

AGED PATRIARCH OF VIATORIAN PASSES AWAY

Brother Mainville Was Ninety
Years Old

On Thursday afternoon, October 4, 1928, Brother Anselme Damian Mainville, c. s. v., died in St. Mary's Hospital, Kankakee, Illinois, after an illness of about six weeks. The body was brought to the College Saturday morning and a Solemn Mass of Requiem was sung. The bier was placed in a temporary chapel in front of St. Viator's altar, and through the long hours of Saturday and Sunday night, students and brothers kept watch, saying almost continual rosaries for the repose of the soul of the dead religious.

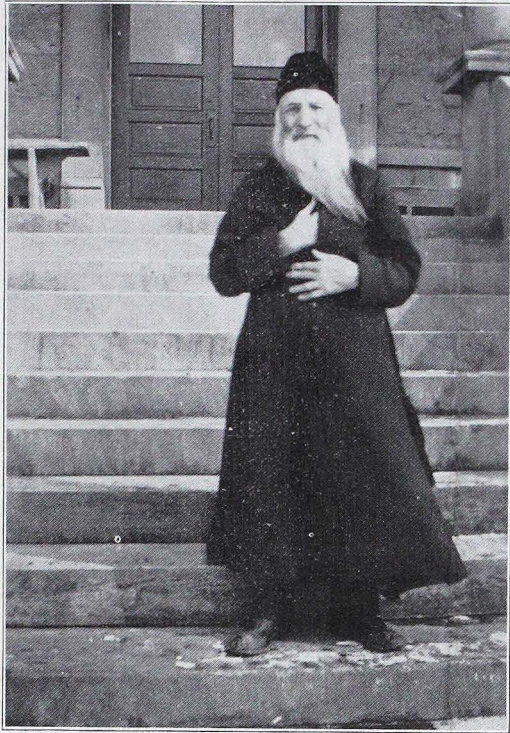

Monday morning at 10:30, the Funeral Mass was sung in Maternity Church, Bourbonnais. The Very Rev. Walter J. Surprenant, c. s. v., was celebrant, the Rev. Francis E. Munsch c. s. v., Deacon, and the Rev. James V. Rheams, Sub-deacon. The president of the College, the Rev. J. W. R. Maguire, c. s. v., preached the sermon. Assisting him in the sanctuary were Rt. Rev. Msgr. G. M. Legris, D. D., Very Rev. Msgr. Victor Primeau, and a number of visiting clergy. The music, furnished by members of the Village and Brothers' Choirs, was under the direction of Brother John Koelzer, c. s. v. During the Solemn Mass, the Rev. J. D. LaPlante, c. s. v., and the Rev. J. G. Vien, c. s. v., celebrated Low Masses on side altars. The pallbearers were: Brother Paul G. Hutton, Francis A. Corcoran, Gerard M. Lamarre, Emmet M. Walsh, James F. Meara and Joseph J. Ryan.

The students accompanied the hearse to the outskirts of the village. Burial was in Maternity Cemetery, where Father Surprenant imparted the final benediction. While the conferrers chanted the "Benedictus," the body of Brother Mainville was lowered to its place beside his conferrers that have gone before him.

Brother Mainville comes from a family of twelve children, two of whom were nuns, two priests, and one a brother. Of all these the only survivor is Father Anthony Mainville, a retired priest of the Peoria Diocese living at Mercy Home, Ohio, Illinois. The dead Brother also leaves a nephew, John B. Roy of Bourbonnais.

Brother Mainville was born Sept. 27, 1839, in the Province of Quebec, Canada. He received his education at the Viatorian College of Bourget (then Rigaud College), and entered the Novitiate of the Clerics of Saint Viator at Joliette, Quebec. In 1873 he came to Bourbonnais and taught in the village school for many years. He lived at the Provincial Residence of the Viatorians in Chicago from 1902 until 1911, when he was sent to the newly founded Columbus College, Chamberlain, S. D. He remained here for seven years, and with the exception of another year spent in Chicago, has been at St. Viator College ever since. After he ceased teaching, he worked as a carpenter, and the College sanctuary rail remains as one of the memorials of his labors. Through utter feebleness, he was forced in 1924 to lay aside his tools; yet even then he could not be idle, but made himself useful knitting clothes.

Junior Meeting Held In College Club Room

One of the most enthusiastic conferences ever witnessed at St. Viator College featured the first meeting of the Junior class, held in the College Club Rooms on the evening of October 8. The roll call, read by Class President Doyle, disclosed the fact that more than a quorum of the class members were present.

The first business that was brought before the assembled members was the appointment of a Vice-president and a delegate to the College Club Advisory Board to fill the positions made vacant by the absence of M. Gerald Pauli, a member of last year's sophomore class, who failed to return to school this year.

Mr. Paul Mills was unanimously named Vice-President and Mr. Eugene Hoffman defeated Mr. Daniel Gordon in the race for the honor of representing the Junior class at the meetings of the Advisory Board.

The question of the proposed standard pin to be adopted by the present Senior class was brought up for discussion. The majority of the members were in favor of the motion but a definite decision was reserved until the samples of the pin are received and approved by the entire student body.

As an interlude to the pressing business of the occasion and also as a means of respite for the busy class secretary, Mr. Brockman, a feature entertainment of the evening was afforded the members when Mr. Louis Vallely of Chicago gave a brief address in which he aired his views regarding the coming presidential election.

As business was resumed, a motion that the Juniors open the list of social activities with a class dinner at the downtown hotel to be followed with a theatre party later in the evening, was passed. The reaction

Football Men In News Reel

On Tuesday, October 2, the football men realized the ambition that is cherished by nearly every person, that of being in the movies. A camera man was busily engaged in taking pictures of the squad and individual players in action. A stranger would have been under the impression that scenes for a football picture were being taken. In reality the pictures were being taken for a news reel to be shown at the Majestic Theatre in Kankakee.

The first picture was a group picture of the entire squad with Coach McAllister giving the players a little talk. "Mike" Delaney and "Boob" Evard were featured in the next picture with "Mike" place-kicking the ball while "Boob" held it in place for the kick. The camera was situated in such a position for the "shooting" of the picture that the ball came straight toward the camera in the air. When this picture was shown it seemed that the ball was coming right off the screen into the audience. The third and last scene showed the players tackling the "dummy." Captain John Herbert led several of the players in showing how tackling a player should be done. All who saw the picture on the screen were delighted to see the football men screen so well.

