

Jos. Stanford Dies of Injury

Was One Of Viator's Popular Students

Joseph Stanford, 19, Freshman of West Haven, Connecticut, was fatally injured December 22 when a car in which he was riding skidded and crashed into a railroad bridge abutment, near Norwalk, Connecticut. He died three days later in the Norwalk hospital as the result of a fractured skull.

Joseph, the son of Mr. and Mrs. Edward Stanford, had returned home from St. Viators for the Christmas vacation.

A graduate from West Haven High School last June, he had been prominent in school athletics there, being a member of the football and basketball teams and gaining considerable reputation last year as an outstanding quarterback. He was also a member of the Holy Name Society of St. Lawrence's Church, West Haven, and played basketball with the Holy Name team last year. While attending high school he became a member of the Delta Zeta fraternity.

Joseph was a popular man here and was an outstanding star of the Freshman football squad. Coach Raymond Murphy, who attended the funeral of his protegee, expressed great personal sorrow at the loss of his friend. Not only was the death of the New Haven youth a shock to Coach Murphy but according to the latter, was a blow to future football hopes as Joseph was expected to be a mainstay of the Viator backfield in 1935.

The deceased leaves his parents and four sisters, Mrs. F. M. Touchstone, Virginia, Rita and Helen Stanford, and two brothers, Alfred and Edward.

The funeral services were held from St. Lawrence's Church, Friday, December 28, and burial took place at the St. Lawrence cemetery. Abe Rohinsky, Alfred Thrall, Ralph Celotto, Alfred Palladino, N. Nickolson, and Paul Viola, fellow students, acted as pall-bearers.

Chicago Club Has Gala Eve

One of the largest crowds to have ever attended a Chicago Club Holiday Dance met at the Bismark Hotel for a gala evening on December 27.

George Fleming, '35, who was chairman of the affair, declared after the dinner-dance that it was both socially and financially a success. Not only were most of the Chicago students present, but a great number of the Viator alumni added to the evening's gaiety.

Following a grand dinner in the Walnut Room of the hotel, the party danced for several hours to the music of the renowned Art Kassel's orchestra.

The first Christmas Holiday Dance was held five years ago, and since that time each affair has proved more elaborate and successful than its predecessor. The 1934 dinner-dance was undoubtedly the acme of them all.

Dr. John T. Ellis Receives Honor

To Direct A Summer Session For C. U.

Dr. John Tracy Ellis, a graduate of the Class of 1927, has been appointed by the Most Rev. James H. Ryan, S. T. D., Ph. D., Rector of the Catholic University of America, as Director of the new Southern Branch Summer Session of the University which is to open in San Antonio, Texas, in June.

The Southern Branch which Dr. Ellis will direct is to be held jointly Between Our Lady of the Lake College and Incarnate Word College in the city of San Antonio. It is the third of the branch summer sessions of the Catholic University of America to be established within the last four years with the intention of offering graduate courses under Catholic auspices to the students of the region of the country remote from Washington.

Dr. Ellis graduated from St. Viator College with the degree of A. B. in 1927. The following year he entered the Graduate School of Arts and Sciences at the Catholic University of America where he took his A. M. degree in 1928, and the Ph. D. degree in History in 1930.

For two years after his graduation from the University he was professor of history at St. Viator College, and the two years following he occupied the same position at the College of St. Teresa, Winona, Minnesota. Last fall he entered the Sulpician Seminary of the Catholic University of America as a student of theology to prepare himself for the priesthood.

NEW HONOR FOR VIATOR ALUMNUS

Word has been received from Washington of the promotion of another alumnus of the College, the Very Reverend Msgr. Fulton J. Sheen, Ph. D., S. T. D., LL. D., a graduate of the Class of 1917, to the rank of Associate Professor of Philosophy in the Catholic University of America.

This recognition comes to Monsignor Sheen for his productive scholarship in the field of Philosophy, and was awarded, in part, for his latest scholarly work, "Philosophy of Science", published early last fall by the Bruce Publishing Company of Milwaukee.

REV. CHAS. HART WINS PROMOTION

An alumnus of St. Viator College, the Reverend Charles A. Hart, Ph. D., of the Class of 1917, a member of the Department of Philosophy at the Catholic University of America, has just been appointed to the Council of the College of Arts and Sciences of the University. Dr. Hart, with seven other members of the faculty of the undergraduate college, will consult with and advise the Dean on all important administrative problems.

Prof. Krueger

Program Is Approved By Students

The 1934-35 Souvenir Basketball Program appeared for the first time at the Valparaiso game and was acclaimed as one of the best of the series. Buyers of the program were surprised at the completeness of the edition and found that it was not only a souvenir but an interesting book to read.

Much credit for the success of the program must be given to the Rev. Francis J. Harbauer, C. S. V., A. M., Director of Athletics, who did a tremendous amount of work in presenting this program. Father Harbauer asserts that the staff is to be complimented for their work and cooperation.

Staff

Business Manager—Martin McLaughlin, '38.

Assistant Manager—Mary Mitchell, '38.

Alpiner and Son, Lassers Furniture Store, Home Loan and Finance Service, Chris Cotson's Elite Cafe, and Jake the Barber.

The program was dedicated to all those to whom this V monogram has been awarded.

Debaters Meet Chicago Team

Have Scored 3 Radio Victories

As we go to press, two debate teams are preparing to go to Chicago where they will meet the University of Loyola and Mundelein College on January 16. These matches will mark the formal opening of the debate season, and the Viator-Loyola debate will be used as a test of the Viator collective bargaining case before two teams use it in a two day tournament at Normal, Illinois, on January 25 and 26.

Edward O'Brien, '37, Miss Mary Cruise, '35, and Edward Buttgen, '37, will debate against Loyola. Viator will uphold non-company unions.

Raymond Cavanagh, '38, William Crannell, '37, and Norbert Ellis, '36, will meet Mundelein in a discussion of federal aid for education, the Viator team opposing the federal aid.

Three Radio Victories

That audience decisions on the first three radio debates have been made in favor of Viator by overwhelming majorities was announced by the Rev. John Stafford, C. S. V., debate coach, last week. Voting on the fourth debate has not yet been closed.

