

Delegates Are Named to Attend General Chapter

President Says College Club is Dismal Failure

Delegates of Various Provinces will Elect a New Superior General And Vicar of Viatorian Community

At a meeting of the Provincial Chapter of the Clerics of St. Viator held at the College during the

Christmas holidays the Rev. James A. Lowney, C. S. V., professor here, Brother Casimir J. Gedwell, C. S. V., assistant Provincial Procurator, and the Rev.

Rev. J. O'Mahoney Joseph F. Moisan, C. S. V., pastor of St. Joseph's Church of Springfield, Ill., were elected delegates to the general Chapter which will convene in Brussels, Belgium after Easter. The three elected delegates with the Very Rev. J. P. O'Mahoney, C. S. V., provincial, will represent the Chicago Province.

Alternates Named

Alternate delegates named at the Provincial Chapter meeting were the Rev. Daniel A. O'Connor, C. S. V., principal at Cathedral High School of Springfield, Ill., the Rev. William J. Cracknell, C. S. V., registrar of the College, and Brother Edward J. McLachen, C. S. V., Fourrier Institute of Lemont, Ill.

The General Chapter in addition to the discussion of many legislative questions, will also elect a Superior General and Vicar of the Community to succeed the present Superior General, the Very Rev. F. M. Roberge, C. S. V., who has signified his desire to retire because of ill health. Father Roberge formerly was president Bro. C. Gedwell of Joliet Seminary in Canada.

Father Roberge, the present Superior General, has met with marvelous executive ability many grave problems growing out of the condition in Spain where many houses of the Clerics of St. Viator are located. Under the oppressive burden of these world wide problems he feels the weight of his three score and ten years. The strain of directing a religious community under such circumstances has undermined his health to such an extent that he calls for a younger man to succeed him.

COLLEGE IS WELL REPRESENTED

The Very Rev. E. V. Cardinal, C. S. V., Ph. D., the Rev. Joseph A. Lowney, C. S. V., and the Rev. William J. Bergin, C. S. V., represented the faculty at the National Philosophical Convention held in Chicago on December 21. The student representatives were Brother Patrick Toomey, C. S. V., and Brother Norbert Ginsberg, C. S. V.

Rev. Dr. E. V. Cardinal Names the Rev. J. W. R. Maguire As New Personnel Director

The Very Rev. E. V. Cardinal, C. S. V., Ph. D., president of the College, in an address delivered on January 8, in the Seminar Room immediately after a meeting of the College Club, stressed the fact that the College Club is failing to completely fulfill its avowed purpose.

The College Club, according to the preamble of its constitution, should stimulate interest in social, intellectual and moral activities among the students. "Thus far," declared Dr. Cardinal, "the intellectual and moral purposes have been entirely disregarded while the social end of the College has been over-emphasized." As a means of fulfilling its intellectual function Dr. Cardinal suggested an addition of books to the library and an encouraging of the present work being performed by the Library staff. He also pointed out several means whereby members of the college Club and the College Club itself could further the moral and spiritual welfare of the student body.

Dr. Cardinal also stressed the need of a personnel officer in the College, whose duty it would be to give vocational guidance and aid the student in securing a suitable occupation after graduation.

The man appointed to office had to necessarily be a member of the faculty but not a member of the College Administration. The man best qualified for the position, according to Dr. Cardinal, is the Rev. J. W. R. Maguire, C. S. V., head of the Commerce Department. Dr. Cardinal therefore said that he felt it was his duty to appoint Father Maguire as the Personnel Director of St. Viator College.

Father Maguire, in view of the tremendous task before him, that of personally examining each student beginning with the seniors, has been given permission by Dr. Cardinal to appoint several members of the faculty as his assistants.

MORRIS NAMED ADVISOR

John F. Morris, '37, of Danville, has been named one of the four consultants for the Holy Name Society by President Richard Powers, '39. Mr. Morris' appointment came as the result of the active part he has played this year in campus activities. As general chairman of last fall's Homecoming, he displayed an executive ability which could not go unrecognized.

The announcement of the similar appointment of George Rogers, '37, Edward Buttgen, '37, and Frank Straub, '38, in the last issue of the VIATORIAN did not list the name of Mr. Morris because the Holy Name head had not informed this office of the Danville senior's assignment.

NEW DEAN

REV. PAUL G. HUTTON, C. S. V.

FR. PAUL HUTTON NAMED AS FR. JOS. RYAN'S SUCCESSOR

Ill Health Forces Popular Dean of Men To Resign

The Rev. Paul G. Hutton, C. S. V., according to an announcement made late last week by the Very Rev. Dr. E. V. Cardinal, C. S. V., president of the College, has been appointed to succeed the Rev. Joseph Ryan, C. S. V., as dean of men.

Father Ryan recently resigned because of ill health and is now receiving treatment at the Mayo Clinic at Rochester, Minn.

Father Hutton was a resident of Kankakee until he entered religious life. He graduated from St. Viator College in 1928; taught one year at St. Viator Academy, and then continued his studies at Catholic University, Washington, D. C. Father Hutton received his master of arts degree, with a major in economics, from Catholic University in 1933, and is a candidate at the same university for the doctor of philosophy degree, having completed all but his year of residence.