Special Courses Added at Bradley

Peoria, Ill., Oct. 16, (Special)—In an effort to extend its community influence, Bradley college here is inaugurating courses in cookery, clothing and literature for the adults of the city. Several of the courses which are to be held in the afternoon, are designed especially for the housewives of the city. If the idea is successful other new courses will be added next term.

VIATOR TRIUMPHS OVER N. D. RESERVES

Army of Green Tramples
Notre Dame Blue

A great Viator football team emerged victorious in their game with the Notre Dame Reserves, Saturday, October 6, as a large crowd looked on. The final score, 21 to 13 is a fair estimation of the interesting and strongly contested game.

The first home game of the season was just like a telegram of good news for the student body and local friends of the Viator grid men. Before the Notre Dame game the only estimates of the team's worth was necessarily influenced by the final outcome of the Marquette-Viator contest, a fact not particularly reassuring unless the offensive and defensive strength of the Marquette team was fully known and appreciated.

But now the Viator outfit has demonstrated its strength. It is good and everybody knows it. From the lanky red-head, O'Malley at center to the diminutive Evard at quarter, every man fought hard and did his bit to figure in the hard-won victory.

No man was outstanding in the battle, if we except Mike Delaney's usual brilliance in his kicking and passing work; Kenny Clothier's remarkable running and pass-grabbing acts; Byron Evard's masterly handling of the truly well-organized machine and his thirty-five yard gallop for the opening tally of the contest.

Herbert showed the cash customers why he was chosen to lead this year's band of warriors. Between McCarthy and Captain John, it's a wonder that the Notre Dame men got off any punts at all. Fortunately Mac had his mouth closed when the exposed part of his countenance stopped that 70 yard Notre Dame punt before it had gone two yards.

To Meis, Furlong, Hanahan and McNary belong much well deserved praise for their exceptional defensive work.

O'Malley furnished a thrill for the spectators in the opening quarter when he plucked a pass from above the heads of the more squarely built men around him and advanced the ball several yards towards the opposite goal line. Red should be a bit more careful in his tackles. Every time he hits a man, it resembles an army being mowed down by a trained machine gun corps.

Romary played a very fine game at half. His long thirty-five yard race down the field would have counted for a touchdown had not a Nurni II flashed out from the trailing enemy ranks and overtaken the flying half.

Substitutes Gorman, Logan and Toohill nobly upheld their ends when called upon for their services.

The Notre Dame team functioned well from the beginning and at times threw a genuine scare into the ranks of the Green. Their chief handicap was the fact that they were playing a Viator eleven.

A certain young gentleman in blue named Keeler, gave the crowd a treat when he immediately followed Evard's touchdown with an end run of sixty-five yards behind perfect interference for Notre Dame's first six points.

Late in the second frame after the Notre Dame defense had staved off an extra cut, Delaney heaved a perfect pass to Clothier which netted thirty yards and a touchdown. Delaney repeated his act from placement, making the count 14 and 7.

THOMPSON TALKS TO ST. VIATOR STUDENT BODY

Gubernatorial Candidate Gives
Interesting Address

Floyd E. Thompson, former justice of the Illinois Supreme Court, and now democratic candidate for state governor addressed the student body on Wednesday evening, October 3rd. Judge Thompson was introduced by the Rev. E. V. Cardinal, vice-president of the College. Father Cardinal explained the fact that the student body of St. Viator had no party affiliation as a whole, and that Judge Thompson would undoubtedly find as many cut and dried Republicans, as he would members of his own party.

Stresses Need of Education

Judge Thompson did not speak on anything concerning a political issue in the present campaign. His entire speech concerned itself with an appeal for college men to take an enthusiastic and intelligent participation in civic affairs. This, he asserted, must come from education. "You cannot make the proper preparation for life, without education. It is not important how you acquire an education, but rather whether or not you have it. Government is only what citizens make it. We will be judged by posterity, as we have judged our ancestors by the quality of the solutions we give to the problems which confront us. College courses mean a preparation for a good Christian life and a life of service to your country."

Opportunity in America

"America," the Judge continued, "is the great land of opportunity, and education is open to all. It is your duty to urge others to take advantage of it. The men who make the best of opportunity will come to be the leaders in life. We find many humble youths today in the most important positions in our government. It is because these men learned to face problems as boys, and in meeting issues squarely they have made a mark in life."

Governor Parker Speaks

In conclusion Judge Thompson introduced other members in his party ticket and former governor Parker of South Carolina, who was vice-presidential candidate under Roosevelt. The former governor spoke on religious freedom, explaining that the election of a Democratic ticket would do much to bring about peace, happiness and contentment, and would obliterate much bitterness and denominational strife.

A concerted effort on the part of the enemy with Nichols, Reilly, and Keeler in charge accounted for the second and last addition to the visitors score. The try for the extra point failed and the score at the end of the first half favored Viator by one point, 14 to 13.

In the third quarter Delaney intercepted a pass and fled the intervening thirty yards for a touchdown. Mike made it a perfect day when he booted his third successful try for point after the counter.

The last period was a good basket ball game with the Rockmen tossing the ball around trying to score. Viator took the defensive and except for a spasmodic Notre Dame march of three consecutive first downs managed to more than hold their own.

The game ended with St. Viator on the long end of a 21 to 13 score.

Brother Mainville

In writing about the death of such as our venerable Brother Mainville, newspapers would sub-title their article "nonagenarian" and would stress the longevity of the deceased. But while Brother Mainville lived much beyond the Scriptural allotment in attaining his ninetieth year, it is his sixty-nine active years in Religion which impress his confreres, friends, and those who think of supra-mundane things. Not only was this long period spent in God's service, but it was given in faithful service unto the end. The trust which God had confided to him, a religious vocation, was kept safely and intact during all these years.

In his earlier years, while occupied in the classroom, he proved himself a true Religious teacher and scores of those whose hairs are now whitening, can testify to the solid instruction, religious training, and good example which Brother Mainville imparted to them.