Many Topics Discussed

Mundelein College will oppose an affirmative Viator team composed of Martin McLaughlin, '38, and John Deady, '38, over WCFL on Saturday, January 19. The question will be: "Resolved: That the federal government should own and control all banking in the United States".

An affirmative team, as yet unnamed, will also debate against DePaul University on January 26. The important problem of governmental control of the sale of munitions will be discussed.

Meet Wheaton and Loyola

Edward Buttgen, '37, and Stephen Gould, '36, debated against Wheaton College on January 12 over WCFL. The question was: "Resolved: That a system of Democratic collectivism would be to the best interests of the people of the United States".

Leonard McManamon, '35, and Michael Malone, '35, defeated Loyola University in a radio debate on January 5. The topic concerned the government ownership of hydro-electric plants.

Mercy Federation Hears Maguire

The Reverend J. W. R. Maguire, C. S. V., addressed the homecoming meeting of Mercy Federation at Mercy High School in Chicago last Sunday afternoon. "Is Modern Society Christian?" was the title of the lecture.

The Mercy Federation is an organization of former students of schools taught by the Sisters of Mercy, and the reunion was attended by thousands of people this year.

Which Proves Nothing—

In a survey taken at Milwaukee College it was discovered that tennis players had the highest scholastic records of any of the athletes. The footballers came out on the bottom of the list.

Club Dance January 19

Fine Crowd Expected To Show-Up

The annual Monogram Dance will be held in the College Gymnasium January 19, and it promises to be one of the outstanding social events of the year. Dancing from 9:30 to 1.

LeRoy Offerman and his ten piece orchestra will furnish the music. This is a local dance band that has attracted considerable attention during the last few years. Offerman has two clever singers and smooth arrangements that make dancing to his music a delight.

Clarence Noonan, '35, President of the Monogram Club, has announced that pre-dance ticket sales point to a very successful dance. At a recent meeting of the Monogram Club, the details of the social event were pointed out to the members of the club and approved by them.

The price for the dance is within the means of all the students; it will be one dollar and a quarter (\$1.25) per couple.

The following committees have been named for the affair:

Tickets—Ray Roach, John Quinn and Alex Krauklis.

Orchestra—Clarence Noonan, Thomas Kelly, and Chester Newburg.

Patrons—Joseph Sais and Jerome O'Leary.

Decorations—J. Legris, George Fleming, Joseph Marik, Kenneth Corcoran, Dick Kendrigan, and Samuel Hamilton.

Prof Krueger to Lecture IRC

The acceptance of Professor Maynard C. Krueger, of the University of Chicago, to address the International Relations Club on January 25 was announced yesterday by Stephen Gould, '36, President of the I. R. C. He will discuss the topic "Democracy vs. Political Dictatorship."

Professor Krueger, as a speaker on the Lecture Circuit of the League for Industrial Democracy, has addressed numerous audiences throughout the east and middle west during the past two years. Through his contacts with the farmers of the middle western states—in his relief and organization activities among the miners of West Virginia and Illinois, as well as among unemployed groups—he has gained an intimate understanding of the problems of agricultural and industrial America with which to supplement his excellent academic experience.

Returning from his European studies in the fall of 1927, Professor Krueger began his teaching career in this country at Albion College, Albion, Mich., as instructor in International Relations. For the next four years he taught Economics at the Wharton School of Finance and Commerce, University of Pennsylvania, and in the spring of 1932 he accepted the appointment as Assistant Professor of Economics at the University of Chicago.

ACME PRINTING CO.

121 SOUTH WASHINGTON AVE.

John A. Lang, president of the National Student Federation, in an annual congress held December 29, urged the public to stamp out the spreading wave of communism that is sweeping through American colleges and universities . . . Mr. Lang asserted: "Communism is a real menace in our colleges. We take cognizance of it. Its philosophy is spreading at an alarming rate. The full force of our organization shall be used in removing the menace. Preaching of the overthrow of our government by force or violence should be halted before it becomes destructive . . . " Our International Relations Club assumes another role, that of a protector of our Democratic institutions, for this organization gives us a clear view of the situation confronting world powers and eliminates the possibility of "red activities". Anyone who has a clear conception of the state of world affairs can certainly see that Communism, insofar as the "reds" define it, has no place in our Democratic United States.

The seventy-eighth annual convention of the Theta Chi fraternity held December 28, passed a resolution abolishing "hell week" as part of the hazing process . . . We beat the Theta Chi when at a Senior meeting held a month ago, "hell week" was abolished, much to the joy of the Freshman class who had been dreading that terrible week.

We have noticed that lately more and more radios in Roy Hall have been tuned in to hear Father Coughlin on Sunday afternoon. Laissez-faire Capitalism has been crumbling for the past four years. In the wake of its collapse, we have suffered a depression during which poverty and discontent have spread throughout the world as never before and people have realized the real meaning of the word sorrow. . . . Human nature can not suffer such hardships without crying out against them and without denouncing the institution that is responsible for them. Father Coughlin is the voice of the peoples' protest against Capitalism. This great defender of the people has been in a large measure responsible for breaking up the old system of Capitalism and has shown himself equally capable of planning for the new.

The Monogram Dance is one dance, even more so than any other, that deserves your attendance. It is in the nature of a "Homecoming Dance", for all the old graduates will be present to pay tribute to the letter winners of this year. The purpose of this dance is to aid in buying the letter sweaters . . . Many of the alumni have already signified their intention to attend the dance and all of the present student body is expected to be present.

Receives Honor

Dr. John T. Ellis

Philosophers at Convention

Dr. Hart Conducts Interesting Meet

The Rev. Dr. Charles A. Hart an alumnus of St. Viator College, and at present a member of the faculty of the Catholic University of America, headed a delegation of Viator alumni and Viator professors who attended the deliberations of the American Catholic Philosophical Convention in Chicago during the Christmas holidays. Dr. Hart, as Secretary-Treasurer of the Association, was in charge of the arrangements for the convention and deserves high credit for the success of the meeting.

Father Bergin Addresses Convention

The Rev. William J. Bergin, C. S. V., of the Newman Foundation at the University of Illinois, former president of and for many years professor at St. Viator College, addressed the convention on the subject "The Spirit of Scholasticism".

The principal address at the convention dinner held at the Drake Hotel was given by Dr. Mortimer Adler of the University of Chicago, who has addressed the student body of St. Viator College on several occasions.