Father Hutton will not be new to the problems of discipline he will be called upon to handle as dean of men. He has served as prefect of discipline for the past four years under Father Ryan.

BRADY, ADAIR FILL CHORAL CLUB POST

Peter Brady, '39, and Walter Adair, '40, were elected vice-president and secretary respectively at a recent meeting of the Choral Club. Peter Brady is the first to ever hold the office of vice-president in the Choral Club while Walter Adair succeeds H. Robert Lenahan, '39, resigning secretary.

Mr. Lenahan, star football and basketball player, offered his resignation on the plea that athletics took so much of his time that he found it necessary to drop all other forms of extra-curricular activity in order that he might find time to study.

Irish Debaters Engage Twenty Foes at Normal

Buttgen and Ward Represent Viator In Tournament's Legislative Assembly

Eight Bergin debaters were among the representatives from 23 colleges at the fifth annual Invitational Debate Meeting in Normal on January 8 and 9. Final standings of the participating teams were not published when the Viatorians left Normal, but unofficial announcement placed the local men near the top.

Colleges from five states entered debaters in the meet to discuss the proposition: "Resolved: That the extension of consumer cooperatives would contribute to the public welfare."

In division A of the tournament, which required the contestants to debate on both sides of the question, St. Viator was represented by two teams: Martin McLaughlin, C. S. V., '39, and Edward Buttgen, '37; Donald Foley, C. S. V., '40, and Daniel Ward, '40.

In division B, which required the defense of only one side of the question, were also two Viator teams: Patrick Toomey, C. S. V., '37, and Maurice Robinson, C. S. V., '40; James Zigerell, '40, and Harold Bunte, '39.

Legislative Assembly

One of the features of this year's meeting was a legislative assembly, in which Father Maguire acted as parliamentarian. Messrs. Buttgen and Ward had seats in the assembly as legislators from St. Viator, with all the usual privileges of speech and vote.

At this meeting, 44 delegates discussed a bill to repeal the Illinois Cooperative act of 1915. The final vote defeated the passage of the bill.

The four Viator teams, each engaging in five debates, opposed representatives of the following schools: McLaughlin and Buttgen: Western State Teachers of Michigan, Illinois Normal State University, Charleston State Teachers, Bunte and Zigerell: Loyola, Illinois Wesleyan, Wheaton, two teams from Illinois Normal State University.

Foley and Ward: Wheaton, Loyola, Olivet, Illinois Wesleyan, DeKalb, Toomey and Robinson: Franklin, Augustana, Illinois Normal State University, Charleston State Teachers, Bunte and Zigerell: Loyola, Illinois Wesleyan, Wheaton, two teams from Illinois Normal State University.

WANTED REWARD OFFERED

Several additional male voices, ranging from a deep bass to the shrillest of sopranos, to fill in the woefully weak chorus of the Choral Club. These additional voices are needed particularly for the operetta, "The Pirates of Penzance", which will be presented in conjunction with St. Frances College of Joliet during Music Week.

The Rev. M. P. Loughran, C. S. V., musicale director, would also like to have information from the coeds of the College concerning their desires about the Coed Chorus of the Choral Club. Shall it be continued?

Social Functions Need Approval Of College Club

George Rogers, Club President, Names Social Committee To Co-ordinate Activities

William J. Schumacher, '37, Miss Claire J. Legris, '37, Richard Powers, '39, and William Cahill, '39, were appointed by George Rogers, '37, president of the College Club, as members of the Social Committee of the College at the third meeting of the College Club on January 8.

According to George Rogers the new committee will have complete charge of the College Social Calendar and all campus organizations will have to secure approval from it before they may hold any meeting or social function. Petitions for permission to stage organization activities must be presented to William Schumacher, chairman, and will be acted upon immediately by the members of the Social Committee.

Each and every campus organization, according to George Rogers, will be sure of adequate representation on the new committee. He made it a part of his appointment to indicate which organizations each member of the committee was to represent. William Schumacher, chairman, is to handle the affairs of the Monogram Club, the International Relations Club, the Bergin Debating Society, the Athletic Association and the Viatorian; Miss Legris will represent the Upsilon Sigma Upsilon Sorority and the Day Student Organization; Richard Powers cares for the Choral Club, the Holy Name Society, the St. John Berchman Society and the Cisca Club; while William Cahill will represent the Engineering Club, the Science Club and the Economic Club. It is hoped that in this way a better organized schedule of social events is to be had.

New Dean

The Rev. Paul G. Hutton, C. S. V., newly appointed Dean of Men, was formally presented in his new capacity to the members of the College Club. Father Hutton spoke briefly of his appointment expressing regret over the Rev. Joseph Ryan's inability to return and also explained that there would be no new rules of discipline under his regime. He asked for the full cooperation of the student body and was assured of it by the members of the College Club.

The Rev. E. J. Hoffman, C. S. V., moderator of the College Club, gave a short account of the financial condition of the club.

Irish Boxers Receive Trophy From CYO

The St. Viator boxing team was awarded a silver loving cup for winning the team championship in Class B of the suburban sections of the recent Catholic Youth Organization tournament.

The College was represented by Don Morgan, Captain; J. Emmett Bach, Lawrence Roemer and Louis Moore. All of their names have since been inscribed on the trophy. Coach Lou Zarza's name has also been placed on the base of the trophy.