Later on in life he was employed in the material and financial interests of the community and here too he acquitted himself of his duties with the conscientiousness, fidelity, and obedience of the true religious.

In still later years, yet in good health, his versatile mind and hands turned to the manual arts and he was of inestimable service to the different houses of the community. In these last labors it can be literally said of him, "he worked eye dim and finger lame." Throughout this long life he was ever genial, good natured, loved a good joke, and was always mirthful.

The devotion to his religious duties during his last years, when age was upon him, and his step was faltering, was the edification of all. In our tribute we may well modify the lines of a poet:

"Oft have we seen him at peep of dawn,
Brushing with slow step the dews away"
Not "to meet the sun upon the upland lawn"
But to attend Mass and receive his Lord.

He has gone to his reward but his memory lives and his spirit will hover about St. Viator's leaving a sweet benediction on us all.

Keep off the Grass

Perhaps a few of us have noticed a number of signs distributed at various conspicuous points about the campus and labeled something like this: "Keep off the Grass." Yes, perhaps a few of us have but the majority have not. From the present condition of the turf where the sidewalks join and near the corners of the more popular paths between Roy and Marsile Halls it is evident that very few of the students "believe in signs."

Now it is up to the students themselves to determine whether or not the campus will retain that high degree of beauty for which it has long been noted. We are the frequenters of these walks. We should be their custodians. Let us unite our efforts with those men about the institution who are trying to make St. Viator College a pleasant and an attractive place.

Alumni Notes

Howard Bushnell, former star athlete and basketball coach at St. Viator, is now working as a receiving cashier at the Commonwealth Edison Company, Chicago.

"Al" Decker who attended St. Viator in 1906, stopped at the College the other day and inquired for Father Rheams. "Al" was pleased to see his picture with the baseball team of 1906.

Mr. and Mrs. Henry B. Schwartz announce the marriage of their daughter, Irene Rigena to Mr. William Francis O'Shea. The wedding took place on Wednesday, October 17 at Our Lady of Mercy Church, Chicago. Mr. O'Shea attended St. Viator several years ago, and now has a brother, Lawrence, here.

On Tuesday, October 23, at St. Mary's Church, Canton, Ill., Miss Helen Marie Rowley will be joined in marriage to Mr. Thomas Michael Jordan. Mr. Jordan attended St. Viator from Farmersville, Ill., in the years 1917 to 1920.

Father H. A. Darche left Sunday, October 7 for the American Legion Convention at Houston, Texas. Father Joseph Lonergan, '04, of Rockford, Ill., is also attending the Convention, and will address the delegates.

Francis C. Cleary has been recently in San Juan, Porto Rico on a business trip. Frank was graduated from here in 1921, and since studying at Georgetown has been connected with the Richard Hudnut Perfume Company of New York.

Francis A. Bell of the Class of 1927 is doing his bit to help keep the world in motion: he works at a Standard Oil Company filling station in Joliet.

Father Francis Cleary is setting a very good example for the rest of the Alumni: he has been at the College three times since the last publication of the Viatorian. Father Francis E. Munsch, c. s. v., assisted Father Cleary in his Devotion of the Forty Hours, Sunday in Watseka.

Father J. P. O'Mahoney, c. s. v., treasurer of the Extension Club came down from Chicago to see us, Tuesday.

Father M. Lennartz, c. s. v., who has been in South Dakota for a number of years, and at St. Francis Indian School at Chamberlain, S. D. for the last year, has been appointed Chaplain of Bishop Quarter School in Chicago, to succeed Father T. J. McCormick, c. s. v. We hope Father Lennartz will find time to come down soon and pay us a longer visit than he was able to the day he was here for the funeral of Brother Mainville.

Father M. J. Breen, c. s. v., wrote us recently to tell us he is still alive at Enterprise, Oregon, and is as busy and interested as ever in his missionary work. He has a parish that comprises a whole county, and that is 3000 square miles in extent. In all this vast area there are but a hundred and fifty Catholic families, and sick calls to some of them in the winter time mean journeys on horse-back for forty miles through a primeval forest.

Raymond Hermes, 1914-1915, whose home is in Aurora, Ill., is employed by the Bates Valve Bag Corporation, 32 Wacker Drive, Chicago. His brother, Elmer Hermes, who went to school here from 1913 to 1915 has a dental office in the First National Bank Building in Aurora.

Inquiring Reporter

What would you suggest as a means of strengthening Viator spirit?

I think that the Viator spirit would be strengthened a great deal if the students would sit in a body at all athletic contests and put forth an effort to cheer the teams on the field.—Robert Tucker, '31.

The Viator spirit would be strengthened if each student would cooperate with the other while cheering for the team. If the students would stay in their seats more support could be given to the team. After all moral support plays a tremendous part in assisting our boys to victory. Cooperation of the entire student body is the salvation of college spirit.—Eddie O'Neill, '31.

I think the school spirit at Viator could be strengthened by holding pep meetings before each big game. In this way the students could be "keyed-up" to such a degree of interest and excitement, that each individual student would not hesitate to cheer our team to victory and glory. Also, the students should sit together at the games, should learn the college yells by heart, and practice them in a body until perfect unity is attained.—Paul H. Mills, '30.

The students should not only work for the success of football, basketball and baseball, but in everything that the institution undertakes. Let each and every one of us work and strive to make St. Viator College one of the greatest in the country, and then we will have "real Viator spirit."—Lawrence O'Shea, '31.

Austin, Tex.—(I. P.)—As an insurance that blanket tax athletic tickets will not be transferred, the University of Texas athletic council has arranged a method whereby the picture of each student paying for a blanket tax will be placed on his athletic ticket.

This action was forced by the persistence of students in other years in allowing their friends and roommates who had not paid for blanket taxes to attend games they themselves were unable to attend.

Fordham University boasts of a grid team this year that really has an Irish name on its roster. In fact, the entire first team is composed of descendants of the Old Sod. The "Micks" names sound like roll call at an A. O. H. convention. Here they are: McCusker, Foley, Scully, Tracey, Callahan, Walsh, McMahon, Ryan, Smith, Cullen and Neilan.

New Stude—"Who is that lazy old tramp asleep on the front terrace?"
Old Boy—"Sh—! That's a Senior."