The Very Reverend Edward V. Cardinal, C. S. V., Ph. D., President of St. Viator College, the Rev. J. W. R. Maguire, C. S. V., the Rev. James A. Lowney, C. S. V., and the Rev. John W. Stafford, C. S. V., attended the convention as representatives of St. Viator College. Other alumni attending including the Very Rev. John P. O'Mahoney, C. S. V., Provincial, the Rev. J. E. Williams, C. S. V., of the University of Illinois, and Doctor John Tracy Ellis of the Catholic University of America. Father Lowney and Father Stafford were members of the local arrangements committee.

Yee Gods!

In the '70's at Pennsylvania State College, the permission of the president as well as that of the dean of women was necessary before a man could secure a date with a coed.

Slip of the Tongue—

It seems that one of the faculty members at LaSalle College gave himself away when he mentioned his "six-months term in the State Penn". He tried to cover it up by saying he was giving a course in study there.

Revisionists Alarm Europe

Treaty Of Versailles Periled

The education of public opinion and the relinquishing of selfish demands are necessary if we are ever to secure world peace, according to Dr. John T. Ellis, of the Catholic University of America, who addressed the International Relations Club here December 19. Dr. Ellis established the St. Viator International Relations Club five years ago, and later founded a similar organization at the College of St. Teresa, Winona, Minn., where he served as Professor of History.

"The good which one derives from International Relations Clubs", Dr. Ellis said in discussing the first of his requisites for world peace, "is not immediately evident, but it does provide a background for education in international affairs. And, the only way we can get ahead of the fosterers of war is to educate opinion".

Sees Causes of Unrest

Dr. Ellis maintained that among the selfish nationalistic motives behind tense world affairs, French loans to countries created or made stronger by the Treaty of Versailles are predominant. Likewise, the jealousy of Mussolini of French superiority is a bone of continental contention.

The speaker outlined the policies of Hitler in Germany as a further cause for unrest. He listed among the dictator's international aims the recovery of the Polish Corridor and the Saar Basin, as well as a union with Austria.

"In the interval since 1918," Dr. Ellis declared, "all the weaknesses of the World War treaties have come forth before the eyes of the world. Even the most ardent nationalists of France now realize that they can no longer keep the lid on Europe or even Germany, because there has 'come up a cloud over the Rhine' in the form of Nazi Socialism".

Europe Divided

Dr. Ellis pointed out that Europe is today divided into two hostile camps, according to national acceptance of the Treaty of Versailles: the Revisionists, championed by Germany and including Austria, Hungary, Bulgaria, and Italy; the Anti-Revisionists, led by France and followed by Belgium, Poland, Yugoslavia, Czechoslovakia, and Rumania.

The demands of the Revisionists, according to the speaker, are to secure a revision of the provisions of the World War treaties along the lines of Wilson's "Right of Self-Determination". The Anti-Revisionists, on the other hand, claim that the best possible solution has already been found in the present arrangement.

"What holds these powers together?" asked the lecturer. "Obviously, the presence of money."

Dr. Ellis insisted that most impartial students of the situation are now agreed that some changes in the treaty provisions are needed. The problem is—just where these changes are to be made to the satisfaction and best interests of the world.

Figures Don't Lie—

What do students worry about? A survey was taken at Purdue which showed that studies are responsible for 42 per cent of the students' cares. Finance cause 30 per cent of the worries; family affairs cause 15 per cent, religion 4 per cent, and sex only 9 per cent. Such figures might surprise the general professoriate.

Viator Loses To Carthage In 2nd Conference Tilt

Last Half Rally Fails to Overcome Lead

Staging a thrilling, last half rally St. Viator College basketball team failed to overcome an early lead of Carthage last Saturday night and lost, 35 to 30. Danny Blazeovich, freshman guard, led the Viator scoring with six buckets, while Markel of Carthage sank five field goals and two free throws to share the evening's scoring honors.

Carthage Secures Early Lead

Listless playing and the failure to break fast and cut hard on the part of the Green Wave, enabled Carthage College to run up a lead of 10 points before Viator could cage a basket. The starting lineup of Straub and Chartier, forwards; Betourne, center; and Blazeovich and Knox, guards appeared at times in the first half to think that they were attending a teaparty. The substitution of Gibbons and J. Burke, forwards; Damler, center; and Rogers and Krauklis, guards, produced no improvement and Carthage was leading at the half by a 21 to 9 count.

Viator Rallies

Led by Danny Blazeovich and Don Betourne, the Green Wave, using Coach McNamara's system, staged a magnificent and spectacular rally that earned them 21 points. Blazeovich scored 12 of these and Betourne 7. Failure to convert free throws prevented the Irish from at least tying the game. The work of Knox and Blazeovich on defense during the second half was far superior to what they showed in the first quarter.

Thornton Injured

In the first few minutes of play, Thornton, star forward of Carthage, attempted to retrieve a rebound off the backboard and fell injuring his ankle severely. He was removed from the game and taken to the St. Joseph infirmary, where it was learned that the ankle had only been sprained.

DeKalb Next

Coach McNamara will return to his old college on January 17, with full intentions of helping to remove the DeKalb "Profs" as Little 19 Champs. The game promises to be a sell-out since it will be the first time in the history of the Little 19 Conference that a player has ever returned as the coach of another Conference team.

Leathernecks Defeat Irish By 35—26

Laeking And Means High Scorers

St. Viator basketball team's hope of a Little 19 Championship received a slight setback on Thursday, January 10, when the Leathernecks of Macomb, Illinois, defeated them 35 to 26 at the Western State Teacher's gymnasium. Western exhibited an uncanny accuracy in caging 13 of 16 free throws, and never relinquished the lead after the half way mark in the first half.

Leathernecks Pepper Basket

Henderson and Means, centers for Western, consistently outjumped both Betourne and Damler who were having difficulty with their timing. Western controlling the tip-off were thus in possession of the ball a good portion of the game. Statistics show that they took 43 shots at the basket, caging 11 while Viator cagers only shot 29 times and converted 9.

Laeking and Means Star

Laeking, veteran guard of the Leathernecks, dropped in five field goals to gain scoring honors for the evening, while his team-mate, Means, a center of 6' 3", caged 3 baskets and made six free throws. Straub and Chartier, freshmen forwards of the Green Wave, led the Irish scoring.

