practically the same outfits which represented them last year."

While "Mac" was moaning about the decisive defeat Carbondale hung on the Irish last year, your reporter glanced at the prententious schedule the rotund mentor has drawn up. St. Louis University, which will be played in Chicago, is probably the toughest foe the Irish will encounter. St. Louis, coached by Mike Nyikos, annually turns out one of the finest cage squads in the middle west. If the Green Wave can accomplish an upset and defeat the "Billikens", it will greatly enhance Viator's athletic position.

#### Title Contender?

Twelve conference games have already been carded, and the schedule probably will be completed with the addition of six or eight non-conference foes. Other new faces on the Irish schedule are Oshkosh Teacher's of Oshkosh, Wisconsin; Wilson Junior College of Chicago, and McKendree, who has not played St. Viator on the hardwood in several years. The Wave opens the season at Joliet, playing Joliet Junior College. The Joliet team has always proved a tartar for us and this year's ball club will be no exception. Valparaiso University and Northern Illinois College of Optometry are two other non-conference teams with whom the Irish have long standing rivalries.

"While the newspapers may play our team up as a title contender, it must not be forgotten that in twelve games we must fight not only the other team, but also overconfidence and underestimation of our opponents," said the Irish coach. Fred Young, one of the best referees in the business and a man who knows basketball inside out, has stated that the game as played in the Little 19 compares favorably with that displayed by some of the larger schools in the country," continued McNamara, "and that means that we'll have a tough fight to go to the top of the heap in conference

Day-Dogs to tie up a pair of nice ball handlers, Johnnie Foxen and Eddie Dilger. This pair dumped in over thirty points between them and consequently should be marked men in future games. Herb Fields and Valentine burned up the floor with their speed but just couldn't equal the scoring of Dilger and Foxen.

The final game of the first round will bring Sam Hamilton's Indians and Maloney's Windy City Gangsters together. From all indications this will be another scoring spree with the Windy City boys on the long end.

### Lenahan Races 91 Yards; Irish Down Profs 7-2

A 91 yard run by Bob Lenahan in the second quarter provided St. Viator a 7 to 2 victory over Southern Teachers here Saturday afternoon and thereby clinched the Illinois Intercollegiate conference football championship for Coach John McNamara's eleven.

It was the first conference flag to wave from the Viator staff in more than two decades. Southern counted its two points on a safety early in the first frame when Orbe Quarles, Maroon end, blocked a punt of Dan Blazevech which rolled into the end zone.

Displaying spectacular, offensive gestures, the Green Wave's backfield led by Captain Gibbons, Bill Walsh and Lenahan netted 288 yards from scrimmage compared to Southern's 66.

McAndrew's eleven was bound for a touchdown during the second quarter, but the alert Gibbons intercepted a pass thrown by Captain Hill on the Southern's nine, and on the next play Lenahan slipped through his own right guard and then reversed his field outrunning the Southern secondary. Hill made a desperate dive for Lenahan's fleet legs on the five-yard line but his arms slipped away and Lenahan was over the goal. Joe Saia converted the extra point from placement.

Viator completely outplayed the Maroons in the last three periods but Southern held the edge in the first quarter. Excellent punting by Nerone put the Green Wave on its one-yard line, the point where Southern blocked the punt, and again back to the three-yard marker, however, Blazevech was able to boot the ball back to the center of the field.

Rough and tough tumble play characterized both squads playing. G. Deason, E. Smith, Cade and Hill were the Teachers who suffered injuries, and Captain Gibbons, Saia and Betourne were the Viator men receiving afflictions.

#### basketball."

The men returning from last year's squad are Don Betourne, a member of the league all-star team last winter; George Rogers, and Tom Gibbons, all seniors; Frank Straub, Danny Blazevech, Bill Walsh, and Johnny Burke, juniors; "Red" McElligot, Al Monahan, Bob Lenahan, and "Babe" Cleays, sophomores. "Red" Hart, a member of last year's reserve outfit and a real comer, is certain to see plenty of action with the varsity team this year. Hart is also a sophomore.

Practice sessions are being held nightly in the gym for those of the above group who are not members of the football team. The group will undoubtedly have to shoulder the major burden in the initial contests on the Irish chart, and will have only about three weeks practice before the opener on December 8 against Joliet.

## Students Attend Peace Convention

(Continued from Page One)

marvelous number that had responded to the first call.