Gold Footballs And Letters
Awarded To Twenty-one

St. Viator's Little 19 Co-Championship eleven was honored on December 15 at a testimonial dinner in Chicago and twenty-one members of the squad were awarded monograms and gold footballs. The dinner was sponsored by the Misses Mary and Helen McNulty of Chicago and was held in the Del Prado Hotel, 53rd and Hyde Park Boulevard.

Reverend "Pat" Conway, '08, acting as toastmaster, introduced the guest speakers of the evening. The speakers spared no superlatives in their praise of Viator and Viator men and offered high commendation to the Irish Coaches, John McNamara and Lou Zarza, and to the 1936 football squad. The following men appeared on the banquet's program: the Reverend Timothy Rowan, '11, Ph. D., editor of the New World; C. Hoynes, formerly sports editor of the Chicago Globe and now the Internal Revenue Agent in Chicago; "Mike" Delaney, '28, famous fullback during 1925-28; the Reverend "Jimmie" Fitzgerald, '08, one of the greatest halfbacks ever to wear the Green and White of Viator; Coach John J. McNamara; Assistant Coach Lou Zarza; Captain Tommie Gibbons; the Rev. J. W. R. Maguire, C. S. V., the Very Rev. J. P. O'Mahoney, C. S. V., Provincial; the Rev. Dr. E. V. Cardinal, C. S. V., president of the College, and the Reverend F. J. Harbauer, C. S. V., director of athletics.

Father Cardinal read wires of congratulations from Mayor Edw. J. Kelly of Chicago and Governor Henry Horner. Each of the state officials, who are members of the St. Viator Extension Club, expressed his pleasure at "our team's" successful season and also expressed his regret at being unable to attend the banquet.

Irish gridders who received monograms and gold footballs were: centers—John Morenc, '40, South Bend, Ind., and John Lannon, '37, Chicago, Ill.; guards—Joseph Sala, '37, Greenville, Miss., George Cusack, '40, Chicago, Ill., William Leeson, '40, Bloomington, Ill., and Adrian Lessard, '40, Gary, Ind.; tackles—Raymond O'Connor, '39, Gary, Ind., Joseph Jenesky, '40, East Chicago, Ind., John Stevens, '38, Springfield, Ill., and Frank Clays, '39, St. Charles, Ill.; ends—Daniel Blazevich, '38, DeKalb, Ill., Robert Bates, '40, Champaign, Ill., Donald Betourne, '37, Kankakee, Ill., and Barney O'Connell, '39, Kankakee, Ill.

Quarterbacks awarded monograms were: Anthony Sacco, '40, Raymond Weaver, '40, and Robert Donnellan, '39, all from Chicago, Ill. Halfbacks who earned their letters included: Captain Thomas Gibbons, '37, Minonk, Ill., William Walsh, '38, Petersburg, Virginia, and Luke Gleason, '40, Bloomington, Ill. Robert Lenahan, '39, Vincennes, Ind., was the only fullback to receive a monogram award. Ray Weaver listed as a quarterback in the awarding of monograms, however, served as Lenahan's substitute at times in the fullback berth during the past season. The remaining members of the 1936 football squad each received a two-pound box of candy. The awarding of the sweaters, blankets and gold footballs were made by the Rev. F. J. Harbauer, C. S. V., director of athletics and the Rev. Jos. Ryan, C. S. V., dean of men.

Last Rites Held for Fr. Bourget

Bishop B. Sheil, '06, Celebrant of
Pontifical Requiem Mass For
Famous Viator Alumnus

Clergy and laity of the Archdiocese of Chicago joined last month in tribute to the late Rev. Edgar Bourget, a Viator alumnus of the class of 1886 and for many years Archdiocesan Director of Music. Father Bourget died on December 11 in Miami, Fla., where he had gone for a brief rest.

The body of the aged priest lay in state in Our Lady of Grace church, of which Father Bourget had been choir director and organist for a number of years, from Tuesday morning until the hour of the funeral on Wednesday. Pontifical Requiem Mass was celebrated by the Most Rev. B. J. Sheil, D. D., V. G., Auxiliary Bishop of Chicago.

Father Bourget received his early education in his native Quebec, and while studying both there and at St. Viator, he displayed and developed a high talent for music. He directed choirs in numerous Chicago churches, including St. Viator Church, and will be remembered by hundreds of Chicagoans as the zealous, sincere priest whose love for the beautiful in church music was an ever-present reality.

Sister M. Adjuta Celebrates Jubilee

Sister Mary Adjuta, a member of the Sisters of Notre Dame who are stationed here, celebrated the Silver Jubilee of her profession on January 4.

A Solemn High Mass was sung at six-thirty on January 4 by the Rev. Wm. Cracknell, C. S. V., registrar of the College. The Sisters of the Community sang and Brother George Carson was the organist.

Sister M. Adjuta received numerous expressions of congratulations among which was a bouquet of roses from the Very Rev. E. V. Cardinal, C. S. V., Ph. D., president and gifts among which were Very Rev. J. P. O'Mahoney, C. S. V., Provincial; the members of the faculty, the students and the employees of the College.

Sister M. Adjuta wishes to express her thanks to all through the columns of the VIATORIAN.