Doc: "Kay will never be able to work again."

Nurse: "I'll go and tell him. It will cheer him up."

Clothes Collector: "Any old clothes, Jerry?"

Hellmuth: "Yes, but I'm wearing them."

Joseph Nemanich, an old student who hails from Joliet, is now the owner of the Joliet Slovenic Bottling Works, and manufactures soft drinks, pop, etc. (The "etc." does not imply that Joe has become a law breaker). Anthony Nemanich, 1901, is in the Undertaking business at 1002 N. Chicago Ave., Joliet. (Neither is the inference valid that Joe and Tony are working in partnership).

James L. McCann, 1913-1915, also finds that the undertaking business is good in Joliet. He is associated with his father at the Western Funeral Parlor, at 311 Joliet Street.

We are also told that Arthur J. Downey, who attended St. Viator in 1913, is located in Joliet. He is the Manager of the Joliet Branch Office of the Chicago Motor Club.

Campus Briefs

Saturday, Oct. 6th was an occasion of great excitement on the campus due to the fact that the Notre Dame reserve football squad drifted over from the Hoosier State in search of an easy victory and unfortunately the best that they could take back to "Knutte" was the sad story of a 21 to 13 defeat.

However, had "Kenny" Clothier, "Boob" Evard, "Mike" Delaney and a few of the other boys suffered sprained ankles or broken heads in the Marquette game the Notre Dame outfit might have enjoyed the afternoon spent in our back yard.

Someone passed the remark that "Rock" made a slight error and sent his reserves to Wisconsin, sidetracking his regulars on the Bourbonnais Special. Perhaps the report was false but those boys in blue looked mighty good at times.

During the summer months the shrubbery on the campus changes in color very little, and as a result the seemingly unchanged condition was fast growing monotonous to us, but mother nature has stepped in and converted the green foliage into a beautiful russet color; thus completely rejuvenating the physical aspect of Viator.

The popularity of the swimming pool has been increasing day by day, until it is not an uncommon sight to see at least thirty or forty boys in the tank at the same time participating in that cleanest of all sports, swimming.

Why is the figure 9 like a peacock?
Because it would amount to nothing without its tail.

Obituary

MR. CHARLES DES MARTEAU

Mr. Charles Des Marteau, manager and joint owner of the Lafayette Hotel in Kankakee, died at 8:40 o'clock Monday morning, October 8 at St. Mary's Hospital in Kankakee following injuries received late the preceding Saturday night when he was crushed between two autos on Broadway in Bradley, Ill. Mr. Des-MartEAU was taken immediately to the hospital in Kankakee where the full extent of his injuries was determined.

Mr. Des Marteau was 31 years of age and resided with his wife and five children at 962 East Court Street, Kankakee, Ill. He was born in Montreal, Canada, and came to Kankakee about four years ago. Since that time he had on many occasions, manifested more than a passing interest in St. Viator College. His many friends among the student body and the faculty extend their sincerest sympathies to the bereaved Des-MartEAU family.

MRS. CATHERINE KLAFTA

Mrs. Catherine Tesmer Klafsta, aged 87, died Tuesday afternoon, September 18, at the home of her daughter, Mrs. B. J. Mathews, East Court St., Kankakee, Ill. Death followed an illness of several months duration.

Mrs. Klafsta was born in Germany in 1841. She lived in Kankakee for the past fifty years. Mr. Klafsta died twenty-five years ago. She leaves to mourn her loss three daughters, twenty-nine grandchildren and thirty-six great grandchildren. During her life Mrs. Klafsta was a devout member of St. Stanislaus Church, the Sodality of the Holy Rosary, and the Third Order of St. Francis.

PROFESSOR RENO ENTERTAINS THE STUDENT BODY

Large Number of Students Attend the Show

On the evening of October 2, Professor Edward Reno of Kankakee, Ill., exhibited a delightful performance of magic art in the college gymnasium. From the very beginning Mr. Reno held his audience interested as well as baffled. The students and faculty members were completely vexed and amazed at the tricks and ability which Mr. Reno displayed.

Professor Reno has honored the college by appearing six times, each time presenting a show of an entirely different nature. Hence we have only seen a small portion of the cleverness of Reno, the Magician. The Professor is one of a few who displays this art by the use of his hands only. Mr. Reno does not apply any apparatus in aiding him to deceive the public or in proving that old magic proverb that the hand is quicker than the eye. Through earnest application and practice Professor Reno has become a magician of national prominence in his profession. From a brief interview Mr. Reno disclosed that he has appeared successfully in many of the leading cities of the United States, namely, New York, Chicago, Cleveland and many other places of note. Mr. Reno related further that he has appeared in foreign countries such as Paris, France, and New Zealand. The ability of Mr. Reno proved to be such a great drawing power that even royalty found time to be present at the performances.

There were many tricks of interest in the show at the college but in particular the water trick is deserving of much commendation. On the face of it these tricks looked to be simple but the cleverness of Reno prevented everyone from detecting his tricks. Professor Bates, who is skilled to a great extent in the art of magic, admitted that at times it was impossible to follow the clever Mr. Reno. Outside the exceptional ability to perform masterly the tricks of magic, Mr. Reno inserted at various intervals bits of humor that served as an interlude to relieve the minds of his audience. These humorous remarks were received with much satisfaction on the part of those present.

At the present time Mr. Reno is engaged in a vaudeville tour under the auspices of the Redpath circuit. The Redpath Co. found it of paramount importance to renew his contract since Professor Reno was in great demand at many leading cities throughout the country.

In regards to publicity Mr. Reno said that he was never neglected for he had received countless write-ups in all the leading newspapers and magazines throughout the country. Such papers as the Chicago Daily Tribune, Herald and Examiner, New York Times and the Chicago Evening Post regarded his show as an important item to be published for they were well aware that such news was inviting to the public at large.

At the close of the performance Professor Reno expressed his thanks to all those present for giving him their attention during the course of the show. Mr. Reno concluded his short address saying he would again appear at St. Viator whenever the opportunity presented itself.