Coach McNamara used eleven of the fifteen players who made the trip to Macomb in an effort to find some that had their scoring eyes working but he was unable to succeed. The Viator quintet were unfortunate to hit Macomb on a night that they were particularly "hot".

Wise-Crack Prize Is A Toss-Up

The board of strategy has been unable to determine who should win the rubber pretzel this week. We are leaving it up to you to decide between the following two entries:

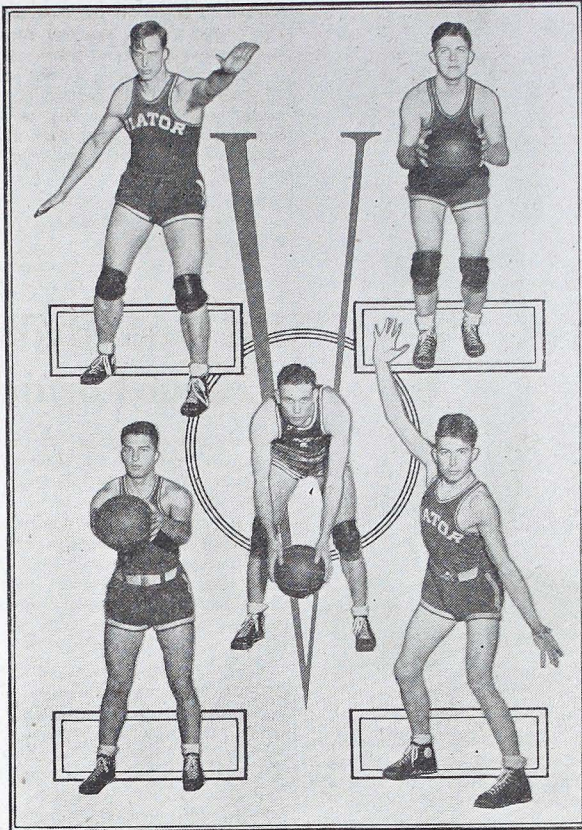

(1) A California professor of political science puts in a claim for the prize with the remark that "Politicians make bad bed-fellows, but they soon get used to the same bunk".

(2) A University of Missouri editor, however, gives the prof tough competition when, in a recent speech he stated his preference of a cow to a saxophone, because, in addition to the same sound, it gives milk.

An Improvement Maybe—

Mount Holyoke College is trying a new system of examinations. Seniors will take only three instead of five exams, the two left out being in their major departments.

Champions Still Intact

Reading: upper left—Dolph Guy, center; upper right—David McGrath, forward; center—John Burke, forward; lower left—Marion Aiello, guard; and lower right—Wm. Knox, guard.

Seldom, if ever, has it occurred that a high school varsity of any sort had all of its members enroll at the same college upon graduation. Imagine the joy a coach would receive if such occurred and you will readily see why Coach McNamara is so optimistic as to the possibility of St. Viator basketball teams winning the Little 19 Championship in his first year of tutelage. Indeed not only is Coach McNamara fortunate in having the complete Cathedral high quintet listed upon his squad but he also has an All-National Catholic forward and a number of other prep stars. With this over-abundance of basketball stars, all equally good, Coach McNamara is undecided, whether or not, he should break-up this quint and mold a new combination or to keep these lads as a unit. To date he has not broken the combination but has used it and two others, all proving equally effective.

Members of the Cathedral varsity, all hailing from Springfield are: Dolph Guy, center; John Burke and David McGrath, forwards; Marion Aiello and Wm. Knox, guards. Naturally these lads are freshmen and fortunate for Coach McNamara and St. Viator College they are all eligible for inter-college competition.

Dolph Guy, the rangy, sleepy-looking center, soars 6' 4 1/2" in height and weighs 195 pounds. He has never made an All-Star team but on the other hand he has been a very valuable member of a State Finalist.

John Burke is without a doubt the spark-plug of the combination. He played forward for four years and in that time he was leading scorer three seasons and second the fourth. Burke, like Guy, is a tall man reaching 5' 10" and weighs 165 pounds. Besides being a member of a State Finalist, he was selected in both 1933 and 1934 on All-City and All-State.

David McGrath is the baby of the "Champs" in that he is only 5' 8"

in height and weighs 160 pounds. His championship caliber is plain to all who know the intricacies of shooting and floorwork. Dave is the boy who lead the scoring the year Burke was second.

Bill Knox, 6' high and 155 pounds of dynamite, is one of the best guards ever to wear the "Green and White" of Viator. While playing at Cathedral he was named upon both All-City and All-State teams in 1934. Knox is the youngest in service with the "Champs" as he only played under Cathedral banners one year.

Marion Aiello is the other guard and captain of the team. He scales the beams at 170 pounds and is 6 high. Not as flashy a guard as Knox and only an average shot, Aiello is easily recognized as the brains and steading influence of the team. He was All-City and All-State in 1933 and 1934.

You have their record—Illinois State Finalist last season and still playing together. Will they help bring a Little 19 championship to St. Viator? Rooters of the Green Wave say YES and from all indications the Irish are going to be a hard team to beat.

Coach McNamara is confident that his boys will come through and has carded thirteen games with Little 19 colleges. Two have been played and lost but the season is young and Viator still has a chance.

An American Triumph

European countries often ridicule the American system of education, and, according to them, American colleges and universities are "impossible". Strange, then, that 8000 foreign students from 110 nations of the world attend our colleges.

Stanislaus Kostka, fullback on the national championship Minnesota team, was a candidate recently for the office of mayor in his home town. He withdrew when he discovered that he had a test on the day of his election.

St. Viator Whips Valpo In First Home Tilt 23-14

McNamaramen Win With Ease

St. Viator College basketball team made its bow of the home season Tuesday night, January 8, in the college gymnasium before approximately 800 spectators as it overwhelmed Valparaiso University, 23 to 14. Coach McNamara's boys led at all times.

The Green Wave used twelve men throughout the game and all performed in excellent style. The opening lineup for the Irish consisted of Straub and John Burke, forwards; Betourne, center; and Blazeovich and Knox, guards.