Village Selects Zarza For Kids

The children of Bourbonnais will again receive supervised recreation under the direction of a competent playground director, it was announced recently by the Village Board of Education. Lou Zarza, physical education director of the College, has been selected as the new director for the village boys, and classes will be held in the St. Viator gymnasium since the village has no suitable place.

Lou Zarza announces that the lower grades will meet on Monday, Wednesday and Friday, while the higher grades will have Tuesday, Thursday and Saturdays for their instructions.

Sophomore Cotillion Will Be Held Feb. 6

According to an announcement made by Daniel Murphy, president of the Sophomore Class, the Sophomore Cotillion will be held in the St. Viator Field House on February 6. Tickets are on sale at present and may be secured from John J. Hart.

Robt. Hickey, '40 Suffers Loss Of Eye In Accident

Classmates and Faculty Extend
Sympathy and Best Wishes

The week preceding the Christmas recess Robert Hickey, '40, resident student from Dekalb, Ill., suffered the loss of an eye, the iris being pierced by a piece of steel which flew up as he was hammering on a lock.

Regardless of the best available medical attention administered at the College Infirmary and St. Mary's Hospital in Kankakee not much could be done. It was feared that a cataract would form so Robert Hickey was promptly moved to Chicago where he is now under the supervision of several specialists.

Bob was a member of this past season's football squad, a sport in which he improved rapidly. He saw action in several of the inter-collegiate contests.

It is hoped by both the faculty and the student body that he will be able to return to school in the near future.

Clerics Escape Death By Fire

Rev. Emmett Walsh, C. S. V., '28, and Brother John Shipman, C. S. V., '36, narrowly escaped death during the Christmas holidays when a Stretator, Ill., apartment building in which they were sleeping burned to the ground. Though they escaped without injury, both clerics suffered losses of clothing and personal belongings, and the nearly-completed manuscript of a research work on which Father Walsh had been working for several months was lost.

Father Walsh, last year's moderator of the VIATORIAN, is now studying for his doctorate at the Catholic University of America, and Brother Shipman, former fourth corridor prefect, is studying for his master degree at the same school.

WRANGLERS WILL BE ON AIR AGAIN

The Bergin Debating Society will present three broadcasts over Radio Station WCFL during January. Last Saturday's program period was allotted to Monmouth College and North Central College, but local men will take over the air again on January 16 when Francis Nolan, '40, and Daniel Ward, '40, will meet Rosary College.

A diversion from the regular radio programs will be more on the following Saturday. Harold Bunte, '39, and Edward Buttgen, '39, will engage two speakers from Rockford College in an informal panel discussion on the benefits of college education.

Donald Foley, C. S. V., '40, and Alfred Hebert, C. S. V., '40, will oppose North Central College on January 30. The wranglers will debate the relative merits and demerits of a written constitution.

PRESIDENT TO SPEAK JAN. 25

The Very Rev. E. V. Cardinal, C. S. V., Ph. D., president of the College, according to an announcement made recently, will speak over a national hookup on the Mutual Broadcasting Company on January 25. Father Cardinal will speak from radio station WGN at 12:35. His topic will be entitled, "The Glory of Living."

Briefs From Our Viator Club Chapters

Shanghai, China.—"Greetings to our friends in the United States! The New Year will bring to us our hearts' desire in seeing the first Viatorian house opened in the Far East. We expect to move into our residence in the community quarters of the new school building sometime during the month of January. You are all invited to attend the grand opening, spiritually since we realize that you can not do so in person.

"We are now fifteen confreres of the Clerics of St. Viator stationed here in the Orient. All of us are well."

Rev. Roger C. Drolet, C. S. V.

Springfield, Illinois — Andrew O'Laughlin is now a member of the faculty of the Junior College here. He graduated from St. Viator in 1925.

Washington, D. C.—The following letter arrived in the VIATORIAN office during the Christmas holidays December, 1936.

Dear Bill:

I regret very much that it has been, and still is, impossible for me to furnish the information requested in your recent letter. I have on two occasions asked the various members of the Washington Viator Chapter to send me a brief sketch covering the work which they are doing and have done since leaving St. Viator College. Thus far I have received only two replies. We are contemplating another meeting rather soon and I will try to obtain the sketches at that meeting, rather than relying on the boys to send them in.

Insofar as the news of our Chapter is concerned I have this to offer. I entertained the members at my home on November 26th. After a full evening of discussion of problems political, economic and religious, and several glasses of ginger-ale, we had a midnight supper consisting of baked beans, baked

ham, celery, olives, bread, cheese and coffee. I read them your letter, showed them the copies of the VIATORIAN which you so kindly forwarded, and asked them to send me the biographical sketches referred to. Everyone seems to be enthusiastic in regard to our Chapter. The next regular meeting is to be held at the home of Paul Clifford. Many of the members of our Chapter are at present taking additional class work; I hope to be able to give you full details on the matter later.

Father Tom Lynch, formerly an English instructor at St. Viator College and Dean of Studies, and now professor of English at St. Thomas' College, Philadelphia, was in Washington over the holidays and was entertained by Callahue, most of the other fellows dropping in at one time or another.