PEORIA PASTOR IS FETED BY PARISH ON ANNIVERSARY

Father M. P. Sammon Celebrates Silver Anniversary

Peoria, Oct. 7.—The Rev. M. P. Sammon, pastor of St. Bernard's parish celebrated the silver anniversary of his ordination to the priesthood and the 25th anniversary of his pastorate at St. Bernard's last week. The event was marked by a reception tendered by people of his parish. The members presented their beloved pastor with a check for \$5,000. The presentation was made by Mrs. Thomas Lawless in the presence of more than 800 members of the parish and their friends who filled the parish hall to honor their spiritual elader.

Michael B. Crowley was chairman of the program committee and introduced the following speakers: Francis Vonachen, who gave the address of congratulation to Father Sammon on the success of his work in St. Bernard's parish; Richard Bradley, George Sprenger, the Rev. F. J. Casey of Streator, a former member of the parish, and the Very Rev. Father G. T. Bergan, V. G., of St. Mary's cathedral.

In responding to the speeches of congratulation, the Rev. Father Sammon expressed his appreciation of the felicitations extended him and for the kindness and co-operation given him during the 25 years of his pastorate of the parish. He added that he hoped he would have equal co-operation for many more years of work in St. Bernard's parish.

The jubilee ceremonies were brought to a close on the next morning with an entertainment by the children in the school hall. This was preceded by the celebration of a Thanksgiving Mass, which was attended by all the children.

Fr. Sammon is an alumnus of St. Viator College and at one time figured very prominently in athletics at this institution. He formerly was rated as one of the greatest baseball players ever graduated from Viator.

ST. PHILIP NERI CHURCH DEDICATED

Dedication Ceremonies Largely Attended

On Sunday last, October 7, the Chicago South Shore saw the dedication of a building which in every way may be called a fitting crown to the beautiful group of buildings and palatial residences that have been built in this charming district of Chicago, the church of St. Philip Neri, of which Rev. William J. Kinsella is pastor. The dedication took place with much pomp and ceremony, and brought together a notable group of prelates and clergymen. The church was dedicated by His Eminence, Cardinal Mundelein. He was assisted by the Rt. Rev. Msgr. Dennis O'Brien, pastor of St. Columbanus church, and the Rt. Rev. Msgr. John Ryan, pastor of St. Bernard church. Immediately after the dedicatory services Solemn Pontifical Mass took place with the Rt. Rev. Edward F. Hoban, D. D., Bishop of Rockford, as celebrant, assisted by Msgr. P. Shewbridge as arch priest. Rev. Timothy Rowan was deacon, Rev. Thomas McQuire was sub-deacon, and Rev. Francis A. Ryan, assistant chancellor of the Archdiocese of Chicago, was master of ceremonies. The Rt. Rev. Bernard J. Mahoney, D. D., Bishop of Sioux Falls, South Dakota, preached the sermon. An outdoor Mass for the benefit of those who could not be accommodated in the church was said by Rev. J. W. R. Maguire, president of St. Viator College. After these services His Eminence gave a short talk in which he expressed his appreciation for the toil and cooperation spent by Rev. Kinsella and the parishioners in the erection of their magnificent church.

In the evening at 7:30 o'clock Rt. Rev. Bernard J. Sheil, D. D.,

Auxiliary Bishop of Chicago, administered the Sacrament of Confirmation.

The newly erected church is of the Tudor-Gothic style. The exterior is Plymouth granite with Bedford stone trimmings. The interior is as impressive as the exterior. The flat, plastered ceiling is wainscoted and artistically decorated with symbols. The Cruciform shape makes it possible for the body of the congregation to be near the altar. To the left of the sanctuary is a private chapel for sisters. Behind the altar stands one of the three key boards for the organ which will accompany the famous boy choir. It is estimated that the cost of the new edifice with its furnishings will be \$700,000.

This magnificent house of worship is an eloquent testimony to the administrative ability of Fr. Kinsella, and no less to his really pastoral zeal. Fr. Kinsella was deeply imbued with the words of the Psalmist, "I have loved the beauty of the Lord's house," and his priestly heart, mind and soul could scarce be less satisfied with anything else than this noble monument to God.

Among those of the Viatorians who assisted at the dedication were: Reverends Maguire, Ryan, Corbett, O'Mahoney, Cardinal, French, Cracknell, Rheams and O'Connor.

VIATORIANA

Viatoriana

From our correspondent in St. Louis we received the following item: The burial of the St. Louis Cardinals took place today. The funeral was a most colorful affair* although flowers were omitted by request of the Cardinal leaders. Carrying the casket and leading the procession around the bases were Baby Ruth and his playmate, Tanglefoot Gehrig. It has been rumored in these parts that the two gentlemen here mentioned will be indicted for murder. The interment was strictly private, only members of the Cardinal family being present. Great throngs of people were on hand, however, when the murder was committed, so it is not doubtful as to the possibility of securing enough witnesses to testify against the two great New York sluggers. Interment was in the New York cemetery.

*Ed. Note: Anything from New York is said to be "colorful."

THE FATAL BALLOON RACE

—When suddenly Tom sneezed. "Oh bother my nasal catarrh," he swore. "These paroxysms of poena gripe me." So saying he arose from the soft ground with a shudder. "Ah," quote he, "T'was a bitter cold night. My bones are shaking like the leaves on the trees. But I must continue my search for my fair princess. To think that she is in the hands of that low cur. Why he would stop at nothing. Death is too good for such a horse thief. I shall cut his neck from ear to ear and around the back of his head."

With these words he leaped to his saddle. From out of the black of night came a sneering voice—"That's you, eh?" Tom whirled so fast that he lost his balance and plunged headlong off his horse landing neatly on his back pocket.

"Dirty," exclaimed our hero as he whipped his hand to his pocket and brought out a kerchief, for the sneezing had started again.

"Aye, 'tis me, Dirty Dalton, with his true friend and comrade, Cobra Python."

"What," said Tom, "That snake in the grass—" Just then Cobra appeared on the scene. 'Twas like the three witches in Macbeth.

"What 'cha find?" asked Dirty, taking his teeth out and spitting a stream of tobacco juice at an innocent little grasshopper that was making faces at him.

"Nothing," hissed the Cobra, "but a flea playing leap-frog by the pond."

"Where is my darlink Nell?" anxiously inquired Tom, but in the gruff voice he usually reserved for animals.