Second Squad Outstanding

With the score 8 to 4 in favor of St. Viator and ten minutes of playing time elapsed, Coach McNamara substituted an entirely new team. That quintet, consisting of "Streaky", Burke and Tom Gibbons forwards; Damler, center; Krauklis and Rogers, guards, performed like the veterans they were and were leading Valparaiso 12 to 6 at half time. Harold Chartier, a freshman from Bradley, replaced Burke near the finish of the half and did some fancy ball handling.

Betourne Leads Scoring

Collecting two free throws and the same number of baskets, Don Betourne, veteran center, led the Green Wave scoring, while Karr headed the Uhlans, dropping in a trio of field goals. Having scored but six points in the opening half the Valpo players played long shots in the second half and thrilled the spectators time and again by caging seemingly impossible shots.

Guards Outstanding Defensively

Blazeovich and Knox—Rogers and Krauklis, a pair of guards that any basketball team would like to have, are mainly responsible for the Viator quintet's victory, since they repeatedly smothered the Valpo attack and thus enabled the Green Wave to control the ball the majority of the time.

Would They Be Gin-flavored?

Will an intoxicated hen lay more eggs than her sober sister? this is a problem that the agriculture department of the University of Wisconsin has set out to solve. It comes from a report that an intoxicated chicken lays three eggs to one of the sober hen.

Viator Reserves Defeat Cooley's

St. Viator Reserves playing their first game of the season defeated Cooley Owls of Kankakee, 10 to 8, in a closely guarded, hard fought fray. Emerson Dexter, veteran of four years, lead the scoring with two baskets.

Foxen and Crannell, forwards; Larson, center; Dexter and Walsh the starting line-up showed plenty of promise but only fair shooting ability. At the half they were losing, 5 to 3, but baskets by Larson and Dexter (2) and a free throw by Shea in the closing minutes of the game brought victory to the Irish Reserves.

Intra-Mural Rules Made

The rules for the Intra-mural basketball leagues were drawn up yesterday by Brother Edward DesLauriers, director. The rules, to be effective during the entire season, are as follows:

- (1) There will be two games each night, five nights a week.
- (2) It will be necessary for the players to be in their playing clothes five minutes before the scheduled time.
- (3) The first game will be played at 4:30 and the second game will be played at 6:30.
- (4) Every game will be called exactly on time.
- (5) It has been found in the past that the absence of a player has caused the captain a great deal of difficulty. In order to avoid this, it has been decided that a team will proceed to play with four men until the arrival of the missing member. The opposing captain will be expected to respect his opponent's disadvantage by placing only four of his men on the floor. In this event the captain with a full team will be allowed to use the fifth man as a substitute.
- (6) It is well to remember that this league has but one purpose, it is purely recreational, possessing, of course, that necessary element of competition. Any sort of jealous competition will be regarded as unsportsmanlike and unbecoming to college gentlemen. All games will be officiated by student officials. It is requested that all their decisions be accepted. Any objections should be brought before the protest board of captains, which should not be necessary, however.

The basketball squad of this season is the largest in the history of the school—Freshmen form the bulk of the present squad—Only one veteran is in the starting lineup.

Viator Ace

Don Betourne

With a whole crew of fine new boys, Coach John McNamara, has watched several of the last years veterans give way to the new ability. One exception to that rule crops up in the case of Don Betourne, pictured above, one of the veterans who proved himself plenty good enough to hold down his position this year.

Don, a graduate of Kankakee high school, has been named honorary captain of St. Viator's starting lineup by Coach McNamara. Betourne who is only a sophomore, will be available for viator athletics for two more years.

The Great and Near-Great

Bill McGuirk, '27, was married recently and is at present office manager for a large coal concern in Chicago.

Clement Costigan, '27, has found time between deals in real estate to work his way up to the top flight of successful football and basketball officiating in Central Illinois.

Arthur Armbruster, '27, is a much settled and happily married man. He is guiding the destiny of the Armbruster grocery interests in Bloomington, Illinois.

Sam McAllister, '26, former athlete and coach, is associated with the M. & M. Trucking firm of Chicago.

Fritz Atkinson, '27, has been quite successful as a representative of the Equitable Life Insurance Society of Chicago.

Kenneth Clothier, '31, seemingly has lost none of his wiles on the hardwood court and is playing a bang up game with the Bloomington Commercial, a team highly rated in the pro field.

Mike Delaney, a former Viator student and a member of the Chicago Police Department for the past few years, has won a well-deserved promotion. Past meritorious service won him a position in the newly created radio cruising department for the prevention of Traffic accidents. A special course of instructions at Northwestern University was required to fit him for his new work.

PLEDGE

During the course of Intra-mural Basketball league, if the undersigned play three games, the one making the smallest average of points agrees to push with his nose a lead pencil up and back the length of the fourth corridor in Roy Hall at 9:00 o'clock at night on some date within a week after the completion of the league.

Signed: Thomas Joseph Fahey, Esq.
Edward O'Rourke.
Witnessed: Dolph Guy
Bro. Edw. DesLauriers.

I-M Basketball League Formed

Under the direction of the newly appointed Director of Inter-Mural Athletics, Brother DesLauriers, the students of Roy Hall held an election of captains for the Inter-mural Basketball teams. Nineteen captains were elected. Play will begin this week with two games every evening being played from 7 o'clock onward. One day student team shall be entered.

Newly elected captains are: Dilger, '37, Barzantny, '37; Wiser, '37; Ed. O'Brien, '37; Stockbar, '37; Quinn, '35; Saia, '37; Madigan, '38; Noonan, '35; Roche, '36; Kearns, '38; Bill Fleming, '36; Cavanaugh, '38; O'Leary, '37; Waldron, '38; O'Toole, '38; Speaker, '38; Dexter, '35; Masterson, '38.

The St. Viator Reserves will play in the Inter-mural league in order to gain experience. Men of any team who show promise may be taken at any time by Basketball Coach John McNamara and given a try-out with the varsity squad.

Swim Team Prospects Fine

H. Sellers Is Named Manager

Prospects of a successful swimming team at St. Viator this year look exceedingly bright, according to Brother Edw. DesLauriers, the newly appointed coach.

Many of the candidates to date are former high school stars. Among those whom Coach DesLauriers expects to make the team are: Basil Nicholson, Don Betourne, Dick Kendrigan, George Rogers, John Morris, Dan Barrett, Bill Schumacher, and Eddie Gerrity.