The discussion of our last meeting dealt with the current Spanish situation and also the English King's matrimonial difficulties. Father Emmett Walsh, formerly moderator and advisor of the VIATORIAN staff, was also present. He is now studying at Catholic University here. John Tracy Ellis, who is studying for the priesthood at the Sulpician Seminary, Catholic University was another old grad of St. Viator present.

Several weeks previous to our last meeting Father Cardinal was in Washington and met with a number of us at Callahue's. He gave us current information concerning doings at the College.

Well, the above isn't much, but with a little editing I think you can whip up a few brief notes on our Chapter. I am very sorry that I haven't time to do it myself and send it in better form. I am a rather busy individual around the end of each year, which is the best excuse which I have to offer, mammon must be served at times.

Kindest regards,
W. J. McClelland,
Secr. Washington Chapter.

Science Club Will Hear Dr. J. Mizelle

Dr. John Mizelle, head of the department of Animal Pathology at the University of Illinois, according to an announcement made by the moderators of the Science Club, will address members of that organization at its next monthly meeting. While no definite date has been set for the meeting, Dr. Wm. C. VanDeventer stated that the subject of Dr. Mizelle's address was known to be "Immunity of Animals".

Notices concerning the appearance of Dr. Mizelle will be posted on the campus bulletin boards sometime this week.

Seniors Will Soon Have Their Rings

Fifteen of the forty-four members of the Senior Class have ordered class rings and it is expected, according to Edward Buttgen, class president, that the new rings will soon be adorning the fingers of the seniors.

According to members of the Senior Class, eleven of the rings ordered will have emerald stones while the remaining four will have ruby settings. Surrounding the stone setting is to be engraved "St. Viator College" and the graduating seniors degree will be engraved on a shield on the guard of the ring. Seniors names will be engraved inside the band of the ring.

Rev. G. Lambert, '94 Interned At St. Rose

The body of the Rev. George J. Lambert, a Viator alumnus, lay in state for 24 hours in St. Rose Church of Kankakee on January 7 and 8.

The Rev. P. B. Dufault was celebrant at the Solemn Requiem Mass of the funeral services, and was assisted by the Rev. Peter Egan as deacon and the Rev. B. J. Mombleau as sub-deacon. The Rev. William Joyce, of Helena, Mont., a former classmate of the deceased priest, preached the sermon. Several members of the Clerics of St. Viator were in attendance at the funeral.

Father Lambert died in a Peoria hospital following an illness of two weeks.

Viator Men Are Critic Judges

The Rev. J. W. R. Maguire, C. S. V., debate coach, and the Rev. T. E. Shea, of Pontiac, were critic judges at the fifth annual Invitational Debate Tournament at Normal last week. Father Shea has long been acclaimed here as one of the best debaters in the line of distinguished men who have defended Viator on the rostrum. Father Maguire has been associated with debating since it was first introduced here.

SORORITY NOTES

The holidays saw another campus romance climaxed, and now Mr. and Mrs. is the name! Our best wishes go to the former Miss Frances Mary Clancy, '32, and Joseph Hogue, '32. The happy couple will live in Fort Wayne, Ind., where Mr. Hogue has bought a new home and where he is presently employed. Before her marriage, Mrs. Hogue had been teaching in Ashkum and Bradley.

Miss Rachael Roach another member of the class of '32 is following a course at Gallagher's Business College in Kankakee, after which she will take up a secretarial position awaiting her.

The "bird of ill omen" seems to have some grudge against Mary Anthony who suffered a fractured arm and bruises when taking a severe fall on the ice. However, when rushed to the hospital she felt much at home as it's been less than two weeks since Mary ended her stay there. We trust this will be her first and last misfortune of the new year.

The social held just before the holiday season was well conducted under the able chairmanship of Miss Lucille Hartman, '40. The Sorority is indeed grateful to all Freshmen coeds who made it possible for Sigma Upsilon Sigma to present the sum of twenty-eight dollars to the

I-M Basketball Race Proves Close; Bears And Hungry Five Tied

The results of the latter half of the second round of the Intra-mural basketball tournament shows the Day Dodgers defeating the Nomads, 21-13, and the Hungry Five beating the Ramblers, 23-16.

In the recent games of the third round, the Indians took the scalp of the Barons, 26-21. The second game of this round found the Bears clawing their way to a 41-9 victory over the Specials. Hickey, Bear star, gathered 18 points as he led his litter to a sweeping win.

The Nomads were again defeated in their game with the Ramblers. The final score was 30-16. The closest game of the third round was played by the Day Dodgers and the Hungry Five. This game was won by the Hungry Five, 25-23. O'Connor was high point-man with 14 markers. Frank Ticulka, formerly a member of the varsity squad, led his team with 8 points.

At present Hickey's Bears and Murphy's Hungry Five are leading the league with three wins and no losses.

Modeator of the Sorority. The money will be used to purchase library tables.

The tentative date for the first meeting of 1937 is Tuesday evening, January 19. Whether or not the members are present, they will be appointed their date for the meeting to be held in their homes and will be likewise notified.

Varsity Pugs Enter Golden Glove Bouts To Be Held Feb. 2-4

The St. Viator varsity boxers will compete in the annual Golden Glove Tournament to be held in Bloomington on February 2, 3, and 4. This section of the Tribune Golden Gloves tournament will be sponsored by the Bloomington Daily Pantagraph.