"How do we know, Buttercup," growled Dirty. "She hit me over the head with a horse early this morning and made me walk home. She'll pay dearly for that."

"Oh pancakes," softly swore our brave hero. "Don't it beat the dickens how these females will disregard etiquette. And as for you Dirty Dalton, if a hair of her head is harmed, I shall wring your unwashed neck, bury you under ten feet of ground, push you off a cliff and then shoot you dead. To horse! We must find her."

"Hello there," said a voice behind them. They wheeled and to their utter amazement saw—(To be continued next week).

(Ed. Note. We wonder where Darling Nell can be. Tom had her and lost her. Dirty had her and he's lost her! Oh, where is our wandering Nell tonight?)

Al Smith believes in Government of the people, for the people, and by the people. Hoover believes in Government by the people, of the people and for the people. Gosh! Every man should get two votes this time. It would make matters a lot simpler.

Oh! Oh! Oh! This is terrible! Who would ever think of it? I woke up the other morning to find that all my life I had been under the sinister influence of Tammany Hall. Oh! Oh! Oh! This is awful! Something must be done about it!

I was but a simple country lad and she so beautiful; great brown eyes of childlike innocence that looked so appealingly into mine. Teeth of the whiteness of milk; slim, neat ankles; her hair was dark and glossy; I knew my father would be proud of her. And that beautiful innocence to be literally auctioned off the block. There were others who desired her as I did, I know. A man's voice broke in, "What will you give for this beautiful," a man pushed me, in his eagerness to get to the front. I must prevent him at all costs. He was known as the cruellest man in the country. I must have her, her price soared but each time I offered more. Finally he stopped and I ran eagerly forward to claim my own, my beautiful one. I paid the price and took her to my father. "It is a nice heifer," he said, "but I'll never send you to buy any more cows, they get the best of you every time."

Disciplinary Regulations

Every social organization requires rules and regulations by which the conduct of its members must be governed. A college is no exception to this rule. The following rules and regulations are made for the welfare of the student body and are the result of long and tried experience. Students should not regard rules and regulations as disagreeable limitations placed upon their liberty but rather as safe-guards of their rights and valuable means whereby they can attain the end and purpose of their attendance at college.

There is but one fundamental principle of discipline, namely that all students shall act at all times and in all places as Catholic gentlemen. A gentleman as Cardinal Newman says "is one who never inflicts pain." He is careful to observe the rights of others and is considerate of their feelings. Every student has a right to quiet and leisure to study. Hence silence and quiet must be observed during the hours of class and study. The individual student's disinclination to study at certain particular times is not a reason for disturbing others who wish to study at those times. At night faculty members and students have a right to undisturbed sleep. Hence students who have occasion to move about the buildings at night should do so quietly and should be careful to make as little noise as possible. The following rules are merely practical applications of the fundamental principle that students must act at all times as Catholic gentlemen.

RELIGIOUS OBLIGATIONS

1. All Catholic students must attend Mass on Sundays and Holy days of obligation. Attendance at the College Mass at 8:30 A. M. on Sundays and Holy days of obligations is compulsory for all students whether they attend an earlier Mass or not. (5 Demerits).

2. All Catholic students are urged but not compelled to attend Mass and receive Holy Communion every day. Mass is celebrated daily for students at 6:40.

3. All students must attend morning prayers which are recited every morning in the dormitories and the corridors of Roy Hall at 6:30. (2 Demerits).

4. All students must attend night prayers which are recited in the Chapel at 7:30 P. M. (2 Demerits).

5. Students are urged in a special way to receive Holy Communion and to attend devotions in honor of the Sacred Heart every Friday.

GENERAL REGULATIONS

6. Except on Sundays, Mondays and Holidays all students must rise at 6:10 A. M. It is a very necessary part of education to acquire the habit of rising punctually at a given hour. (2 Demerits).

7. All students must retire not later than 10:30 P. M. Lights will be put out at 11:00. This is necessary in order to insure a reasonable amount of sleep. (1 Demerit).

8. After night prayers silence and quiet must be maintained in the room and corridors of Roy Hall. (2 Demerits).

9. All students must at all times wear coats, collars and ties in the Chapel, in the classrooms and in the refectory. Gentlemen, when in the company of others, always dress with due regard to social conventions. Students should always be careful about maintaining a neat and clean appearance. (2 Demerits).

10. Students are responsible for the cleanliness and good order of their rooms and for the condition of the furniture. Rooms will be inspected frequently. (5 Demerits).

11. Smoking is never permitted in the rooms, corridors or on the front porch of Marsile Hall. (2 Demerits).

College Club Notes

Advisory Board Meeting

The first regular meeting of the College Club Advisory Board took place Tuesday, Oct. 2, in Roy Hall, room 330.

The first business before the assembly was the selection of a Moderator for the College Club to assume the office left vacant by the resignation of Fr. Maguire who, because of his advancement to the Presidency of the institution, found himself unable to continue his personal affiliations with the Club. Fr. Maguire has held the position of Moderator since the inauguration of the society seven years ago. It was at his suggestion that the Advisory group met to choose a successor.

After a great deal of discussion regarding the relative capability of each suggested member of the faculty, the consensus of opinion rested with the selection of Fr. Cardinal, recently elected Vice-president of the College. An individual standing vote was taken and the selection was made unanimous.

The appointment of the committees which are to serve during the scholastic year 1928-'29 was made by President Watson and approved by all the members of the Advisory Board, as provided for in the College Club Constitution. The following gentlemen will act collectively as the social committee: Mr. Laenhardt, chairman, Mr. McCarthy, Mr. Mathews, Mr. Sprague, and Mr. Anderson. The members of the service committee are as follows: Mr. Delaney, chairman, Mr. Brown, Mr. Carroll, and Mr. Toohill. The chairmen of both committees were asked to meet as soon as possible to outline the work for their respective squads.

A number of other details of lesser importance were brought up for discussion, for instance, the choosing of cheer leaders for athletic contests, the manner of collecting Club insurance, etc. All such business was merely discussed and referred to the next regular meeting of the College Club.

12. Resident students are not permitted to keep or drive automobiles during the school year. (25 Demerits).

13. Students who have not violated any of the scholastic regulations and are in good disciplinary standing may receive permission to go to town at night according to the following schedule.