Nicholson last year was Inter-scholastic Backstroke Champion of the New England States while Betourne won the Inter-Mural Swimming Championship of St. Viator College last year. Dick Kendrigan holds many medals for fancy diving and the rest of these men all have outstanding records for past achievements.

Others interested in joining the swimming team are requested by Brother DesLauriers, to report to Harold Sellers, manager, for instructions.

Criticism of the editorials of the Bradley Tech was handled nicely by the editor. When the issue of December 20th appeared in the hall of the school the editorial column carried this subtle heading: "The Fine Art Of Pleasing Everybody". The following fourteen inches of space were blank except for two lines in small type that read: "Good Morning! We feel a bit suppressed. How do you fee?"

Tallest Cager

"Wee Willie" Damler

Possessed not only of the greatest height of any man on the Viator basketball squad, "Wee Willie" Damler, who is 6, 5", proves to all that he also has the biggest hands. Here he is holding two basketballs. Think it easy? Try it.

Damler graduated from Bradley high in 1933. He was captain then and leading scorer of his team, scoring 230 points in that season alone. Due mainly to his deadly shooting, Bradley won not only their district championship but also the Kankakee county championship. In 1933 and 1932 Damler was named as the outstanding center of Kankakee county.

Folks, keep your eye upon "Wee Willie", he's only a freshman at St. Viator now and he is still growing. At present he is Don Betourne's understudy at center and alternates with him during games.

Boxing, Swim Teams Started

Intercollegiate boxing and swimming have again been introduced into the St. Viator athletic curriculum, and Brother Edward DesLauriers arrived from the C. Y. O. Home in Chicago last week to take over the coaching of the two sports.

St. Viator has entered both the Little 19 Conference swimming and boxing leagues, and Brother DesLauriers is arranging for several meets with C. Y. O. teams. As yet, neither of the schedules have been completed.

Viator for many years had the outstanding swimming and boxing teams in the Conference, but the sports were discontinued when interest in them lagged. However, the demand for their revival has been so enthusiastic among the enlarged enrollment this year, that the College Council has decided in favor of their return.

The Very Rev. E. V. Cardinal, President, has also appointed Brother DesLauriers to coach Intra-mural Basketball, bowling, baseball, track and tennis.

Brother DesLauriers has already selected student managers for two of the activities: Harold Sellers, of Springfield, to manage swimming, and William Schumacher, of Chicago, to manage boxing.

Double Dribbles

Viator's hopes of a Little 19 Championship received violent setbacks when the Green Wave basketballers lost their first two conference tilts. Hope has not been abandoned, as yet, and the Viator fans are looking forward to better luck in the future. The Irish still have to meet DeKalb, Normal, Millikin, Shurtleff, Charleston and Carbondale, all conference foes. In all the Green Wave has 11 more conference games and a return game with Valparaiso University.

According to statistics the leading scorers of St. Viator squad are: Danny Blazeovich, freshman, guard—27 points; Don Betourne, veteran center—25 points; and Frankie Straub, freshman, forward—21 points.

Danny Blazeovich, high point man of the squad, resembles Ken Westray, former star of Viator athletic teams, so much that out at Macomb many fans mistook him for Ken. It was quite amusing to hear Leatherneck fans razzing Blazeovich, whom they thought was Westray.

The Irish starting line-up of Straub and Chartier, forwards; Betourne, center; Knox and Blazeovich, guards, consists of four freshmen and one sophomore, while the substituting team of Gibbons and "Streaky" Burke, forwards; Damler, center; Krauklis, Rogers guards has four veterans and one freshman. It has one senior, two sophomores, and a junior as members as well.

Frankie Straub has missed five field goals a game. . . Betourne and Blazeovich have each attempted 32 field goals. . . Betourne is also the leading scorer of free throws, having caged nine out of fourteen charity tosses. . . He also has received the greatest number of penalties, 6. . . Straub, Blazeovich and Krauklis each have garnered 5 personals. . . McClellan was chosen All-National Catholic forward in the tournament at Loyola, Chicago last year. . . Dante Chicatelli, a member of the varsity squad, hails from Stamford, Conn., where he was an All-State selection as guard.

Murphy has scheduled St. Benedict of Kansas, coached by "Moon" Mullins, the old Notre Dame star, for a night game which will probably be played in Chicago. Another new comer on the 1935 St. Viator football schedule is University of Wichita, Kansas, coached by Ed. Kebert of Jacksonville. St. Mary's of Winona, Minnesota, coached by Ed Krause, former All-American and Notre Dame star, will be played again. The date is not set but will probably be Thanksgiving Eve in Chicago. Southern Teachers, DeKalb, Valparaiso, St. Louis and Simpson will probably complete the schedule.

Father Of Viatorian Dies

As we go to press we are grieved to learn of the death of the Father of the Rev. A. J. Landroche, C. S. V. The deceased passed away on January 15.

The student body and faculty will attend the funeral which will be held in Maternity Church, Thursday, January 17. A Requiem High Mass was sung Wednesday morning in the college chapel for the repose of the soul of Mr. Landroche.

To Father Landroche and family, the VIATORIAN extends its prayerful sympathy.

CAMPUS BRIEFS

Being rushed at the last moments for copy and not in the mood to write this column myself, I hope you will pardon me if I give you a letter that I received from one of my best scandal gatherers, "Biddy Anastasia".

Dear Briefer:

Bum weather we've been having—a bit of a London fog—Lord Basil must feel at home. By the way, Mi Lord, what do you mean by violating the ol' English custom of sending Holiday Greetings? It must be the Eastern atmosphere for Palladino omitted a faculty member on his list. How do you like being cornered, Al?

Conditions have changed here since the holidays. Springfield has dedicated the number: "You're the Top" to Weiger Krauser. Marge prefers Chicago to the State House, we take it. Want a date while in Chicago? Call Columbus 8572.

Let's turn to the Upperclassmen at the Bismark—Whose heart misses a beat when Shirley is mentioned? That humble blush of yours discloses the secret, Phelan. Your public will learn January 19 if your Sweetie Pie be the noted Shirley Temple. Don't let Jane's absence make your heart grow fonder for somebody else—and we'd advise that you hold down to the French girl. Rog, if you and Phelan intend to duplicate the exchange stunt of the 27th, Anne must be here! . . . Maybe she will come with Bim's fair-weather friend . . . Do your stuff, ol' man Sunshine!