The College will have six representatives, but will be without the services of Larry Roemer, finalist in the recent Catholic Youth Tournament. They range from the 160 pound division to the 118 pound.

The team will be headed by Don Morgan, captain, who will battle in the 160 pound division. Others representing Viator will be J. Emmett Bach, 147 pounder; Frank Tomasso, 135 pounder; Vellintini in the 126 pound class; Louie Moore, another 126 pounder and Herbie Fields at 118 pounds. Fields and Morgan are in their second season of inter-collegiate boxing while the others are novices.

According to Coach Lou Zarza, the varsity boxing schedule will be released within the next two weeks.

Rev. C. Marzano Visits Seminary

The Rev. Christopher Marzano, C. S. V., procurator for the Chicago Province of the Clerics of St. Viator, returned recently from a visit to the Viatorian Seminary at 1326 Quincy Street, Washington, D. C. Father Marzano was on a tour of inspection the past week.

Crime Class Visits State Reformatory

Six members of the Crime Class, accompanied by the Rev. J. W. R. Maguire, C. S. V., head of the Commerce Department, and the Rev. C. Marzano, C. S. V., treasurer of the College, visited the State Reformatory at Pontiac last Wednesday afternoon. The class made the inspection tour as part of their study into criminology and penal methods of the state.

CRITIQUE

Editor's Note.—The VIATORIAN prints the following letter but wishes to point out that it is in no way to be interpreted as the editorial opinion of the paper. It is a student's opinion and as such we give it space. The VIATORIAN will at anytime welcome wholesome student comment.

Dear Bill:

One of the things that should be of interest to every college student at the present time, is the fact that College Athletics aren't worth while. It just doesn't pay for a student to waste his time trying to be a star athlete, when he can direct his energy into much more useful channels, such as debating, writing, and studying.

After all, if he spends a great deal of time practicing, and it so happens that he does learn to kick a football farther than the next fellow, or gets to be a good runner or passer, just exactly what good will it do him? He will probably get a lot of publicity in the local newspaper. Perhaps for a time he will become a very popular young man, especially with those people who cater to and lionize anybody that can crash the headlines. But when that young man leaves school, and the newspapers drop him like the proverbial "hot potato", what is his social standing then?

Will those accidental talents, which our star athlete has taken such great pains to develop, be of any use to him once he applies for a position out in the business world? Surely he will not receive a salary that is based on the amount of his newspaper clippings. Nor will he be hired because he is more adept in the art of lugging a section of pigskin than his fellow student.

Many a star athlete after leaving college is unable to find the kind of position he would like to have, so he continues to pursue those enticing headlines as a professional player. Certainly that kind of man is to be pitied. His earning power in that game will extend over a period of approximately ten years,

fifteen years at the very most. After that as far as making any money goes, he is absolutely through.

Except in very few instances he has no practical business experience to stand in back of him, or any other occupation which will be useful to society. So, if he is the very rare type of person who has saved his money and invested wisely—fine, but if he is like the great rank and file of the human race, he has recourse only to a W. P. A. job.

On the other hand consider the young man who hit the books while attending college, one who was never a brilliant athlete, or never even got a mention in the local paper. After leaving college, he spent those next fifteen years building up a solid business foundation, or practicing a profession. That kind of a man, after fifteen years will be at the height of his earning power, while the athlete can write F I N I S to his career.

Just stop to consider the facts on the question in dispute. It is not rare to find that some distinguished gentleman has made a study of certain groups of college men and found when they left college that the athletes, as a group, were the least successful of all the groups he had studied.

In the ranks of the professional athletes it is hard to find men who have been able to retire with the wealth which they were seeking. But once start enumerating those thousands that started out as professional athletes, made quite a bit of money, and then were miserable failures and you have quite a job on your hands. In view of these facts, only one possible conclusion can be drawn, and so the sensible thing for any college student to do is to stay out of the limelight and hit the books.

So, Bill old sock, if you publish this letter, and it causes some people to pause a moment and think. I will feel that my efforts have not been in vain.

Sincerely yours,
 Lawrence Roemer.

Bro. Geo. Nelson Named as Prefect

Brother George Nelson, C. S. V., a Junior from Springfield, Ill., has been named to succeed Brother Daniel Kelly, C. S. V., as prefect on the Freshman corridor of Roy Hall. Brother Nelson, who is also director of intra-mural sports, has been popular with the first-year men and his appointment was met with high approval. Brother Kelly is now prefect in the Athletic Dormitory.

SCHOOL SPIRIT RUNS HIGH

Evidence that the school spirit of St. Viator students is at a high pitch was revealed just prior to the St. Viator-Carbondale basketball game when four students, Walter Ciesielski, '40, Bill Leeson, '40, Raymond Weaver, '40, and Emmett Dooley, '40, all hitched-hiked to Carbondale. The four freshmen arrived in plenty of time to see the game and returned via the I. C. with the team.

Those students of the Athletic Hall who would have like to make the trip but were prevented because of classes gave evidence of their school spirit in the following letter:

To the Basketball Squad:

We, your loyal supporters, express our profound hope for a victory in your impending clash with the strong Carbondale quintet. Don't let the Normal defeat interfere with your future successes, but only let it be an added incentive to fight the harder, to add another victory to your string. We, members of Athlete's Hall, wish to extend our heartiest wishes for your success against Southern, and if a loss is inevitable, go down fighting in the true Green Wave spirit and manner. Good Luck!