Freshmen—twice a month.
Sophomores—three times a month.
Juniors—once a week.

Seniors—no restrictions provided they are in good standing and do not abuse this privilege. Habitually going down town more than twice a week will be considered an abuse of this privilege. (25 Demerits).

14. College students who have not violated the scholastic or disciplinary regulations may go to town in the afternoon from 3:00 until time for Rosary any day of the week with the permission of the Dean of Discipline. (5 Demerits).

15. All students must always notify the Dean of Discipline when going to and returning from town. (5 Demerits).

16. Students must never return to the college later than 11:30 P. M. without special permission. (10 Demerits).

17. No student will be allowed to go down town on Saturday nights. (25 Demerits).

18. Certain offenses are strictly forbidden and their commission involves immediate separation of the student from the college. These are: the use of intoxicating liquors, immorality, the use of profane or obscene language, gambling, cheating in examinations, habitual laziness and failure to pass the required number

22. Students may not remain at the college during the Christmas and Easter holidays, except with the written permission of the President.

DEMERIT SYSTEM

When students reach fifty demerits they are placed on probation, lose all privileges for a period of one month provided no further demerits are charged against them and are called in and warned. Should students continue to receive demerits and reach seventy-five, they lose all privileges for the remainder of the semester and their parents are notified. Students who reach one hundred demerits are indefinitely suspended and must leave the college for the period of the suspension, the length of which shall be determined by the College Council.

All laws, rules and regulations require sanctions to be valid and effective. Demerits are charged against students for the violation of the foregoing rules and regulations in proportion to their importance and gravity.

HIGH SCHOOL FALLS BEFORE ST. THOMAS

Fast Passing Attack of the
Rockford Boys Too Much

St. Thomas High School of Rockford held tenaciously to an early lead over the Viator Academy eleven at Rockford last Saturday, defeating their guests in the afternoon shuffle by a score of 13 to 0.

The Tommies made their initial score in the opening quarter and then crossed the Viator goal line again early in the fourth frame.

Anakauskas, St. Thomas fullback, crashed over for the first score of the contest after the Tommies had taken the ball away from St. Viator on the latter's 20 yard line. With one yard to go for a first down, St. Viator attempted to rush the ball, but the Viator back was thrown for a loss.

Anakauskas was responsible for the second touchdown shortly after the fourth period opened.

First Quarter

The St. Thomas fullback then passed to Ryan for a first down on St. Viator's 15 yard line. Monosmith hit tackle for 4 yards. Pyzynski made a yard. St. Viator broke up a Thomist pass and the local eleven lost the ball on downs.

ST. VIATOR PLAYS NORMAL U. SATURDAY

Dope Sheet Prophecies Hard
Fought Game

St. Viator will meet Illinois State Normal Saturday in what is expected to be one of the hardest fought battles on Little 19 gridirons this season. Coach McAllister although expecting a win for his "Fighting Irish" is leaving nothing undone to put the tilt in the win column. Ever since the Notre Dame game the Viator mentor has been drilling the team hard to polish off the tackling and blocking that was conspicuous by its absence against the Rockne Reserves.

The starting lineup against Normal will be the same that took the field against the South Bend outfit. The offensive will be entrusted to the canny Evard who will call the signals. Clothier and Romary, the Freshmen phenom will start at the half back with Gorman in reserve. Delaney, the passing star of the Notre Dame game will be at fullback doing the punting and passing. Todd has also recovered from the injury that kept him out of the first two games, and will no doubt see service. McNary and Meis will be the ends and upon these two men depends whether or not Tate is stopped. Hanahan or Hoog and Furlong will be the tackles with Captain Herbert and Don McCarthy, the fighting Irishman, at guards. And last but not least, the peerless O'Malley will hold down the center of the line. "Red," too, will play an important part in McAllister's program to stop the elusive Tate. The Irish confidentially expect a victory but cannot be said to be overconfident because they know that they are playing Normal in their own back yard.

ST. VIATOR LOSES TO TRINITY HIGH

Homecoming Affair a Blow
To the Academy

The St. Viator Academy football team gamely fought a losing contest with Trinity High School at Wilder field in Bloomington, Friday, October 5, in the homecoming fray in a game replete with fierce tackling, hard blocking and numerous fumbles on the part of both teams. At times the affair resembled the old-fashioned, rough and tumble game with plenty of thrills and excitement; at other times it looked like a gentle game of "Tap the Iceman," with the iceman continually dropping his tongs.

To give the boys their just due, they fought, and fought hard, but that perverse imp of a pigskin insisted upon imitating the antics of his famous greased brother and eluded the anxious hands of the backs. The general lack of "stick-to-it-iveness" was not confined to either team. Both shared equally in the total of not less than fifteen fumbles that occurred at various times throughout the battle.

Trinity's one touchdown in the closing forty seconds of play in the first half was the direct result of one of these oft-repeated miscues. One of the Viator backs received the ball from center, and then lost it to Injerski, a Trinity end, who covered the playmakers pure and simple. He added across the goal line. Middleton added the extra point with a well-booted place-kick just as the half ended.

Prior to the one successful scoring effort in the second quarter, the game seemed to resemble a fumbling duel

Normal Grid Team Has Great Leader

Dick Tate, Illinois Normal's colored flash, will endeavor to lead his team to victory over the "Fighting Irish" at the Normal-Viator Homecoming game at Normal Saturday.

Tate is one of the leading ground gainers of the Conference and it will be up to the Viator line to stop his end runs and off-tackle smashes. Last year the Green line smothered him, holding the Normal streak without gain, and whether or not the Viator crew can repeat will be proven Saturday.

in mid-field, with both sides surrendering the ball every few plays, either because one of the backs unthinkingly neglected to hang onto it when he was tackled, or because an attempted forward pass fell into the arms of one of the opposing defensive men.

The second half was very much a repetition of the first, with mishaps repeatedly slowing up the defensive efforts of both teams. For Trinity, Dugan, Callahan, Custer and Middleton showed up well, with the latter named gentleman exhibiting a truly remarkable gift for tossing long passes, even though most of them failed to reach their mark. For Viator, Kells and Bosquette played more than an average game while every man on the team did their level best. St. Viator was severely handicapped in the contest, due to the fact that a number of the men were declared ineligible. In spite of this handicap the boys put up a splendid and courageous fight.