When will the brewery start in room number 304, now that the St. Louis boys, Tony and Bob (Mr. Robin) room together? Say, Kaiser, are you catching your room-mates

malady? We hear you tried to do a little upstanding of your own on December 26.

Extra! Village awakened by night echos! Oh, Mr. Cush! Better lower your tone of voice when walking our fair co-ed home . . . trade in that bass voice for a tenor.

The basketball score of the other night might have been 2 to 2 in the first minutes of play, but the crowd gasped when Barrett walked in . . . his score was 2 to 1 . . . Village girls are at last getting a break . . . and quit chiseling on Crannell, lil' lady-killer . . . you're hands are full.

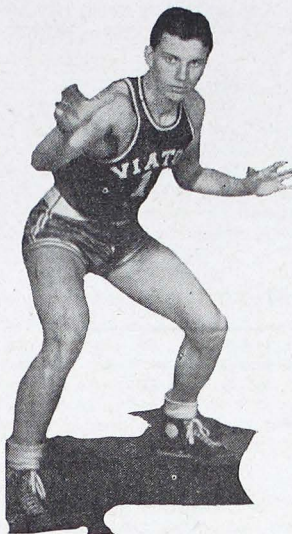

Here's a tip, Aloyious you'd better hibernate if you want to evade that volcanic eruption . . . you've learnt from history what its effects are . . . remember: "History repeats itself".

With Seymore's departure for Florida, Herman will stage a comeback . . . Fate always did take care of you, Hazel! With the New Year, Cavanaugh, change your theme song, "Love in Bloom" to "On the Good Ship Lollypop" . . . Maybe Phelan can get the words for you at the next dance . . . Finally Hamilton was introduced to that certain co-ed . . . How's your friendship progressing, Sam? Abe Rohinsky is very particular to address all co-eds as Miss since he has returned from Christmas Holidays . . . He raves continually about a certain Mary Zito of New Jersey . . . Wonder if she is the reason he came back so late?

So Long—
Biddy Anastasia.

P. S.—Excuse the abrupt finish but I saw some one creep up on me and so I thought it time to say adieu . . . maybe it was —oh well, I won't mention IT.

Freshman Star

Danny Blazeovich

Danny Blazeovich, one of Viator's newest stars, hails from DeKalb High of DeKalb, Illinois, where he played a stellar game at guard for three seasons.

Danny is only 6' tall and weighs a mere 164 pounds. He is only a freshman at the Viator College and followers of the Green Wave are wondering what he will be like when he grows to manhood.

While playing with DeKalb high Danny was captain in 1933-34. That year he was named on the All-State Tournament team as well as being selected for the DeKalb University Invitational Tournament team.

To date Danny has not only won a regular position upon the Viator team but he is also its leading scorer with 27 points. Coach McNamara expects Danny to be a mainstay of the Viator basketball teams for the next three years.

Start Training Of Pugilists

Wm. Schumacher Is Manager

Twenty-four candidates for the new boxing team reported to Brother Edw. DesLauriers last Saturday. The squad is the largest that has ever existed at St. Viator. Many of the candidates are former C. Y. O. boxers and it would seem that the St. Viator team of pugilists may live up to the excellent reputation of former boxing teams.

Likely looking candidates are: Joe Kalkowski and Joe Sprafka both members of the Chicago C. Y. O. boxing school; Harry Hogins, Clarence Noonan, Ted Cush, Tony Marik, Temmie Gibbons, and Ken Corcoran. These boys have all had previous training and it won't be long before they and the others will be ready for a few bouts.

To date no schedule has been arranged but Brother DesLauriers has appointed Wm. Schumacher, of Chicago, as manager and has instructed him to secure matches with other Little 19 schools as well as with local teams.

Bowling Contest Draws Near End

The St. Viator Inter-Mural Bowling Tournament is rapidly drawing to a close with Captain George Fleming's team leading. The Fleming's have won the Bowling Tournament for the past three years and it is a safe bet that they will repeat again this year.

Teams captained by George Rogers and Ken Corcoran are running a close second but will be unable to overtake the Fleming's. Choice for second place is a toss-up as both the Rogers' and the Corcoran's are evenly matched and there is every possibility that they will tie.

The cellar position of the Tournament is occupied by the O'Brien's. Captain Eddie O'Brien has been doing some good bowling himself but his team mates have been going poorly and as a result they have not won a match as yet.

The remaining eight teams are spread in between these and are about equal in ability.

SPORT SHORTS

Roy Hall is the scene of much activity these days as the "Big League" managers convention is being held and much trading is being done to get ready for the Intramural Basketball Tournament. Managers of 19 of the teams are attending the convention. Jim Crowley of the Day Dogs is the only manager absent. It is understood that his roster is already completed and such stars as Louie Drassler, Joe Schmidt, and Lester Soucie have already signed contracts and will appear on the Viator court this season in Day Dogs uniforms.

Manager Crowley is confident that his team will again win the Intramural Championship as they did last season. Jim Ryans quintet, second last year, is under the management of Eddie O'Brien this season and will be known as the "Texas Breeders".

The league is composed of these teams:

- Roche's—Switchmen.
- Dexter's—Wolves.
- O'Leary's—Midgets.
- O'Toole's—Puritans.
- Speaker's—Pushers.
- Madigan's—Red Tops.
- Dilger's—Sluggers.
- E. O'Brien's—Texas Breeders.
- Quinn's—Rats.
- Madigan's—Red Tops.
- Noonan's—Sparkplugs.
- Kearn's—Apple Knockers.
- Cavanaugh's—Crooners.
- Waldron's—Sleepers.
- W. Fleming's—Sod Busters.
- Crowley's—Day Dogs.

Kaiser Barzantny's—Nazi's.
Varsity "B"—Hamburgers.
Stockbar's—Slewfoots.
Saia's—Mudcats.

Rumors as usual are flying fast about who will win, etc. Your columnist, however, will play safe for a while and after a few of the games will make his predictions as to the probable outcome of the league. Will also pick an All-Star team at the end of the season.