During the first session which began at 9:30 A. M., student speakers addressed the assemblage. Those who spoke and their topics of discussion were: Richard H. Meier of the University of Notre Dame, **The College Student Looks at Peace**; Miss Jane Durkin of Rosary College, **Economic Barriers to World Peace**; Edward Annis of Marquette, **War—its Causes and Cure**; Bert McQuillen of Columbia College, **Propaganda and War**; Miss Florence O'Callahan of Mundelein College, **Youth and World Questions**; Miss Kathryn Gibbons of St. Xavier College, **War—its Causes and Cure**; Bert McQuillen of Columbia College, **Dubuque, Education and Action Against War**; and Miss Ann McDowell of St. Mary's College, **Attitude of the Church on Peace**. Mrs. Roosevelt closed the morning session with her short address of congratulations.

### Prominent Speakers

All delegates were the guests of the Rosary College for luncheon. Edward A. Fitzgerald, Ph. D., dean of the graduate school of Marquette University and President of St. Mary College, Milwaukee, presided at the luncheon.

Dr. Miles Dunnington, professor

of Political Science at DePaul University and the Rev. Samuel Knox Wilson, S. J., president of Loyola University of Chicago, were the main speakers at the luncheon. Dr. Dunnington spoke on the topic, **American Foreign Policy**, while Father S. Wilson discussed **Nationalism versus Internationalism**.

Mrs. Geo. E. Brennan, vice-president of the C. A. I. P. presided over the afternoon session. The session included speeches on **The Catholic Philosophy of Peace** by Dr. Francis McMahon, head of the Notre Dame Philosophy Department; and an address by the Rev. J. W. R. Maguire, C. S. V., head of the Sociology and Economic Departments of St. Viator College, on **Catholic Principles in World Problems**.

The meeting was concluded with a brief business meeting at which Sister Thomas Aquinas, president of Rosary College and president of the mid-west section of the C. A. I. P. presided.

### Attend C. P. Meeting

Rev. E. J. Surprenant, C. S. V., head of the Department of Religion, and Brother Patrick Toomey, C. S. V., recently attended the Catholic Philosophers annual meeting in Chicago. Over one hundred Catholic priests and laymen were in attendance at this, the second meeting of the organization.

## Irish Whip Profs To Remain On Top

(Continued from page 5)

step over the goal when Lenahan knocked him out of bounds on the 1-2 yard line. On his final try, Davis was smeared by the entire left side of the Green Wave forward wall.

In the final quarter, after Paul Crashman had snagged a Prof lateral on the DeKalb 27, the Irish worked the ball up to the 19 yard line and Bill Walsh lugged the leather over a reverse play.

The entire Viator team played hard, intelligent football, and to pick an outstanding player would be a task worthy of a Grantland Rice. The Irish backfield worked like a well-oiled machine, and of the "Mules", Morenc, Leeson, Saia, Stevens, O'Connor, Bates, Blazeovich, Jenksy, Claeys, Betourne, and Cashman, each turned in a performance worthy of mention.

### Summary

St. Viator (13)	le	DeKalb (0)	Larson
Blazeovich	lt	Hein	
Stevens	lg	Rockenbach	
Leeson	c	Blasch	
Morenc	rg	Derango	
Saia	rt	Templin

## Richard Powers Is Elected President

(Continued from Page One)

tion," declared Father Hutton, "and it is this vital role that every adult Catholic man is being called upon to play by Holy Mother Church as an active member of the Holy Name Society."

In concluding his remarks Father Hutton urged all the members to become daily communicants and to make their Branch of the Holy Name Society one of the outstanding organizations upon the campus. Richard Powers, newly elected president, then answered the request of the assembled members and spoke a few words to express his gratitude for the honor which they had paid him.

The St. Viator Branch of the Archdiocesan Union of the Holy Name Society now has a membership of 160 men, the largest in the recent years of the College.

Plans for a few social activities such as Saturday Night smokers, and possibly a dance of major proportions, are under the consideration of the Holy Name Society moderator, Father Paul Hutton, and the officers of the organization.

## Holiday Granted to Student Body

St. Viator's returning champions were met and escorted from the railroad station Sunday morning at 5:40 a. m. by the entire resident student body through the streets of Kankakee and Bourbonnais in a victory parade. The climax of the victory celebration arrived when the Very Rev. E. V. Cardinal, C. S. V., Ph. D., president of the College, announced that Monday next would be a holiday in honor of the football squad.

## America's All-Star Eleven

60 yard dashes... passes and punts  
... touchdowns... performance!  
That's how America picks 'em.  
By wire and air-mail, fans rush  
to the football experts the tip  
... "Here's another sure-fire All-American."

And when you pick the all-star  
cigarette eleven, it's performance again  
—it's what a cigarette does that counts

### T-H-E-Y S-A-T-I-S-F-Y

Eleven letters that spell all the good things  
a cigarette can give... mildness... a pleasing  
taste and aroma... a blend of mild ripe  
home-grown and Turkish tobaccos rolled  
in pure cigarette paper

— the essentials of a  
good cigarette