The summary:

Trinity	L. E.	St. Viator
Sweeney	L. T.	McGloom
O'Neil	L. G.	Hodge
Mooney	C.	Easterling
Walsh	R. G.	Hefferman

Substitutions: Injerski for Sweeney, Kelly for Custer, Kaveney for Mooney, Cinquinni for Easterly, Cinquinni for Doyle.

Illini Propose Regular Baseball Trip to Japan

Urbana, Ill.—So successful in every way was the recent trip of the University of Illinois baseball team to Japan that if possible the Illini nine will travel to the land of the Nipponese every three years from now on.

This is the plan of George Huff, director of physical welfare, who believes that it will be a great stimulus to interest in baseball in the university. If it is carried out, every baseball player in the university will have an opportunity to win a place on the team which travels across the Pacific.

Lincoln, Neb.—(I. P.) Marion Broadstone, promising candidate for a line position on the University of Nebraska football team, has to wear glasses all the time, but that won't keep him out of the game.

Broadstone has had himself fitted up with a special helmet, in which is built a pair of special shatter-proof glass spectacles. It is said there are about two dozen such helmets in the country.

Enrollment at DeKalb Normal increased 27 per cent this year over last year. The number of men at the teachers' college this year has increased 61 per cent. A total of 652 students are registered at DeKalb this quarter. DeKalb was once the second largest teachers' college in the state.

FORMER ST. VIATOR COLLEGE COACH IS MARQUETTE MENTOR

Milwaukee, Wis.—Coach Frank J. Murray of the Marquette University Golden Avalanche is in his seventh year as head coach of the local eleven, and he is not at all pessimistic over the prospects. Although he has lost something like a dozen lettermen from the 1927 team, as well as two of his best sophomore prospects through ineligibility, he sees a silver lining. Murray belongs to the new school of coaches, and if he thinks the prospects are good, he doesn't mind saying so.

Murray is an easterner and a graduate of Tufts. Peculiarly enough, he never played football but always was a keen student of the game; he did engage in varsity basketball and baseball at Tufts, however. Following graduation and some additional work at Harvard, Murray was a reporter on a Springfield, Mass., paper, but resigned to come west as coach at St. Viator College.

He was successful at St. Viator, and in 1918 moved on to Milwaukee as professor of history and football coach at West Division High School, where his prep eleven were powerful and several times city champions. In the fall of 1920, Murray came to Marquette as head basketball coach, assistant to Jack Ryan in football and professor of economics. When Ryan left in 1922 to go to Dartmouth and later to Wisconsin, Murray was appointed head football coach.

MILLIKIN TIES WABASH

Decatur, Ill., — Millikin passes against Wabash runs and plunges drew a 6 to 6 tie here Saturday. Millikin scored in the first two minutes of play on two thirty yard passes, Hankins to Sockler and Gidcomb to Arnett. Wabash tied the score in the third quarter when Brooks ran 35 yards through a broken field for a touchdown. Both teams missed extra points.

Wabash made seven first downs against Millikin's four, and in addition made considerable gain on each exchange of punts. Millikin held Wabash to downs on the one yard line in the first quarter and Wabash did the same to Millikin in the second quarter. Wabash's offensive had the ball in Millikin territory much of the second half.

Runs of Brooks, Bayer, Matthews, and Robbins featured for Wabash, with Sockler and Vise making the most gains for Millikin.

BRADLEY SCORES ON KNOX

Galesburg, Ill.,—Elness raced 36 yards for a touchdown that gave Bradley a 6 to 0 victory over Knox here. Bradley took the ball when Ward attempted kick struck the Knox forward wall and Elness tore off tackle for the run. An attempted forward pass for the extra point failed.

Statistics of the game show Bradley was outplayed, Siwash scoring nine first downs to the visitor's five. Knox completed five forward passes, one for twenty-five yards gain, while Bradley completed but one.

Knox threatened to score on several occasions, but lacked drive. Harms' punting was outstanding in the Bradley play.

AUGUSTANA IS VICTOR

Rock Island, Ill.,—Augustana college eliminated Illinois Wesleyan from championship hopes in the Little 19 conference when it scored a 6 to 0 victory over Coach Whitesell's team. The vikings made their touchdown in the fourth quarter when they marched straight down the field after taking a punt on their own 42 yard line.

MONMOUTH, 15; MT. MORRIS, 0.

Monmouth, Ill.,—Monmouth college won from Mount Morris here, 15 to 0. Monmouth scored touchdowns in the first and second quarters. McDonnell drop kicked for the extra point after the second touchdown. Monmouth's other two points came in the second quarter on a safety. The game was played on a wet field and rain fell during the last half.

ILLINOIS COLLEGE WINS

Jacksonville, Ill.,—Illinois college pounded the Carthage college line hard to win its second game of its Little 19 conference schedule, 19 to 6. Both teams scored on passes in the first period. Schuster carried the ball over the goal line for Illinois' final two touchdowns. One in the second period and the other in the fourth.

LOMBARD BEATS KALAMAZOO

Kalamazoo, Mich.,—Lombard took advantage of second half breaks and beat Earl Martineau's Western State Teachers' college eleven here Saturday afternoon, 14 to 0. In the third quarter Nesti recovered a Kalamazoo fumble on the Hilltopper's 28 yard line and Nichols, Juberg, and Sandberg carried the ball down the field. Sandberg plunged over for a touchdown and Nichols place kicked for the extra point. In the final period Juberg went over for the second

CHARLESTON TEACHERS WIN

Charleston, Ill.,—Scoring three touchdowns in the third quarter, the Charleston Teachers defeated Shurtleff college, 30 to 7, here. Coach Lantz kept the Teachers regulars on the bench during the first period while Shurtleff scored a touchdown. Parr's off tackle smashes and Fenoglio's passes to Hall resulted in most of Charleston's scores.

to this proposal was instantaneous and unanimous. Suggestions relative to the staging of the affair came thick and fast. The date was set for October 24. A decision in regard to the names and number of chaperons was reached but has not yet been made public. Further plans rest in hands of the Faculty Committee on Social Affairs.