The Varsity "B" team while playing in this league are doing so only for practice and will not be crowned as champs should they defeat the majority of their opponents. Coach McNamara, varsity coach of basketball, has stated that he will watch all the games and if a player should show ability of exceptional sort, he will be given a try-out with the varsity. Come on you who are hiding your light and show the coach some basketball skill.

News for those interested in swimming—the pool is filled at last — Thanks to you Brother Eddie DesLauriers! Candidates for swimming teams are wanted.

Boxing candidates are working out every afternoon under the direction of the new coach . . . Mongram men may act as advisory coaches to the newly formed Intra-mural Basketball teams . . . St. Viator athletics will soon be as numerous as the Big Ten physical education programs.

An Appreciation

To everyone at St. Viator College we extend sincere thanks for the valuable gifts for our chapel and home.

Especially do we thank the coeds for the Christmas tree, the decorations, and the table loaded with god thins; you made our first Christmas with you a never-to-be-forgotten one. We likewise appreciate your interest in helping to equip and improve the College Infirmary.

May God reward you all a hundred fold with his choicest blessings throughout 1935.

The Sisters.

WHAT IS MORTEX?

Perfect Preservation Protection

Emulsified Asphalt Liquid

A perfect protective coating for brushing, spraying or trowelling, being a high grade Mexican asphalt dispersed as minute particles in water for convenient handling. It is applied cold. As the moisture evaporates, a black, flexible rubberlike film remains which is water-proof, acid, alkaline and fire resistant, and shuts out infiltrations of air.

Mortex 5 does not crack or peel in coldest weather, nor blister, sag nor run on hottest days and always remains elastic. It is odorless, tasteless and noninflammable and can be safely used in confined, places. It readily bonds to all clean surfaces, and also to damp surfaces, but should never be applied over rusty, dirty, greasy or oily surfaces or an imperfect bond will result. Use only on clean surfaces to obtain perfect satisfaction.

Used for DAMPPROOFING WALLS and FLOORS, PAINTING GALVANIZED IRON, PROTECTING CLEAN IRON AND STEEL, ROOF REPAIRING and as an ADHESIVE. It can be mixed with Portland Cement and dries out a soft gray color for patching deteriorating concrete.

In Little 19 Camps

Campus Backs I-M Sports—
St. Viator College Club has decided to back the Intra-mural Athletic program of the College in a big way. At a meeting of the club, which is the major organization of the campus, it was voted to support the I-M activities and a donation of a large sum was also voted.

Honor Men at North Central
Leonard Yuknis and Captain Robert Young of the North Central College basketball team, played together in high school. They were both recently enrolled in the National Honor Society.

Family Tradition—
Charles McClintock, of West Frakfort, captain of the Shurtleff basketball team, is the youngest of three brothers who have attended Shurtleff. In addition to his basketball activities, he was captain

of the tennis team last season. During the 1933-34 cage season his scoring record was 117 points in conference games.

Unanimously—
Howard Laran of East St. Louis has been unanimously elected captain of the 1935 McKendree football eleven. Larsh is the first McKendree athlete in three seasons to receive the entire vote of the squad of lettermen. Wilson was designated as the most valuable member of the 1934 team.

Jinx Bug Hits Charleston Squad—
Charleston Teachers' chances for a strong basketball team this season have been hurt by injury to "Joker" Jones, who suffered a serious fracture of his left arm in the game with Macomb "Leathernecks". He will be out of action the rest of the season.

Fred Snedeker, another Charleston athlete, is just recovering from the knee injury which he received prior to the DeKalb game. He has been on crutches and canes for almost two months.

Working His Way Through College

Archie Van Ausdal, veteran James Millikin guard, is unable to play basketball for Millikin when the Big Blue team plays out of town. He has secured a steady job that precludes out-of-town basketball trips.

Signal Callers—
Two brothers, Mike Lenich and Steve Lenich, played quarterback on two different football teams of the Little 19 Conference, during the past season. Mike was regular field general for Carbondale and Steve called signals for James Millikin.

Interesting Items—

Inaugurating the Intercollegiate 150-pound football league Yale played and defeated Lafayette on October 27. A number of Eastern colleges have already decided to join the league.

President Roosevelt while editor of the newspaper at Harvard in 1900 scooped the Yale paper by several minutes when he lugged a one man press into the Yale stands during a Yale-Harvard game and turned

out copies of the final result and sold them at the gate.

It takes an average college man four years to learn:

1. That professors always have and always will give girls the better grades.
2. That you can't invite three girls to a dance without getting into trouble with at least one of them.
3. That some time you'll have to go to work.

In answer to a questionnaire by the Student Association, American University undergraduates voted President Roosevelt the greatest living American with Norman Thomas running second and Herbert Hoover third.

According to press dispatches, a football star on a far western university football team survived a very strenuous brid campaign without any serious injuries whatsoever. During the holidays while sleeping with his younger brother he received a dislocated shoulder when the youngster kicked him. No doubt the baby brother just wanted to know if his brother could take it.

A district conference of international relations clubs will be held at Northwestern University in April. Representatives from the Big Ten schools will be present to discuss plans for the enlargement of their clubs.

Our political situation is tame here compared with that at the University of California at Los Angeles for candidates for student offices there have to be protected by the police to protect them from being kidnapped by opposing forces.

We wonder what effect this would have on us when we meet our axams—Colgate has introduced brilliantly colored covers for examination books with a view to taking the student's mind off the impending terror—The American Campus.

Crooning was defined by Noah Webster, who preceeded radio by many years, as a continuous hollow sound, as of cattle in pain. Noah must have had the gift of seeing into the future.

Did you ever notice..in a roomful of people..the difference between one cigarette and another..and wonder why Chesterfields have such a pleasing aroma

Many things have to do with the aroma of a cigarette . . . the kind of tobaccos they are made of . . . the way the tobaccos are blended . . . the quality of the cigarette paper.

IT takes good things to make good things.

Someone said that to get the right aroma in a cigarette, you must have the right quantity of Turkish tobacco—and that's right.

But it is also true that you get a pleasing aroma from the home-grown tobaccos . . . tobaccos filled with Southern Sunshine, sweet and ripe.

When these tobaccos are all blended and cross-blended the Chesterfield way, balanced one against the other, you get a flavor and fragrance that's different from other cigarettes.