Your ardent friends and supporters, Athlete's Hall Gang.

ORGANIZATION NEEDED

That St. Viator College is growing is recognized on the campus and elsewhere. Both scholastically and socially the College has taken a new lease on life which the VIATORIAN notes with approval.

This growth is evident on the campus in the organization of an increasing number of student activities. But with growth come "growing pains" such as made their existence felt just prior to the Christmas holidays. At that time every club and social organization of the College seemed to want a date for some affair. Some organizations selected dates only to discover that some other organization had appropriated that very evening for itself.

St. Viator College is a growing institution and there is no doubt that we have a larger and more active student body than we had a few years ago but it doesn't follow that a scrimmage scheduled at the last minute by the basketball team will not wreck a Glee Club function, a Bergin Debating Society meeting or a gathering of the International Relations Club.

A step toward the remedying of this situation has been taken in the formation of a student social committee. This committee is expected to function as a "clearing house" through which ALL campus organizations will obtain approval for the dates of meetings. Thus the College Club, which theoretically has the power of drawing up the social calendar for the College, finally has taken definite action to fulfill one of its major duties.

The VIATORIAN congratulates the College Club on its action but it does not believe the situation has been solved. In the past certain organizations on the campus have refused to consult the College Club concerning possible meetings and social affairs, and there is no reason to believe they will do so in the future.

The VIATORIAN therefore advocates that the new committee, composed of students, be strengthened by the addition of faculty members. Further, we advocate that this committee be given full power over all things pertaining to the social calendar of the campus and that the members of the committee should co-ordinate the social life of the College.

It is our belief that no committee composed merely of students can adequately handle and supervise this type of work. Consequently we ask that the College Administration appoint faculty representatives to the newly created social committee.

AN EXAMINATION OF EXAMINATIONS

The day of reckoning is at hand. Once more each student will be required to render up his holdings in the knowledge to which he has been exposed. The offerings will then be put in the test tube, somewhat carefully measured, and each and all of us will receive an approximately accurate rating.

The great majority of us labor under the delusion that these examinations and the ratings which follow are the be all and the end all of scholastic endeavor. Because a certain minimum average must be maintained and because grades are the sole concrete recognition of high scholarship this is a natural error. But it is an error for, in the last analysis, examinations and grades are tremendously important.

It is the function of education to develop the mind and if it has done that for you it has accomplished its purpose. If you feel that you have learned what is of value to you in a course of study your grade is non-essential, relatively speaking. If you have satisfied your own standard of achievement you are better off than you would be if you anticipated half of the examination questions. In short, if you have learned to view life with the proper perspective it does not make difference whether or not you manage to remember the names of the minor Roman warriors.

Sideline Slants

It looks as though we might be batting in the wrong league, writing about All-Star football selections right in the middle of the basketball season but we assure you that we are not crazy. You see our boys were picked on quite a few all-opponent teams in the various sections of the country and they deserve a lot of credit. Its never too late to give credit where credit is due, so "ignis discede."

Ferris Institute's All-Opponent team names Ray O'Connor, '39, and John Stevens, '38, as their choice of tackles besides placing Captain Tommie Gibbons, '37, and "Buzz" Romary, '40, in the backfield. . . The Ferris Weekly's sport scribe commenting on Romary's selection said. . . "Romary started the game on the bench, but as soon as he was inserted into the line-up, his team started their scoring spree which did not end until the score stood 26-0. He was the most sensational runner faced by the Bulldogs all season".

St. Viator men landed four of the positions on Southern Illinois State Normal All-Opponent eleven, and two more received selection for the second string eleven. The "240 pound strong man of Viator, Ray O'Connor was the outstanding tackle of the Little 19". Joe Saia, "pile driving Viator lineman is our outstanding choice as guard" and John Morenc was the favorite for the center position being acclaimed by the Carbondale pivot-man as "the toughest and most versatile center" he faced all season. . . Bob Lenahan, versatile fullback of Viator, was the only unanimous choice of the Southern Profs. "His 91-yard run for Viator's winning touchdown was just a fair example of his all-around ability. . . "Walsh and Gibbons, two other "Scintillating Angels" also rated highly and were placed in the second string eleven".

Up at St. Norbert College in Green Bay, Wisconsin, St. Viator gridgers again dominated the All-Opponent team. Men selected were Joe Jenesky at tackle, Joe Saia at guard, Danny Blazeovich at end and Bill Walsh at a halfback berth. All were named for the first string eleven. Stevens, tackle, Morenc, center and Lenahan, fullback secured berths on the second eleven.

Danny Blazeovich, varsity end, was the only Viator man to be selected on the "Little All-American Team". Congratulations, Dan.

Summarizing the above data we find that St. Viator has all-star ends, tackles, guards and halfbacks. We also have an all-star center, quarterback and fullback. Some ball club if we can judge from what our opponents think of it!

From all indications contained in rumors coming out of the Athletic Association's office here on the campus our own coaching staff has bright hopes for next season. To

McNamara's men showed the effects of their layoff in the first half, but, paced by McElligott and Monahan, came back brilliantly after trailing at intermission, 16 to 14. Monahan's tipoff work was great and Straub, McElligott and Betourne all showed brilliant form in the winning rally. Decker was the Southern Gents' mainstay along with Synder.

Irish Nip St. Louis Five In Battle, 40-36

Forced into an extra five minute period by a mighty team of Billikens from St. Louis University the Irish of St. Viator displayed championship form as they rang up seven points to win 40 to 36. St. Louis led at the half 19-14 and the score was knotted at the end of the regulation time at 33 all.

Viator's short passing attack began to function in the second half and two minutes before the end the

Irish were leading 33-29. Field goals by Gorman and Keaney deadlocked the game as the gun sounded. St. Viator scored first in the overtime on Monahan's short shot, increased the lead in Straub's free throw, and baskets by Monahan and McElligott cinched the game. Rossini and Keaney accounted for the St. Louis five's three points in the extra period, the former making a bucket and the latter a free throw.

Green Wave To Invade De Kalb In League Tilt

The Green Wave basketballers will invade DeKalb on January 23 in an attempt to prolong their jinx over the Northern Illinois States Teachers. Twice last year the Irish basketballmakers met and defeated the

DAN BLAZEVOICH

Profs and from all indications it would seem as though they were destined to repeat again this season.

The Prof's quintet of this season, while undefeated in conference play, are not supposed to be as strong as of yore. Only one letterman is on Chick Evans' starting five. Chester Davis, the lone veteran, has never proved much of a problem to the Viator defense and it is expected that this year he will be just as easily handled as he was last season when the Irish downed DeKalb twice, 31 to 28 and 21 to 20.

It seems quite certain that Coach Evans will use Kenneth Hellman at center; Robert Peterson and John Young at forwards, with John Terhune and Chester Davis at the guards for his starting combination. These men have done excellent work up to now and are mainly responsible for the marvelous showing that DeKalb has made this season.

Formidable Foemen
Ken Hellman appears to be the most likely looking of DeKalb's new team. His work at center and around the basket has been very good and he promises to be one of the main scoring threats against the Irish. Young and Peterson work in well at forward posts with Young doing considerable rebound work and Peterson contributing his share in the scoring column. John Terhune, who is teamed up with Chester Davis, flashy negro football star, apparently is the most steady element of the new Prof quintet, doing most of his work as a feeder. Davis has been hitting his long shots with great regularity and is at present the DeKalb team's leading scorer.

At present, the only Viator men who seem certain to start against

NORMAL VICTORS, 23-20; SOUTHERN WINS BY 39 TO 36

Hopes of a Viator basketball crown in the Little 19 Conference were blasted into oblivion during the past week as both the Normal Red Birds and the Southern Teachers eked out wins over a fighting Irish five that battled strenuously but fell in both games before last minute rallies.

Hard driving play was featured in Normal's 23-20 victory and the same type of hard, fast basketball aided the Southern Profs to rack up a 39-36 win. Both games were closely fought and in neither one did either team have more than a five point margin at any time of the game.

At Normal the count was knotted at 19 all in the last three minutes of play while at Carbondale the score was knotted at 36 all with but two minutes of play. In each game the home team had the necessary spark needed to furnish victory and the Irish went down to glorious defeat.

Intercollegiate

Some years ago at the University of Notre Dame, quarterbacks used to whip their Irish elevens into formation by yelling signals in Italian and Polish. Now, football teams almost universally, use the old fashioned English numbers. But Tom Conley, coach at John Carroll U. has a new system whereby the names of foods—pastries especially, are substituted.

Signals are no longer complicated because the quarterback yells, "Banana Cream or Pineapple Pie" and the men hop into their various formations.

The Irish cagers suffered their first defeat of the current season at Valparaiso University on December 14 as they bowed to an inspired Fighting Uhlman quintet, 32 to 29. The game was closely fought throughout with neither team having any marked advantage at any point. Valpo held a halfway lead of 19 to 17.

Fierke, Karr and Roedel were the stars of the Valpo attack while Red McElligott and Frank Straub were outstanding for Viator. McElligott continued his high scoring spree with 4 field goals and two charities.

Paced by "Red" McElligott, sensational scoring ace, the Green Wave rolled over Oshkosh State Normal of Wisconsin at Bourbonnais on December 18 by a top heavy 62 to 31 count. The Irish led at the half 24 to 11.

McElligott, sophomore star, garnered the scoring wreath of the evening with 9 baskets and a free throw while Danny Blazevich collected 2 buckets and 6 free throws for second scoring honors among the Green Wave basketweavers. Lautenschlager, giant center for the Pros led the Normal quintet at the basket with 5 field goals and 5 free throws.

The Choral Club, according to the Rev. M. P. Loughran, C. S. V., director, will begin work on a musicale production within the near future. Saturday evening entertainments will also continue to be a part of the organization's activities. A major operetta, "The Pirates of Penzance", will be produced during the first week of May in conjunction with St. Francis College of Joliet.

Plans for a Choral Club Party are also well under way stated Father Loughran. The party will be given for those members of the Choral Club who took part in the caroling tour of the local hospitals, the Paramount Theatre, and the broadcast over radio station WCFL on the Sunday before Christmas. No definite date has been selected for the party as yet.
